15. Applications for review and memoranda of Appeals from Appellate Decrees or from Original or Appellate Orders filed by parties to the appeal in person shall be presented direct to the Division Court concerned after the report prescribed in rule 12 above has been obtained.

Applications for revision shall be presented direct to the Division Court without the report prescribed in rule 12, but such applications shall exhibit the particulars required by Rule 2 of chapter IV of these Rules.

16. Applications for leave to appeal *in formâ pauperis* shall be presented with the report of the Stamp Reporter in open Court to the Division Court concerned in accordance with the provisions of Order XLIV, Civil Procedure Code.

17. The officer to whom a memorandum is presented under rule 15 of this Chapter shall endorse on every such memorandum the date of presentation and shall send the

same to the Stamp Reporter who, if the memorandum is not barred by limitation, is sufficiently stamped, and complies with the provisions of these rules, shall—

(*a*) in the case of an Appeal from an Original Decree, admit it and cause it to be registered and that notice should issue to the respondent;

(*b*) in the case of an Appeal from an Appellate Decree, or an Appeal from an order, admit it, cause it to be registered, and posted to a Bench for hearing under Order XLI, rule 11, Civil Procedure Code; and

(*c*) in the case of a memorandum of objection under Order XLI, rule 22 or 26, Civil Procedure Code, admit it, and cause it to be registered:

Provided that the memoranda of appeal or objection to be dealt with by the Stamp Reporter under this rule shall first be submitted for the scrutiny of the Deputy Registrar as to the sufficiency of the court-fees paid and as to whether the stamps have been properly punched and defaced under the rules.

18. (*1*) If there is a reasonable doubt as to the amount of court-fee leviable on any memorandum of appeal which an Advocate or a party desires to present, he shall apply to the Registrar, as Taxing Officer, for his decision as to the court-fee payable, and the Registrar shall pass an order accordingly and fix a period within which the requisite court-fee must be paid.

If the requisite fee is not paid within the period fixed, the case shall be laid before the Division Court for orders.

(*2*) If the Stamp Reporter, on a memorandum being presented to him finds that it has been insufficiently stamped, he shall make a note thereon as regards the deficiency and shall return it, with as little delay as possible, to the Advocate or the party presenting it. If the Advocate or the party refiles it having supplied the deficit court-fees, within the prescribed period of limitation, the Stamp Reporter shall record a note to that effect on the memorandum which shall then be admitted.

(*3*) The Advocate or the party to whom a memorandum is returned under clause (*2*) may apply to the Registrar for time to put in the requisite court-fee. On such application being made the Registrar, if he is satisfied that the insufficiency of the court-fee was due to a mistake on the part

of the applicant as to the court-fee payable, may fix a period within which the additional court-fee must be paid. In other cases or when the requisite fee is not paid within the period fixed, the Registrar shall lay the matter before the Division Court for orders.

(*4*) If a memorandum which has been returned under clause (*2*) and for filing which no time under clause (*3*) has been fixed is refiled, sufficiently stamped, after the period of limitation has expired, it shall be presented direct to the Registrar and the latter may pass an order for the admission thereof or lay it before the Division Court for orders according as, in his opinion, a case as to mistake as referred to in clause (*3*) has been made out or not.

(*5*) An application made under clause (*3*) or a memorandum of appeal refiled under clause (*4*) must be accompanied by an affidavit explaining the insufficiency, unless the insufficiency is due to a mistake which is apparent on the face of the papers filed.

19. The Stamp Reporter or the Bench Clerks, as the case may be, must see that section 30 of the Court-fees Act is strictly complied with and that no document requiring any court-fee stamp is filed or acted upon in any proceeding either before the Court or in its offices, until the stamp has been effectively cancelled.

20. In any case in which a memorandum has been returned for amendment under the orders of the Registrar, it shall be the duty of the Deputy Registrar to attest the amendment by his signature.

21. If a memorandum bears a note that a report as to the sufficiency of the stamp will be made on the receipt of the record, the Deputy Registrar or such other officer as the Registrar may appoint shall note thereon the date of presentation and shall retain it pending the receipt of the report.

22. Every memorandum retained under the provisions of rule 21 shall, immediately after the receipt of the record, be examined by the Stamp Reporter, who shall endorse on it his report as to the sufficiency of the stamp and shall thereupon proceed in the manner provided in rules 17 and 18 above.

23 Whenever the Stamp Reporter finds that a document which ought to bear a stamp under the Court-fees Act, 1870, has been through mistake or inadvertence

received, filed or used in the Court without being properly stamped, he shall report the fact to the Advocate who presented such document. Such Advocate shall at once initial the report and shall within one week thereafter, or within such further time as the Taxing Officer may allow, note on it whether he accepts or disputes the accuracy thereof. If such note is not made within such time, it shall not be open to such Advocate to dispute the accuracy of the report.

NOTE.—The Honourable the Chief Justice has been pleased to declare that the Registrar of the High Court, in its Appellate Jurisdiction, shall be the Taxing Officer within the meaning of section 5 of the Court-fees Act, VII of 1870, of the Court in its Appellate Jurisdiction.

24. If a memorandum which has been dealt with under rule 18 above is duly stamped or amended under rule 20 within the time fixed by the Registrar or the Court, as the case may be, the Registrar or the Court shall admit it and cause it to be registered. If such memorandum is not duly stamped or amended within the time allowed, the Court may reject such memorandum or pass such other order relating thereto which it may consider proper.

25. An application supported by an affidavit shall be filed for an order for amendment of the memorandum of an appeal consequent on the death of a party including a party whose heirs are already on the record:

Provided that where such amendment relates to a matter in respect of which an order has already been obtained in the court below but has not been incorporated in the decree of that court, no application shall be necessary but an affidavit setting out the particulars will be sufficient.

26. If a respondent who was described as a minor in the decree to be appealed from has attained majority before the appeal is preferred, and the appellant impleads him as a major in the memorandum of appeal, the same shall be accompanied by an affidavit stating the said fact.

27. Where the Deputy Registrar is appointed guardian *ad-litem* of minor respondents under Order XXXII, rule 4(4), Civil Procedure Code, the appellant, at whose instance such appointment is made, shall within 15 days, deposit with the Accountant of the Court the sum of Rs. 51 or Rs. 19, as the case may be, as cost to enable the Deputy Registrar to appoint an Advocate on his behalf, and shall within the same time file in Court an indemnity bond in favour of the Deputy Registrar.

28. If a respondent, who was described as a minor in the memorandum of appeal, appears as a major he shall, when making such appearance, file an affidavit stating the fact that he has attained majority together with the date when he did so. On such affidavit being filed, the appellant, unless he disputes the fact of the respondent attaining majority, shall file an application, which need not be verified, for amending the memorandum of appeal, and thereupon the memorandum of appeal shall be amended accordingly. If no such affidavit is filed by such respondent, he shall be precluded from appearing as a major and the appellant shall be required to put in the costs, etc., for the appointment of the Deputy Registrar as guardian *ad litem* of the said respondent:

Provided that it shall always be open to the appellant to ask for such amendment on making an application supported by an affidavit for the purpose.

29. Where in an appeal or other proceeding the natural guardian of a minor respondent or opposite party, upon being duly served with notice, does not appear in due time and the Deputy Registrar is appointed guardian *ad litem*, the natural guardian shall not be allowed to appear unless he files an application supported by an affidavit making out sufficient ground for the removal of the Deputy Registrar as required by rule 11 of Order XXXII of the Civil Procedure Code. Notice of such application shall be duly served by the applicant upon the Deputy Registrar and if an order is made removing the Deputy Registrar it shall be made subject to the payment by the natural guardian of any cost that the Deputy Registrar may have incurred as guardian *ad litem* in respect of Advocates' fees, etc.

30. On any Court day on which no Bench is or has been sitting, any memorandum of appeal or application which might be barred by time, and which is entertainable only by a Bench, may be presented to the Deputy Registrar or, in his absence from Court on that day, to an Assistant Registrar on the Appellate Side of the Court, who shall certify thereon that such application was on that day presented to him: provided always that no such presentation to the Deputy Registrar or an Assistant Registrar shall be of any effect unless such application be presented to a Bench on the next subsequent day on which a Bench is sitting.

31. When an Appeal from an Original Decree or an application for revision has been admitted and registered, or, in the case of Appeals from Appellate Decrees and Appeals from Orders, when the Court has passed an order to the effect that the appeal will be heard, it shall be the duty of the Deputy Registrar to send a notice [*see* Forms Nos. 1 and 2 (Civil) of Appendix I] immediately to the Court from whose decision the appeal is preferred, or the application is made, and to call for the transmission, ordinarily within seven days, of the record and all material papers:

Provided that in every appeal from an interlocutory order made in a suit and coming under Order XLIII, rule 1, clauses (*q*), (*r*) and (*s*), Civil Procedure Code, copies only of the plaint, written statement (if any), order-sheet and the papers directly relating to the interlocutory proceedings in appeal shall be called for unless the Court or the Registrar otherwise directs.

NOTE.—Records of execution cases sent up in appeal to the High Court shall invariably be accompanied by all the papers connected with them in the Lower Courts, whether Original or Appellate, including the decree which is the subject of the execution proceedings.

32. Whenever it shall be impossible for the Lower Court to comply with the requisition within the time stated such court shall report the reason of its inability and shall ask for such further time as may be necessary.

33. The fee for the issue of the notice to the respondent under Order XLI, rule 14, Civil Procedure Code, shall be paid into Court by the appellant:—

(*a*) in the case of Appeals from Original Decrees: within two weeks of the date of registration of the appeals, notice whereof shall be given in the manner prescribed for Appeals from Appellate Decrees in Rule 59, Chapter IX;

(*b*) in the case of Appeals from Appellate Decrees and Appeals from Orders, other than those which are dismissed at the preliminary hearing under Order XLI, rule 11, Civil Procedure Code, within 30 days of the date on which the Court passes an order admitting the appeal.

34. (*1*) The appellant within thirty days from the registration of the memorandum of appeal, notice whereof

shall be given in the manner stated in Rule 33(*a*) above, shall, in the case of Appeals from Original Decrees, deposit with the Accountant, in one instalment, the sum of Rs. 50 if the appeal does not exceed Rs. 10,000 in value; Rs. 75, if such appeal exceeds Rs. 10,000 in value but does not exceed Rs. 15,000; and Rs. 100 if such appeal exceeds Rs. 15,000 in value.

(2) (*a*) In the case of Appeals from Appellate Decrees and Appeals from Remand Orders under Order XLI, Rule 23, Civil Procedure Code, in which the valuation of the appeal exceeds Rs. 50, and Appeals under Chapter X of the Bengal Tenancy Act, the appellant shall, within 30 days from the date of registration of an appeal, deposit, in one instalment, the sum of Rs. 10 and the respondent, at the time of entering appearance, Rs. 5 in full payment of the costs of the preparation of a typewritten paper-book:

Provided that in an Appeal from Appellate Decree in which there was an order of remand passed by the lower appellate court, and in which the previous judgments (of both original and appellate courts) will have to be included in the paper-book, the charge of the paper-book to the appellant will be Rs. 12, instead of Rs. 10, and to the respondent Rs. 6, instead of Rs. 5.

NOTE.—In cases where respondents are represented by separate Advocates each such set of respondents shall deposit the sum of Rs. 5 on entering appearance in full payment of the cost of the preparation of a typewritten paper-book.

(*b*) In the case of analogous appeals of the classes mentioned in clause (*a*) above, the appellant shall, within 30 days from the date of registration of an appeal, deposit, in full payment of the costs of the preparation of a typewritten paper-book, the sum of Rs. 10 for the first appeal, the charge for the analogous appeals being Re. 1-8 per appeal up to four such appeals, and annas 12 for every such appeal in excess of four, the additional charge not exceeding Rs. 10 in any case.

In such cases, the respondent, on entering appearance, shall deposit Rs. 5 for the first appeal and half the charges prescribed for the appellant in respect of the analogous appeals, the additional charge not exceeding Rs. 5 in any case. The principle of this rule will apply to each set of respondents who enter appearance through separate Advocates.

(*c*) Where analogous appeals have been presented in separate batches, each batch of such appeals presented by the same appellant or by the same Advocate representing different appellants, shall be considered as a separate batch of analogous appeals and the cost of the preparation of the typewriten paper-book shall be deposited for each batch of such appeals separately calculated according to the provisions of clause (*b*). In the case of single appeals presented by different Advocates or appellants in person, such costs shall be deposited as provided in clause (*a*) for each such separate appeal, notwithstanding that such appeals may be analogous to others.

NOTE.—In cases in which some of the analogous appeals exceed Rs. 50 in value and some do not, the principle of the rules applicable to appeals valued over Rs. 50 shall ap ly to the whole analogous batch.

(*3*) In the case of First Appeals from Orders passed by a Provincial Civil Court (including orders under section 47, Civil Procedure Code) the appellant shall, at the time of paying the fee for the issue of the notice to the respondent under Order XLI, Rule 14, Civil Procedure Code, deposit the sum of Rs. 30 towards the cost ot the preparation of the paper-book in the Appeal.

NOTE.—When tendering money in the accounts section the Advocate shall certify that the amount tendered is the full amount of initial deposit after reduction or otherwise, and the money shall not be received if this certificate is not given.

35. (*1*) Whenever it is necessary under these Rules to issue a notice to a respondent under Order XLI, rule 14. Civil Procedure Code, the appellant shall, simultaneously with the filing of the fee for the issue of such notice, file printed forms of such notices, duly filled up in the prescribed form No. 3 (Civil) of Appendix I, the date of appearance and the date of the notice being left blank.

(*2*) The information entered in the forms must be filled up in the vernacular (or in English if the respondent to be served is a European British subject or a resident of Calcutta) in a bold, clear and easily legible handwriting.

(*3*) The date fixed for appearance will be inserted in the form and the notice will be dated and signed by an Officer of the High Court.

(*4*) The necessary number of the printed forms of notice in the prescribed form will be supplied to the appellants, or their Advocates, free of cost on application to the Forms Clerk.

(5) The Registrar may, in his discretion, direct in any particular case that the forms of notice be entirely filled up in the office of the Court.

36(a). If the fee for the issue of the notice to the respondent be not paid into Court in the manner provided by rule 33, or the deposit required under rule 34 be not made within the time allowed by that rule, or if the notice forms, duly filled up, be not filed as provided in the last preceding rule, the appeal shall be placed before the Registrar who may, in his discretion, either grant further time for making such payment, or deposit, or filing the notice forms, or direct the appeal to be placed before the Court for orders:

(b) No process-fee for the issue of notice to the respondent, or deposit under rule 34, or notice form filled up in accordance with the provisions of rule 35, shall, except under the orders of the Registrar, be accepted after the expiry of the period allowed by these Rules.

No order shall be passed under this rule except upon an application duly stamped with a court-fee of Rs. 2 setting forth sufficient grounds for the delay: Provided that if it is deemed necessary orders may be passed directing an affidavit to be filed in support of the application for extension of time.

NOTE.—In case any affidavit to be used under this Rule is sent from Muffasal, and is in the vernacular, it shall be accompanied by an English translation certified to be correct by an Advocate or a Translator of this Court.

Provided, further, that if the fees referred to in these Rules be paid into court out of time, but before the case is listed in Lawazima before the Registrar, the filing of an Application may be dispensed with.

37. If the process-fee be paid and the notice forms be filed within the period prescribed by rules 33 and 35, or within the further period allowed by the Registrar, the notice in the prescribed form shall at once issue on the respondent.

38. If such respondent reside within the jurisdiction of the Court from whose decree or order the appeal is preferred, the notice to such respondent shall be sent to the presiding officer of such Court together with the proceeding of the High Court calling for the record.

39. Notice for service on respondents or opposite parties residing in any district other than that from which the appeal, application, etc., comes, shall be sent by the Deputy Registrar to the proper Court in the district in which such notice is to be served. If, however, the opposite party, or any of the parties to be served, resides in the same district but outside the jurisdiction of the Court from which the appeal, application, etc., comes, the notice shall be sent for service to the Court within whose jurisdiction the party resides, if known; if not known, then to the Court from which the appeal or application comes, directing the latter to forward it to the proper Court within the jurisdiction of which the notice is to be served. The Court which serves any notice shall in every case make its return of service, or of the failure of service (as the case may be), direct to the High Court.

40. 41. The time allowed for service of the notice shall be specified therein by the Deputy Registrar in accordance with the time-table in rule 46 and shall commence from the date on which it is despatched, which shall, in general, be the day on which the process-fee is deposited and the notice forms are filed.

42. The Lower Courts shall issue all notices immediately on receipt thereof and in their returns of service shall, in every instance, insert (*a*) date of receipt of notice; (*b*) date of delivery to the serving officer; and (*c*) date of receiving it back from him.

43. It shall be the duty of the Lower Court to cause the notice to be served in sufficient time before the date fixed, and, if such service be impracticable, to state, when

returning it to the High Court, the reasons thereof. The Lower Court shall satisfy itself that a valid service has been made, or that there has been a failure of service, and shall certify such opinion with the reasons in case of failure of service. The certificate shall be accompanied by the return of service, or of failure to serve the notice, and the declaration of the serving officer specifying the fact and mode of service or the reason for non-service.

NOTE.—In every case in which a report is received from the Lower Court to the effect that a process issued by this Court cannot be served on the party for want of the necessary boat-hire, it shall be the duty of the office to bring such report to the notice of the Registrar who, if necessary after hearing the Advocate engaged in the case, may fix a date within which the necessary boat hire shall be deposited in the Lower Court and at the same time alter the date of hearing of the case and also extend the date within which the return of service should be submitted Intimation to this effect shall then be sent to the Lower Court concerned by means of a service post card in the prescribed form [*see* From No. 4 (Civil) of Appendix I] and the Advocate concerned shall also be informed.

44 The date to be fixed for the hearing of the appeal shall be the 21st day after the date on which the time for the service of notices expires, provided that if such day be a Sunday or holiday, the first open day next following shall be the date fixed for the hearing.

45. In an appeal in which more than one respondent is to be served with the notice under Order XLI, rule 14, Civil Procedure Code, the Deputy Registrar, in fixing the time for the hearing of the appeal, shall fix the 21st day after the day fixed for the service of the notice of appeal on the respondent for whom the longest period is allowed under the following rule

District	Number of days allowed for service of notice of appeal on the respondent
The Municipalities of Calcutta and Howrah	10 days.
All Districts of Bengal (excluding the Municipalities of Calcutta and Howrah)	21 „
Assam	28 „

47. When in an appeal or other proceeding the Court orders a notice to show cause to issue, such notice shall ordinarily be issued to all parties to such appeal or other proceeding and to any person whom it is proposed to make a party. If the person to whom the notice is to issue is a

minor, a person of unsound mind, or other disqualified person, it shall also be issued to the guardian or next friend of such person.

48. In every case in which an appeal has been admitted, the Registrar shall cause paper-books to be prepared in accordance with the provisions of Chapter IX.

49. As soon as the paper-book has been prepared in accordance with the provisions of Chapter IX, and the appeal is otherwise ready for hearing, it shall be entered in the General List and notice thereof shall be published in the manner prescribed in Rule 66 of Chapter IX of these Rules.

Provided that, unless there is a special order to the contrary, no appeal shall be entered in the Weekly Cause List until the expiry of seven days from its entry in the General Cause List of Appeals ready for hearing.

50. The Deputy Registrar shall, on Suturday of each week, cause to be prepared and posted on the Notice Board of the Court a list of cases which are ready for hearing during the week. This list shall be called "The Weekly Cause List."

51. From the Weekly Cause List the Deputy Registrar, subject to any special orders passed by the Judges or by the Registrar under rule 57 of this Chapter, shall each day cause to be prepared and posted on the Notice Board of the Court a list of the cases to be taken up by each Bench on the following day. This list shall be called "The Daily Cause List," and a copy of it shall be submitted to each Judge.

52. The Daily Cause List for the days on which the Registrar sits shall include a list of the cases which will be taken up by him.

53. If on the date fixed for the hearing of any appeal, application or other matter, it appears that the requisite notices have been served, and the matter is otherwise ready for hearing, the matter may be disposed of; if not disposed of, it shall come on for disposal in the ordinary course, and no notice of any date fixed for hearing shall be given other than its inclusion in the Daily Cause List.

54. A case which is part-heard shall, unless otherwise ordered by a Bench, be placed first in the Daily Cause List for the day on which the Bench which has partly heard such case next sits for the disposal of that class of business.

55. Subject to rule 54, a case which is specially fixed for a particular day before a particular Bench shall be placed at the head of the list for that day.

56. The cases in the Daily Cause List shall, unless the Bench otherwise directs, be called on and disposed of in their order on the list.

57. Any person desiring that a case shall not be placed in the Daily Cause List for any particular day or days may, after notice to the opposite party, apply to the Registrar, and thereupon the Registrar may, subject to the proviso to rule 2(*20*), Chapter II, order that such case shall not be placed in the Daily Cause List for any such day or days.

58. Appeals from Orders shall have precedence over other appeals in preparation for hearing and shall, when ready, be put up for hearing as soon aspossible

59. When an order has been made under Order XLI, rule 23 or 25, Civil Procedure Code, the Deputy Registrar shall make a note of the same in a register to be kept for the purpose, and he shall bring to the notice of the Registrar any case in which the Subordinate Court has not made a return to the order of remand within four months, or within such time as may have been specially ordered.

60. On receipt of the finding of a Lower Court in a case referred under Order XLI, rule 25, Civil Procedure Code, the Deputy Registrar shall notify to the Advocates of the parties that any objections to such finding must be filed within one week from the date of the service of the notice.

61. Whenever by an order of a Division Court, the decree or order of a Lower Court is modified or reversed, or costs are fixed in any special sum not specified in the judgment, as soon as the decree or order has been drawn up, it will be the duty of the Bench Clerk concerned to cause a notice to be issued to the Advocates concerned or to the parties, if acting in person, stating that such decree

or order has been drawn up and that it may be perused by any party or his Advocate within one week from the date of the issue of the notice.

62. When such notice has been issued, any party or his Advocate may, before the expiry of the time prescribed in rule 61, peruse the decree and either sign it or state his objection to the Judge or Judges, or one of them who delivered the judgment; or if such Judge or Judges has or have ceased to be a Judge or Judges of the Court, or be absent on leave or furlough, then before such Judge or Judges as the Chief Justice may appoint for that purpose.

63. (1) Should no objection be filled on or before the date specified in the notice, the Bench Clerk shall submit the decree to the Judges for signature.

(2) In drawing up decrees of this Court dismissing with costs appeals by minors, the Bench Clerks should be careful to make the next friend of the minor liable for such costs, unless the Court otherwise orders.

(3) In cases where a minor is a respondent and the decree of the Court below is reversed or altered, it shall be the duty of the Bench Clerk to call the attention of the Division Court to that fact, in order that special directions may be given as to the payment of costs.

64. A copy of the judgment and of the decree passed by the High Court, disposing of an appeal shall be certified by the Deputy Registrar and forwarded by him to the Court which passed the decree appealed from, in the manner prescribed by Order XLI, rule 37, Civil Procedure Code.

65. Every decree and order made by the High Court shall be drawn up in the English language.

66 Except when the Registrar otherwise directs, the records of the Lower Courts shall be sent down as soon as possible after the case has been disposed of.

67. No Advocate shall receive instructions from any person other than an Advocate, an Attorney, an enrolled Mukhtar of the Court, or the party himself, or a person holding a general power-of-attorney from him, or his servant or relation, or a Pleader of the mufassal Court, specially authorised in writing in that behalf. Where there are more parties than one, and they appear by

separate vakalatnamas, the vakalatnama of one may be received from any other similarly authorised, but if they appear by one and the same vakalatnama, it may be received from any one of them, or from a person duly authorised by any one of them, without special authority from the others. When any vakalatnama is filed by an Advocate, he shall endorse on the back of it the name of the person from whom it is received, and if such person is not the client himself, or an Advocate, Attorney, or enrolled Mukhtar, shall state the nature of the authority, with date, of that person.

68. When an Advocate retained to appear for any party to an appeal is prevented by sickness or engagement in another Court, or for any other sufficient cause, from appearing and conducting the case of his client, he may appoint another Advocate to appear in his place so that his client may not be unrepresented at the hearing: but such Advocate shall not so appear unless he shall have first obtained the special permission of the Division Court, or the Registrar, as the case may be.

69. In any case in which the party employing an Advocate, or his agent, after due notice fails to pay the amount of the estimated costs for preparing briefs necessary to enable the Advocate to conduct the case properly, the Advocate or Advocates, after notice to such party or his agent, or by leave of the Court, may withdraw from the case.

70. An Advocate may also, for any other sufficient cause, or after such notice to his client as may enable him to appoint another Advocate by leave of the Court, but not otherwise, and on such terms as the Court may order as to refunding any fees he may have received, withdraw from the further conduct of the case.

71. A party desiring to cancel a Vakalatnama filed by him in any appeal or other proceeding in this Court must file a duly stamped and verified application for the orders of the Court unless the Advocate who accepted the Vakalatnama signifies his willingness to retire from the case, in which case the application need not be verified.

72. The Deputy Registrar shall endorse the date of receipt on all Vakalatnamas and Mukhtarnamas in all cases in the High Court in its Appellate Jurisdiction.

73. The Deputy Registrar shall bring to the notice of the Registrar any wilful neglect on the part of any Advocate or Mukhtar attached to the High Court to attend at his office.

74. In every civil matter in which the Court directs an order to be issued immediately, the Bench Clerk shall at once draw up the order in the prescribed form [*see* Form No. 5 (Civil) of Appendix I] and after obtaining the signature of the Judges thereto, send it forthwith to the Deputy Registrar or the officer in charge of the Judicial Department as the case may be, for issue without waiting for the formal order or the judgment to be signed. The Deputy Registrar or the Officer in charge of the Judicial Department shall issue the order upon payment of such fee as may be chargeable:

Provided that if it is not possible to obtain the signature or signatures of the Judge or Judges on the day on which the order is passed, the matter should be brought immediately to the notice of the Registrar. If one Judge of a Bench has signed the order, the substance of it shall be communicated to the Lower Court, immediately, with a note that the copy of the order proper will follow.

75. The Stamp Reporter shall bring to the notice of the Deputy Registrar any irregularity committed by the Lower Courts in the preparation and endorsement of certified copies of the decrees of their Courts, and the Deputy Registrar shall submit his report of such irregularity to the Registrar.

2. Matters connected with appeals to His Majesty in Council, other than those with which the Registrar is authorised to deal, shall ordinarily be heard at such time as the Division Court appointed to deal with such matters shall fix.

3. Matters relating to (1) service of notices or other processes; (2) substitution of parties and appointment or discharge of next friends or guardians *ad litem* of minors or persons of unsound mind, before the admission of an appeal; (3) preparation of paper-books; (4) return of documents, and (5) matters not expressly required to be laid before the Division Court for orders, shall be dealt with and disposed of by the Registrar.

4. Applications for an order (1) to transmit Orders in Council for execution to the lower courts, where no special directions are required; (2) to transmit securities to the mufassal courts for investigation as to their sufficiency; and (3) for refunds of surplus deposits made for the purpose of preparing translations, manuscripts, etc., may, in ordinary circumstances, be made to, and disposed of, by the Registrar without notice to the opposite party other than inclusion in the daily cause list.

5. In all other applications regarding matters connected with appeals to His Majesty in Council, including petitions for leave to appeal, notice under rule 6 of this chapter is necessary, in addition to any other notice herein prescribed.

7. All applications which have been duly filed with the clerk-in-charge of Privy Council Appeals will be set down in a list in the order in which they are notified to him. The cases in the list will be called on peremptorily in their turn: and if, by the fault of the applicant, the application cannot be proceeded with, it will be liable to be dismissed.

8. Every petition under Order XLV, rule 2, Civil Procedure Code, shall be presented to the Stamp Reporter. Such petition shall be accompanied by—

(1) a court-fee of Rs. 16 for drawing up an estimate of the expense of preparing and forwarding to the Registrar of the Privy Council the record of the case;

(2) the fee for the issue of the notice of the application for leave to appeal to all the respondents who did not enter appearance in the High Court at the hearing of the appeal;

(3) forms of notices to all respondents duly filled up in the manner prescribed in rule 15; and

(4) certified copies of the judgment and decree complained of.

NOTE.—A petition presented without a copy of the decree appealed from shall forthwith be returned to the Advocate or party presenting it, who shall refile it with the copy wanted, within the period of limitation, and in case it is refiled after the period of limitation, it shall not be accepted without an order of the Division Court.

9. If the Stamp Reporter finds that the petition is barred by limitation he shall forthwith lay the same before the Court for orders. If it is filed within the prescribed period of limitation he shall lay it before the Registrar with a report whether it has been filed in accordance with the rules of the High Court and whether the stamps filed therewith are sufficient.

10. Upon receipt of such petition with the Stamp Reporter's report, the Registrar shall, in case the petition is not in proper form or is not accompanied by the requisite court-fee stamps, fix a period within which the additional fees may be paid or within which the petition may be amended, or lay the same before the Court for orders. If such petition is sufficiently stamped and complies with the provisions of the rules, he shall, upon receipt of such petition, direct notice to be served on the opposite party to show cause why the certificate should not be granted.

11. Where more than one such application is made by the same party at the same time relating to decrees or final orders made in pursuance of the same judgment and only one record is required to be printed, the Registrar may order that only one court-fee of Rs. 16 be paid, or that one certified copy of the judgment be accepted, or may refer the matter to the Court for orders.

12. As soon as the Registrar has directed notice to be served under rule 10 of this chapter, the clerk-in-charge of Privy Council Appeals shall forthwith proceed to issue notice of the application for leave to appeal to all the respondents who did not appear at the hearing of the appeal before the High Court. He shall also serve notices of the application for leave to appeal on the advocates for the respondents who appeared at the hearing before the High Court.

13. A notice which it is necessary to serve under these rules (other than notices under rule 6 of this chapter) or under Order XLV, rule 3 or rule 8, Civil Procedure Code, may be served in the manner provided by the Code for the service of notices, or, unless the Court or the Registrar otherwise directs, upon any advocate who appeared for the party to whom notice is to be given in the appeal to this Court, unless the vakalatnama of such advocate has been cancelled with the sanction of the Court. If there is no advocate upon whom notice can be served, then, unless the Registrar shall otherwise direct, the notice must be served upon the party in Calcutta through the Sheriff, or in the mufassal through the proper court in the district in which such notice is to be served, on paying the usual fee. The fee for the issue of the notice must be paid into Court at the time of filing the application. Such payment is to be made by stamp affixed to the notice intended to be served.

14. Nothing in these rules requiring any notice to be served on, or given to, an opposite party or respondent shall be deemed to require any notice to be served on, or given to, the legal representative of any deceased opposite party or deceased respondent in a case where such opposite party or respondent did not appear either at the hearing in the High Court or at any proceedings subsequent to the decree of the High Court:

Provided that notices under sub-rule 2 of rule 3 and rule 8 of Order XLV, Civil Procedure Code, shall be given by affixing the same in some conspicuous place in the court-house of the Judge of the district in which the original suit was brought and by publication in such newspapers as the Court may direct.

Notices under the proviso to this rule may be issued in the manner prescribed to the legal representatives of the deceased respondent or opposite party in question without specifying such legal representative by name.

15. (*1*) With the fee for the issue of the notice the applicant shall also file printed forms of such notice duly filled up in the prescribed form [*see* Form No. 6 (Civil), Appendix I] the date of appearance and the date of the notice being left blank.

(*2*) The information entered in the form must be filled up in the vernacular (or in English if the party to be served is a European British subject or a resident of Calcutta) in a bold, clear and easily legible hand-writing.

(*3*) The date fixed for the hearing of an application will be inserted in the form and the notice will be dated by the clerk-in-charge of Privy Council Appeals, before it is signed by the Deputy Registrar.

(*4*) The necessary number of printed forms of notice in the prescribed form will be supplied to applicants or their advocates, free of cost, on application to the Forms Clerk.

(*5*) The Registrar may, in his discretion, direct in any particular case that the forms of notice be entirely filled up in the office of the Court.

16. The date fixed for the hearing of the application shall be regulated by the time-table prescribed in rule 46, chapter V.

17. As soon as it shall appear that the notices of the application for leave to appeal have been duly served on all the respondents, the clerk-in-charge of Privy Council Appeals shall lay the application for leave to appeal before the Division Court for orders under Order XLV, rule 3 (*1*), Civil Procedure Code.

18. On the receipt of a report from the court of first instance under Order XLV, rule 5, Civil Procedure Code, as to the amount or value of the subject-matter of the suit and of the proposed appeal, notice shall forthwith be given to the applicant and to the appearing respondents, and any party objecting to the report shall, within seven days from the date of the notice, file his objections, if any, and also serve a copy thereof on the other side. The case shall thereupon be laid before the Court for orders without delay.

19. Immediately after the grant of the certificate, the clerk-in-charge shall call for the transmission, ordinarily within seven days, of the record and all material papers.

20. The advocates for the parties shall be notified of the arrival of such record as soon as it is received in the office of the Court.

21. Whenever it shall be impossible for the lower court to comply with the requisition within the time stated, such Court shall report the reason of its inability, and shall ask for such further time as may be necessary.

22. (*1*) Immediately after the grant of a certificate for leave to appeal, the clerk-in-charge shall prepare and serve on the applicant an estimate with reference to (*a*) Parts I and II of the paper-book used in the appeal to the High Court; and (*b*) the papers required to be added under rule 25, *post*, excluding item (7) of the latter rule. The amount due on such estimate shall be deposited within the time limited by Order XLV, rule 7 of the Code of Civil Procedure.

(*2*) If the application is for leave to appeal from the judgment of the High Court in an appeal other than an appeal from an original decree or order, the applicant shall deposit a lump sum of Rs. 400 within the time limited by Order XLV, rule 7, on account of the cost of the

preparation of complete Parts I and II of the paper-book. The estimates in such cases will be prepared and served as soon as possible after the receipt of the records and the filing of lists by the parties, but the said deposit of Rs. 400 shall be made within the prescribed time irrespective of the service of estimates.

23. (*1*) If the appellant desires to include in Parts I or II of the paper-book used at the hearing of the appeal in the High Court any papers on which the decision of the appeal to the Privy Council depends, and which have not already been included in the paper-book; or to exclude therefrom any papers on the ground that they are irrelevant to the subject-matter of the appeal to the Privy Council, he shall within one week from the date of service upon him of the notice under rule 20, apply to the Registrar for an order accordingly, and file with his application a complete list of the papers to be included in, or excluded from, the printed paper-book; and he shall, at the same time, serve copies of his application and list on the appearing respondents.

(*2*) Within one week from the date of the receipt by them of copies of the application and list mentioned in clause (*1*), the appearing respondents shall, if they so desire, file a similar application and list and simultaneously serve copies thereof on the appellant.

(*3*) (*a*) In the case of applications for leave to appeal from the judgment of the High Court in an appeal other than an appeal from an original decree or order the appellant shall file a complete list of the papers which he wishes to include in Parts I and II of the paper-book with the clerk-in-charge within two weeks of the service of notice under rule 20, and shall simultaneously serve a copy thereof on the appearing respondents who shall thereupon prepare and file their lists with the clerk-in-charge within one week of the receipt of the appellant's list and simultaneously serve copies thereof on the appellant.

(*b*) If any party considers that any paper, or portion thereof, should be included in, or omitted from, the lists, he may within one week from the receipt of a copy of the list of the other side, and after giving notice to the other side of his intended application, apply to the Registrar for an order that such paper, or portion thereof, should be inserted in the paper-book, or be omitted therefrom.

(4) It shall be competent to the Registrar to pass any orders which, with reference to the said applications, he may consider proper, and any costs incurred on this account shall be borne in such manner as the Registrar may direct: Provided that if the Registrar is unable to arrive at any conclusion as to whether a document should be included or not, and as to which party should bear the cost of inclusion of any document, he may make a note, which will form part of the paper-book, to that effect. Such applications shall bear a certificate under the hand of the advocate presenting them to the effect that the inclusion of the papers specified in their respective lists is necessary in order to the decision of the appeal, or that the papers are irrelevant and should be excluded from the printed record required for the Privy Council.

24. Parts I and II of the paper-book shall contain brief marginal notes, but shall otherwise be prepared in accordance with the provisions of Chapter IX of these Rules.

Each part shall have a complete index of all the papers included in it; and all the documents omitted from the transcript shall be enumerated in a type-written list to be transmitted with the record.

NOTE 1.—Each document shall have a marginal note which shall be repeated on each page over which the document extends, viz.—

The additional documents should be printed strictly in chronological order and should be paged at the foot of each page in continuation of the previous paging of Part I, and shall contain brief marginal notes.

The parties shall agree to the omission of formal and irrelevant documents, but the description of the documents may appear (both in the Index and in the Record), if desired, with the words "not printed" against it.

43. In case there is no next friend or guardian upon the record, a separate application for appointment of a next friend or guardian must be made.

44. The supplemental record dealing with substitution and representation of heirs of deceased parties shall be transmitted to England in manuscript instead of being printed.

45. (*a*) When a party, who has been successful in an appeal to His Majesty in Council, applies for a certificate of the costs incurred in the appeal in this Court, the Deputy Registrar shall, upon production of the order of His Majesty in Council for the payment of such costs, prepare such certificate and place it on the record of the Privy Council Appeal.

(*b*) A copy of the certificate will then be taken by the party in the usual way.

46. The Registrar shall periodically, and at short intervals, place in the Court's list all appeals which are in arrears and call on the appellants to show cause before the Court why the appeals should not be dismissed for want of prosecution.

APPENDIX I TO CHAPTER VI.

AT THE COURT AT BUCKINGHAM PALACE, THE 9TH DAY OF FEBRUARY, 1920.

Present:

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS by an Act passed in the 4th year of the reign of His Majesty King William IV, entitled "An Act for the better Administration of Justice in His Majesty's Privy Council," it is, amongst other things, enacted that it shall be lawful for His Majesty in Council from time to time to make any such Rules and Orders as may be thought fit for regulating the mode, form and time of Appeal to be made from the decisions of any Courts of Judicature in India (from the decisions of which an Appeal lies to His Majesty in Council), and in like manner from time to time to make such other Regulations for the preventing delays in the making or hearing such Appeals and as to the expenses attending the said Appeals and as to the amount or value of property in respect of which any such Appeal may be made:

AND WHEREAS Her Majesty Queen Victoria did by Her Order in Council of the 10th day of April, 1838, approve certain Rules and Orders for regulating the mode, form and time of Appeal from the decisions of the said Courts and also certain Regulations for the preventing delays in the making or hearing such Appeals and as to the expenses attending such Appeals and as to the amount or value of property in respect of which any such Appeal may be made.

AND WHEREAS the King's Most Excellent Majesty in Council hath deemed it expedient to rescind all the said Rules, Orders and Regulations and to substitute others in lieu thereof:

His Majesty is, therefore, pleased, by and with the advice of His Privy Council, to rescind all the said Rules, Orders and Regulations in the said Order in Council of the 10th day of April, 1838, contained, and to approve of the several Rules, Orders and Regulations contained in the Schedule hereto, and to order, as it is hereby ordered, that the same be respectively observed by all Courts of Judicature in India and by all persons whom it shall or may concern.

Whereof the Governor-General of India in Council, and all other persons whom it may concern, are to take notice and govern themselves accordingly.

ALMERIC FITZROY.

The Schedule above referred to.

1. Applications to the Court for leave to appeal to His Majesty in Council shall be made within 90 days of the Decree or Order to be appealed from, subject to the provisions of sections 4, 5 and 12 of the Indian Limitation Act, 1908.

2. The preparation of the Record shall be subject to the supervision of the Court, and the parties may submit any disputed question arising in connection therewith to the decision of the Court, and the Court shall give such directions thereon as the justice of the case may require.

3. The Registrar, as well as the parties and their legal Agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal), that are not relevant to the subject-matter of the Appeal, and, generally, to reduce the bulk of the Record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be copied or printed shall be enumerated in a manuscript list to be transmitted with the Record.

4. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, and the Court allows the document to be included, the Record, as printed (whether in India or in England) shall, with a view to the subsequent adjustment of the costs of, and incidental to, such document, indicate in the index of papers or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.

5. Where the Record is printed in India, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council 40 copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal, if any, of the Court.

6. Where the Record is to be printed in England, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by, or on behalf of, the parties to the Appeal.

7. Where there are two or more Appeals arising out of the same matter, and the Court is of opinion that it would be for the convenience of the Lords of the Judicial Committee and all parties concerned that the Appeals should be consolidated, the Court may direct the Appeals to be consolidated.

8. An Appellant who has obtained a certificate for the admission of an Appeal may, at any time prior to the making of an Order admitting the Appeal, withdraw the Appeal on such terms as to costs and otherwise as the Court may direct.

9. Where an Appellant, having obtained a certificate for the admission of an Appeal, fails to furnish the security or make the deposit required (or apply with due diligence to the Court for an Order admitting the Appeal), the Court may, on its own motion or on an application in that behalf made by the Respondent, cancel the certificate for the admission of the Appeal, and may

give such directions as to the cost of the Appeal and the security entered into by the Appellant as the Court shall think fit, or make such further or other Order in the premises as, in the opinion of the Court, the justice of the case requires.

10. An Appellant whose appeal has been admitted shall prosecute his Appeal in accordance with the Rules for the time being regulating the general practice and procedure in Appeals to His Majesty in Council.

11. Where an Appellant, whose Appeal has been admitted, desires, prior to the despatch of the Record to England, to withdraw his Appeal, the Court may, upon an application in that behalf made by the Appellant, grant him a certificate to the effect that the Appeal has been withdrawn, and the Appeal shall thereupon be deemed, as from the date of such certificate, to stand dismissed without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

12. Where an Appellant, whose Appeal has been admitted, fails to show due diligence in taking all necessary steps in connection with the preparation of the Record, the Court may, either on its own motion or on the application of the Respondent, call upon the Appellant to show cause why a certificate should not be issued that the Appeal has not been effectually prosecuted by the Appellant, and if the Court sees fit to issue such a certificate, the Appeal shall be deemed, as from the date of such certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

13. Where at any time between the admission of an Appeal and the despatch of the record to England, the Record becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, notwithstanding the admission of the Appeal, on an application in that behalf made by any person interested, grant a certificate showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died, or undergone a change of status, and the name of such person shall thereupon be deemed to be so substituted or entered on the Record as aforesaid without express Order of His Majesty in Council. If, in the opinion of the Court, there has been undue delay in making this application, the Court may order the Appellant, or the party interested, to take all necessary steps to perfect the Record within such time as the Court may direct, and, if he fails to comply with such Order, the Court may call upon him to show cause why a certificate should not be issued that the Appeal has not been effectually prosecuted, and if the Court sees fit to issue such a certificate, the Appeal shall be deemed, as from the date of such certificate, to stand dismissed for non-prosecution without express Order of His Majesty in Council, and the costs of the Appeal and the security entered into by the Appellant shall be dealt with in such manner as the Court may think fit to direct.

14. When the Record subsequently to its despatch to England becomes defective by reason of the death, or change of status, of a party to the Appeal, the Court may, upon an application in that behalf made by any person interested, cause a certificate to be transmitted to the Registrar of the Privy Council, showing who, in the opinion of the Court, is the proper person to be substituted, or entered, on the Record, in place of, or in addition to, the party who has died, or undergone a change of status. If in the opinion of the Court, there has been undue delay in making this application, the Court may order the Appellant, or the party interested, to take all necessary steps to perfect the Record within such time as the Court may direct, and, if he fails to comply with such order, the Court shall report the matter to the Registrar of the Privy Council.

15. These Rules shall come into operation on the 1st day of January, 1921, or on such other date as the Governor-General of India in Council may determine.

"Judgment" includes decree, order, sentence, or decision of any Court, Judge, or Judicial Officer;

"Record" means the aggregate of papers relating to an Appeal (including the pleadings, proceedings, evidence and judgments) proper to be laid before His Majesty in Council on the hearing of the Appeal;

"Party" and all words descriptive of parties to proceedings before His Majesty in Council (such as "Petitioner," "Appellant," "Respondent") mean, in respect of all acts proper to be done by an Agent, the Agent of the Party in question where such party is represented by an Agent;

"Respondent" includes Intervener;

"Month" means calendar month;

Words in the singular shall include the plural, and words in the plural shall include the singular.

(2) Where by these rules any step is required to be taken in England in connection with proceedings before His Majesty in Council, whether in the way of lodging a Petition or other document, entering an Appearance, lodging security, or otherwise, such step shall be taken in the Registry of the Privy Council, Downing Street, London.

Leave to Appeal.

2. All Appeals shall be brought either in pursuance of leave obtained from the Court appealed from, or, in the absence of such leave, in pursuance of special leave to appeal granted by His Majesty in Council upon a Petition in that behalf presented by the intending Appellant.

Special Leave to Appeal.

3. A Petition for special leave to appeal to His Majesty in Council shall state succinctly and clearly all such facts as it may be necessary to state in order to enable the Judicial Committee to advise His Majesty whether such leave ought to be granted, and shall be signed by the counsel who attends at the hearing or by the party himself if he appears in person. The petition shall deal with the merits of the case only so far as is necessary for the purpose of explaining and supporting the particular grounds upon which special leave to appeal is sought.

4. The Petitioner shall lodge at least five copies of his Petition for special leave to appeal together with the Affidavit in support thereof prescribed by Rule 50 hereinafter contained, and, unless a Caveat as prescribed by Rule 48 has been lodged by the other parties who appeared in the Court below, an Affidavit of service of notice of the intended application upon such parties or their Solicitors or Agents, either abroad or in England.

5. A Petition for special leave to appeal may be lodged at any time after the date of the judgment sought to be appealed from, but the Petitioner shall, in every case, lodge his Petition with the least possible delay.

6. Where the Judicial Committee agree to advise His Majesty to grant special leave to appeal, they shall, in their Report, specify the amount of the security for costs (if any) to be lodged by the Petitioner, and shall, unless the circumstances of a particular case render such a course unnecessary, provide for the transmission of the record by the Registrar to the Registrar of the Privy Council and for such further matters as the justice of the case may require. Unless otherwise ordered the security shall be lodged at any time before the Appellant enters an Appearance.

7. Save as by the four last preceding Rules otherwise provided, the provisions of Rules 47 to 50 and 52 to 59 (all inclusive) hereinafter contained shall apply *mutatis mutandis* to Petitions for special leave to appeal.

8. Rules 3 to 7 (both inclusive) shall apply *mutatis mutandis* to Petitions for leave to appeal *in formâ pauperis*, but in addition to the Affidavits referred to in rule 4 every such petition shall be accompanied by an Affidavit from the Petitioner stating that he is not worth £25 in the world excepting his wearing apparel and his interest in the subject-matter of the intended Appeal, and that he is unable to provide sureties, and also by a certificate of Counsel that the Petitioner has reasonable ground of appeal.

9. Where a Petitioner obtains leave to appeal in *formâ pauperis*, he shall not be required to lodge security for the costs of the Respondent or to pay any Council Office fees.

10. A Petitioner whose petition for leave to appeal in *formâ pauperis* is dismissed may, notwithstanding such dismissal, be excused from paying the Council Office fees usually chargeable to a Petitioner in respect of a Petition for leave to appeal, if His Majesty in Council, on the advice of the Judicial Committee, shall think fit so to order.

Record and Appearance by Appellant.

11. As soon as the Appeal has been admitted, whether by an Order of the Court appealed from or by an Order of His Majesty in Council granting special leave to appeal, the Appellant shall without delay take all necessary steps to have the Record transmitted to the Registrar of the Privy Council, and the Registrar shall, with all convenient speed, certify to the Registrar of the Privy Council that the Respondent has received notice, or is otherwise aware, of the Order of the Court appealed from admitting the Appeal, or of the Order of His Majesty in Council giving the Appellant special leave to appeal, and has also received notice, or is otherwise aware, of the despatch of the Record to England. Where an Appellant who has obtained special leave to appeal by an Order of His Majesty in Council fails to have the Record transmitted to the Registrar of the Privy Council with due diligence, the Registrar of the Privy Council shall call upon the Appellant to explain his default, and if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar insufficient, the said Registrar may issue a Summons to the Appellant calling upon him to show cause before the Judicial Committee at a time to be named in the said Summons why the special leave to appeal granted should not be rescinded. The Respondent shall

be entitled to be heard before the Judicial Committee in the matter of the said Summons and to ask for his costs and such other relief as he may be advised. The Judicial Committee may, after considering the matter of the said Summons, recommend to His Majesty to rescind the grant of special leave to appeal or give such other directions therein as the justice of the case may require.

12. The Record shall be printed in accordance with the Rules contained in Schedule A hereto. It may be printed either abroad or in England. When printed abroad the parties in England shall, upon perusal, consider whether the order of the documents is in accordance with these Rules, and if it is not, they shall agree upon the proper order. The Appellant shall then rearrange copies of the Record for the use of the Judicial Committee and the other parties. In the event of the parties being unable to agree, the matter shall be referred to the Registrar of the Privy Council who, if he thinks fit, may require the parties to attend before the Judicial Committee for directions.

13. Where the Record is printed abroad, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council 40 copies of such Record, one of which copies he shall certify to be correct by signing his name on, or initialling, every eighth page thereof and by affixing thereto the seal, if any, of the Court appealed from.

14. Where the Record is to be printed in England, the Registrar shall, at the expense of the Appellant, transmit to the Registrar of the Privy Council one certified copy of such Record, together with an index of all the papers and exhibits in the case. No other certified copies of the Record shall be transmitted to the Agents in England by or on behalf of the parties to the Appeal.

15. Where part of the Record is printed abroad and part is to be printed in England, Rules 13 and 14 shall, as far as practicable, apply to such parts as are printed abroad and such as are to be printed in England respectively.

16. The reasons given by the Judge, or any of the Judges, for or against any judgment pronounced in the course of the proceedings out of which the Appeal arises, shall by such Judge or Judges be communicated in writing to the Registrar and shall be included in the Record.

17. The Registrar, as well as the parties and their Agents, shall endeavour to exclude from the Record all documents (more particularly such as are merely formal) that are not relevant to the subject-matter of the Appeal, and, generally, to reduce the bulk of the Record as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents; but the documents omitted to be printed or copied shall be enumerated in a type-written list to be transmitted with the Record.

18. Where in the course of the preparation of a Record one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included, the Record, as finally printed (whether abroad or in England), shall, with a view to the subsequent adjustment of the costs of and incidental to such document,

indicate, in the index of papers, or otherwise, the fact that, and the party by whom, the inclusion of the document was objected to.

19. As soon as the Record is received in the Registry of the Privy Council, it shall be registered in the said Registry, with the date of arrival, the names of the parties, and the description whether "printed" or "written." A Record, or any part of a Record, not printed in accordance with the rules contained in Schedule A hereto shall be treated as written. Appeals shall be numbered consecutively in each year in the order in which the Records are received in the said Registry.

20. The parties shall be entitled to inspect the Record and to extract all necessary particulars therefrom for the purpose of entering an Appearance.

21. The Appellant shall enter an Appearance before taking any steps in the prosecution of the Appeal, and after entering such Appearance, shall forthwith give notice thereof to the Respondent, if the latter has entered an Appearance.

22. Where the Record arrives in England either wholly written, or partly written and partly printed, the Appellant shall, within a period of four months from the date of such arrival in the case of Appeals from Courts situate in any of the countries or places named in Schedule B hereto, and within a period of two months from the same date in the case of Appeals from any other Courts, enter an Appearance and bespeak a type-written copy of the Record, or of such parts thereof as it may be necessary to have copied, and shall engage to pay the cost of preparing such copy at the following rates per folio typed (exclusive of tabular matter) —2*d*. per folio of English matter, 2½*d*. per folio of Indian matter, and 3½*d*. per folio of foreign matter; and shall also engage to pay at such price as shall be fixed by the Registrar of the Privy Council the cost of printing at least 50 copies thereof.

23. As soon as the Appellant has obtained the type-written copy of the Record bespoken by him, he shall proceed, with due diligence, to arrange the documents in suitable order, to check the index, to insert the marginal notes and check the same with the index, and generally, to do whatever may be required for the purpose of preparing the copy for the printer in accordance with the Rules contained in Schedule A hereto, and shall, if the Respondent has entered an Appearance, submit the copy, as prepared for the Printer, to the Respondent for his approval. In the event of the parties being unable to agree, the matter shall be referred to the Registrar of the Privy Council who, if he thinks fit, may require the parties to attend before the Judicial Committee for directions.

24. As soon as the type-written copy of the Record is ready for the printer, the Appellant shall lodge it in the Registry of the Privy Council for printing by a printer selected by the Registrar of the Privy Council, and at the same time shall lodge the amount of the estimated cost of printing the Record.

25. Whenever it shall be found that the decision of a matter on appeal is likely to turn exclusively on a question of law, the parties, with the sanction of the Registrar of the Privy Council,

may submit such question of law to the Judicial Committee in the form of a Special Case, and print such parts only of the Record as may be necessary for the discussion of the same: Provided that nothing herein contained shall in any way prevent the Judicial Committee from ordering the full discussion of the whole case, if they shall so think fit, and that, in order to promote such arrangements and simplification of the matter in dispute, the said Registrar may call the parties before him, and having heard them, and examined the Record, may report to the Judicial Committee as to the nature of the proceedings.

26. The Registrar of the Privy Council shall, as soon as the proof prints of the Record are ready, give notice to all parties who have entered an Appearance requesting them to attend at the Registry of the Privy Council at a time to be named in such notice in order to examine the said proof prints and compare the same with the certified Record, and shall, for that purpose, furnish each of the said parties with one proof print. After the examination has been completed, the Appellant shall, without delay, lodge his proof print, duly corrected and (so far as necessary) approved by the Respondent, and the Registrar of the Privy Council shall thereupon cause the copies of the Record to be struck off from such proof print.

27. Each party who has entered an Appearance shall be entitled to receive, for his own use, six copies of the Record.

28. Subject to any special direction from the Judicial Committee to the contrary, the costs of, and incidental to, the printing of the Record shall form part of the costs of the Appeal, but the costs of, and incidental to, the printing of any document objected to by one party, in accordance with Rule 18, shall, if such document is found on the taxation of costs to be unnecessary or irrelevant, be disallowed to, or borne by, the party insisting on including the same in the Record.

Petition of Appeal.

29. The Appellant shall lodge his Petition of Appeal—

(*a*) Where the Record arrives in England printed, within a period of four months from the date of such arrival in the case of Appeals from Courts situate in any of the countries or places named in Schedule B hereto, and within a period of two months from the same date in the case of Appeals from any other Courts;

(*b*) Where the Record arrives in England written, within a period of one month from, but not before, the date of the completion of the printing thereof:

Provided that nothing in this Rule contained shall preclude the Appellant from lodging his Petition of Appeal prior to the arrival of the Record, or the completion of the printing thereof, if there are special reasons why, in the opinion of the Registrar of the Privy Council, it should be desirable for him to do so.

30. The Petition of Appeal shall be lodged in the form prescribed by Rule 47 hereinafter contained. It shall recite succinctly and, as far as possible, in chronological order, the

principal steps in the proceedings leading up to the Appeal from the commencement thereof down to the admission of the Appeal, but shall not contain argumentative matter or travel into the merits of the case.

31. The Appellant shall, after lodging his Petition of Appeal, serve a copy thereof without delay on the Respondent, as soon as the latter has entered an Appearance, and shall endorse such copy with the date of the lodgment.

Withdrawal of Appeal.

32. Where an Appellant, who has not lodged his Petition of Appeal, desires to withdraw his Appeal, he shall give notice in writing to that effect to the Registrar of the Privy Council, and the said Registrar shall, with all convenient speed after the receipt of such notice, by letter notify the Registrar of the Court appealed from that the Appeal has been withdrawn, and the said Appeal shall thereupon stand dismissed as from the date of the said letter without further Order.

33. Where an Appellant, who has lodged his Petition of Appeal, desires to withdraw his Appeal, he shall present a Petition to that effect to His Majesty in Council. On the hearing of any such Petition a Respondent who has entered an Appearance in the Appeal shall, subject to any agreement between him and the Appellant to the contrary, be entitled to apply to the Judicial Committee for his costs, but where the Respondent has not entered an Appearance, or, having entered an Appearance, consents in writing to the prayer of the Petition, the Petition may, if the Judicial Committee think fit, be disposed of in the same way *mutatis mutandis* as a Consent Petition under the provisions of Rule 56 hereinafter contained.

Non-prosecution of Appeal.

34. Where an Appellant takes no step in prosecution of his Appeal within a period of four months from the date of the arrival of the Record in England in the case of an Appeal from a Court situate in any of the countries or places named in Schedule B hereto, or within a period of two months from the same date in the case of an Appeal from any other Court, the Registrar of the Privy Council shall, with all convenient speed, by letter notify the Registrar of the Court appealed from that the Appeal has not been prosecuted, and the Appeal shall thereupon stand dismissed for non-prosecution as from the date of the said letter without further Order, and a copy of the said letter shall be sent by the Registrar of the Privy Council to any Respondent who has entered an Appearance in the Appeal.

35. Where an Appellant who has entered an Appearance—

(*a*) fails to bespeak a copy of a written Record, or of part of a written Record, in accordance with, and within the periods prescribed by rule 22; or

(b) having bespoken such copy within the periods prescribed by rule 22, fails thereafter to proceed with due diligence to take all such further steps as may be necessary for the purpose of completing the printing of the said record; or

(c) fails to lodge his Petition of Appeal within the periods respectively prescribed by Rule 29;

the Registrar of the Privy Council shall call upon the Appellant to explain his default, and, if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar shall, with all convenient speed, by letter notify the Registrar of the Court appealed from that the Appeal has not been effectually prosecuted, and the Appeal shall thereupon stand dismissed for non-prosecution as from the date of the said letter without further Order, and a copy of the said letter shall be sent by the Registrar of the Privy Council to all the parties who have entered an Appearance in the Appeal.

36. Where an Appellant, who has lodged his Petition of Appeal, fails thereafter to prosecute his Appeal with due diligence, the Registrar of the Privy Council shall call upon him to explain his default, and, if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar shall issue a Summons to the Appellant calling upon him to show cause before the Judicial Committee at a time to be named in the said Summons why the Appeal should not be dismissed for non-prosecution: Provided that no such Summons shall be issued by the said Registrar before the expiration of one year from the date of the arrival of the Record in England. If the respondent has entered an Appearance in the Appeal, the Registrar of the Privy Council shall send him a copy of the said Summons, and the Respondent shall be entitled to be heard before the Judicial Committee in the matter of the said Summons at the time named and to ask for his costs and such other relief as he may be advised. The Judicial Committee may, after considering the matter of the said Summons, recommend to His Majesty the dismissal of the Appeal for non-prosecution, or give such other directions therein as the justice of the case may require.

37. An Appellant whose Appeal has been dismissed for non-prosecution may present a Petition to His Majesty in Council praying that his Appeal may be restored.

Appearance by Respondent.

38. The Respondent may enter an Appearance at any time between the arrival of the Record and the hearing of the appeal, but if he unduly delays entering an Appearance he shall bear, or be disallowed, the costs occasioned by such delay, unless the Judicial Committee otherwise direct.

39. The Respondent shall forthwith after entering an Appearance give notice thereof to the Appellant, if the latter has entered an Appearance.

40. Where there are two or more Respondents, and only one, or some, of them enter an Appearance, the Appearance Form shall set out the names of the appearing Respondents.

41. Two or more Respondents may, at their own risk as to costs, enter separate Appearances in the same Appeal.

42. A Respondent who has not entered an Appearance shall not be entitled to receive any notices relating to the Appeal from the Registrar of the Privy Council, nor be allowed to lodge a Case in the Appeal.

43. Where a Respondent fails to enter an Appearance in an Appeal, the following Rules shall, subject to any special Order of the Judicial Committee to the contrary, apply:—

(a) If the non-appearing Respondent was a Respondent at the time when the Appeal was admitted, whether by the Order of the Court appealed from or by an Order of His Majesty in Council giving the Appellant special leave to appeal, and it appears from the terms of the said Order, or Order in Council, or otherwise from the Record, or from a Certificate of the Registrar of the Court appealed from, that the said non-appearing Respondent has received notice, or was otherwise aware, of the Order of the Court appealed from admitting the Appeal, or of the Order of His Majesty in Council giving the Appellant special have to appeal, and has also received notice or was otherwise aware, of the despatch of the Record to England, the Appeal may, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the said non-appearing Respondent at any time after the expiration of three months from the date of the lodging of the Petition of Appeal;

(b) If the non-appearing Respondent was made a Respondent by an Order of His Majesty in Council subsequently to the admission of the Appeal, and it appears from the Record, or from a Supplementary Record, or from a Certificate of the Registrar of the Court appealed from, that the said non-appearing Respondent has received notice, or was otherwise aware, of any intended application to bring him on the Record as a Respondent, the Appeal may, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the said non-appearing Respondent at any time after the expiration of three months from the date on which he shall have been served with a copy of His Majesty's Order in Council bringing him on the Record as a Respondent:

Provided that where it is shown to the satisfaction of the Registrar of the Privy Council, by Affidavit or otherwise, either that an Appellant has made every reasonable endeavour to serve a non-appearing Respondent with the notices mentioned in clauses (a) and (b) respectively and has failed to effect such service, or that it is not the intention of the non-appearing Respondent to enter an Appearance to the Appeal, the Appeal may, without further Order in that behalf and at the risk of the Appellant, be proceeded with *ex parte* as against the said non-appearing Respondent.

44. A Respondent who desires to defend an appeal in *forma pauperis* may present a Petition to that effect to His Majesty in Council, which Petition shall be accompanied by an Affidavit from the Petitioner stating that he is not worth £25 in the world excepting his wearing apparel and his interest in the subject-matter of the Appeal.

Petitions generally.

45. All Petitions for orders or directions as to matters of practice or procedure arising after the lodging of the Petition of Appeal and not involving any change in the parties to an Appeal shall be addressed to the Judicial Committee. All other Petitions shall be addressed to His Majesty in Council, but a Petition which is properly addressed to His Majesty in Council may include, as incidental to the relief thereby sought, a prayer for orders or directions as to matters of practice or procedure.

46. Where an Order made by the Judicial Committee does not embody any special terms or include any special directions, it shall not be necessary to draw up such Order, unless the Committee otherwise direct, but a Note thereof shall be made by the Registrar of the Privy Council.

47. All Petitions shall consist of paragraphs numbered consecutively and shall be written, type-written, or lithographed, on brief paper with quarter margin and endorsed with the name of the Court appealed from, the full title and Privy Council number of the Appeal to which the Petition relates or the full title of the Petition (as the case may be), and the name and address of the London Agent (if any) of the Petitioner, but need not be signed, except as provided by Rule 3. Unless the Petition is a Consent Petition within the meaning of Rule 56 at least five copies thereof shall be lodged.

48. Where a Petition is expected to be lodged, or has been lodged, which does not relate to any pending Appeal of which the Record has been registered in the Registry of the Privy Council, any person claiming a right to appear before the Judicial Committee on the hearing of such Petition may lodge a Caveat in the matter thereof, and shall thereupon be entitled to receive from the Registrar of the Privy Council notice of the lodging of the Petition, if at the time of the lodging of the Caveat such Petition has not yet been lodged, and, if and when the Petition has been lodged, to require the Petitioner to serve him with a copy of the Petition, and to furnish him, at his own expense, with copies of any papers lodged by the Petitioner in support of his Petition. The Caveator shall forthwith after lodging his Caveat give notice thereof to the Petitioner if the Petition has been lodged.

49. Where a Petition is lodged in the matter of any pending Appeal of which the Record has been registered in the Registry of the Privy Council, the Petitioner shall serve any party who has entered an Appearance in the Appeal with a copy of such Petition, and the party so served shall thereupon be entitled to require the Petitioner to furnish him, at his own expense, with copies of any papers lodged by the Petitioner in support of his Petition.

50. A Petition not relating to any Appeal of which the Record has been registered in the Registry of the Privy Council, and any other Petition containing allegations of fact which cannot be verified by reference to the registered Record or any certificate or duly authenticated statement of the Court appealed from, shall be supported by Affidavit. Where the Petitioner prosecutes his Petition in person, the said Affidavit shall be sworn by the Petitioner himself and shall state that, to the best of the deponent's

knowledge, information, and belief, the allegations contained in the Petition are true. Where the Petitioner is represented by an Agent, the said Affidavit shall be sworn by such Agent and shall, besides stating that, to the best of the deponent's knowledge, information, and belief, the allegations contained in the Petition are true, show how the deponent obtained his instructions and the information enabling him to present the Petition.

51. A Petition for an Order of Revivor or Substitution shall be accompanied by a certificate or duly authenticated statement from the Court appealed from showing who, in the opinion of the said Court, is the proper person to be substituted, or entered on the Record in place of, or in addition to, a party, who has died or undergone a change of status.

52. The Registrar of the Privy Council may refuse to receive a Petition on the grounds that it discloses no reasonable cause of appeal, or is frivolous, or contains scandalous matter, but the Petitioner may appeal, by way of motion, from such refusal to the Judicial Committee.

53. As soon as a Petition and all necessary documents are lodged the Petition shall thereupon be deemed to be set down.

54. On each day appointed by the Judicial Committee for the hearing of Petitions the Registrar of the Privy Council shall, unless the Committee otherwise direct, put in the paper for hearing all such Petitions as have been set down: Provided that, in the absence of special circumstances of urgency to be shown to the satisfaction of the said Registrar, no Petition, if opposed, shall be put in the paper for hearing before the expiration of ten clear days from the lodging thereof, unless the Opponent consents to the Petition being put in the paper on an earlier day.

55. Subject to the provisions of the next following Rule, the Registrar of the Privy Council shall, as soon as the Judicial Committee have appointed a day for the hearing of a Petition, notify all parties concerned by Summons of the day so appointed.

56. Where the prayer of a Petition is consented to in writing by the opposite party, or where a Petition is of a formal and non-contentious character, the Judicial Committee may, if they think fit, make their Report to His Majesty on such Petition, or make their Order thereon, as the case may be, without requiring the attendance of the parties in the Council Chamber, and the Registrar of the Privy Council shall not in any such case issue the Summons provided for by the last preceding Rule, but shall with all convenient speed after the Committee have made their Report or Order notify the parties that the Report or Order has been made and of the date and nature of such Report or Order.

57. A Petitioner who desires to withdraw his Petition shall give notice in writing to that effect to the Registrar of the Privy Council. Where the Petition is opposed, the Opponent shall, subject to any agreement between the parties to the contrary, be entitled to apply to the Judicial Committee for his costs, but where the Petition is unopposed, or where, in the case of an opposed Petition, the parties have come to an agreement as to the costs of the Petition, the Petition may, if the Judicial Committee think fit, be disposed of in the same way *mutatis mutandis* as a Consent Petition under the provisions of the last preceding Rule.

58. Where a Petitioner unduly delays bringing a Petition to a hearing, the Registrar of the Privy Council shall call upon him to explain the delay, and, if no explanation is offered, or if the explanation offered is, in the opinion of the said Registrar, insufficient, the said Registrar may, after notifying all parties interested by Summons of his intention to do so, put the Petition in the paper for hearing on the next following day appointed by the Judicial Committee for the hearing of Petitions for such directions as the Committee may think fit to give thereon.

59. At the hearing of a Petition not more than one Counsel shall be admitted to be heard on a side.

Case.

60. No party to an Appeal shall be entitled to be heard by the Judicial Committee unless he has previously lodged his Case in the Appeal: Provided that where a Respondent, who has entered an Appearance, does not desire to lodge a Case in the Appeal, he may give the Registrar of the Privy Council notice in writing of his intention not to lodge any Case, while reserving his right to address the Judicial Committee on the question of costs.

61. The Case may be printed either abroad or in England, and shall, in either event, be printed in accordance with Rules I to III contained in Schedule A hereto, every tenth line thereof being numbered in the margin, and shall be signed by at least one of the Counsel who attends at the hearing of the Appeal or by the party himself if he conducts his Appeal in person.

62. Each party shall lodge 30 prints of his Case.

63. The Case shall consist of paragraphs numbered consecutively and shall state, as concisely as possible, the circumstances out of which the Appeal arises, the contentions to be urged by the party lodging the same, and the reasons of appeal. References by page and line to the relevant portions of the Record as printed shall, as far as practicable, be printed in the margin, and care shall be taken to avoid, as far as possible, the reprinting in the Case of long extracts from the Record. The Taxing Officer, in taxing the costs of the Appeal, shall, either of his own motion, or at the instance of the opposite party, inquire into any unnecessary prolixity in the Case, and shall disallow the costs occasioned thereby.

64. Two or more Respondents may, at their own risk as to costs, lodge separate Cases in the same Appeal.

65. Each party shall, after lodging his Case, forthwith give notice thereof to the other party.

66. Subject as hereinafter provided, the party who lodges his Case first may, at any time after the expiration of three clear days from the day on which he has given the other party the notice prescribed by the last preceding Rule, serve such other party, if the latter has not in the meantime lodged his Case, with a "Case Notice," requiring him to lodge his Case within one month from the date of the service of the said Case Notice and informing him that, in default of his so doing, the Appeal will be set down for hearing *ex parte* as against him, and if the other party fails to

comply with the said Case Notice, the party who has lodged his Case may, at any time after the expiration of the time limited by the said Case Notice for the lodging of the Case, lodge an Affidavit of Service (which shall set out the terms of the said Case Notice), and the Appeal shall thereupon, if all other conditions of its being set down are satisfied, be set down *ex parte* as against the party in default: Provided that no Case Notice shall be served until after the completion of the printing, or re-arrangement under Rule 12, of the Record, and also that nothing in this Rule contained shall preclude the party in default from lodging his Case, at his own risk as regards costs and otherwise, at any time up to the date of hearing.

67. Subject to the provisions of Rule 43 and of the last preceding Rule, an Appeal shall be set down *ipso facto* as soon as the Cases on both sides are lodged, and the parties shall thereupon exchange Cases by handing one another, either at the Offices of one of the Agents or in the Registry of the Privy Council, ten copies of their respective Cases.

Binding Records, etc.

68. As soon as an Appeal is set down, the Appellant shall attend at the Registry of the Privy Council and obtain ten copies of the Record and Cases to be bound for the use of the Judicial Committee at the hearing. The copies shall be bound in cloth or in half leather with paper sides, and six leaves of blank paper shall be inserted before the Appellant's Case. The front cover shall bear a printed label stating the title and Privy Council number of the Appeal, the contents of the volume, and the names and addresses of the London Agents. The several documents, indicated by incuts, shall be arranged in the following order: (1) Appellant's Case; (2) Respondent's Case; (3) Record (if in more than one part, showing the separate parts by incuts, all parts being paged at the top of the page); (4) Supplemental Record (if any); and the short title and Privy Council number of the Appeal shall also be shown on the back.

69. The Appellant shall lodge the bound copies not less than four clear days before the commencement of the Sittings during which the Appeal is to be heard.

Hearing.

70. The Registrar of the Privy Council shall name a day on or before which Appeals must be set down if they are to be entered in the List of Business for the ensuing Sittings. All Appeals set down on or before the day named shall, subject to any directions from the Committee or to any agreement between the parties to the contrary, be entered in such List of Business and shall, subject to any directions from the Committee to the contrary, be heard in the order in which they are set down.

71. The Registrar of the Privy Council shall, subject to the provisions of Rule 42, notify the parties to each Appeal by Summons, at the earliest possible date, of the day appointed by the Judicial Committee for the hearing of the Appeal, and the parties shall be in readiness to be heard on the day so appointed.

72. At the hearing of an Appeal not more than two Counsel shall be admitted to be heard on a side.

73. In Admiralty Appeals the Judicial Committee may, if they think fit, require the attendance of two Nautical Assessors.

Judgment.

74. Where the Judicial Committee, after hearing an Appeal, decide to reserve their Judgment thereon, the Registrar of the Privy Council shall in due course notify the parties by Summons of the day appointed by the Committee for the delivery of the judgment.

Costs.

75. All Bills of Costs under the Orders of the Judicial Committee on Appeals, Petitions, and other matters, shall be referred to the Registrar of the Privy Council, or such other person as the Judicial Committee may appoint, for taxation, and all such taxations shall be regulated by the Schedule of Fees set forth in Schedule C hereto.

76. The taxation of costs in England shall be limited to costs incurred in England.

77. The Registrar of the Privy Council shall, with all convenient speed after the Judicial Committee have given their decision as to the costs of an Appeal, Petition, or other matter, issue to the party to whom costs have been awarded an Order to tax and a Notice specifying the day and hour appointed by him for taxation. The party receiving such Order to tax and Notice shall, not less than 48 hours before the time appointed for taxation, lodge his Bill of Costs (together with all necessary vouchers for disbursements), and serve the opposite party with a copy of his Bill of Costs and of the Order to tax and Notice.

78. The Taxing Officer may, if he think fit, disallow to any party who fails to lodge his Bill of Costs (together with all necessary vouchers for disbursements) within the time prescribed by the last preceding Rule, or who in any way delays or impedes a taxation, the charges to which such party would otherwise be entitled for drawing his Bill of Costs and attending the taxation.

79. Any party aggrieved by a taxation may appeal from the decision of the Taxing Officer to the Judicial Committee. The Appeal shall be heard by way of motion, and the party appealing shall give three clear days Notice of Motion to the opposite party, and shall also leave a copy of such Notice in the Registry of the Privy Council.

80. The amount allowed by the Taxing Officer on the taxation shall, subject to any appeal from his taxation to the Judicial Committee and subject to any direction from the Committee to the contrary, be inserted, in His Majesty's Order in Council determining the Appeal or Petition.

81. Where the Judicial Committee directs costs to be taxed on the pauper scale, the Taxing Officer shall not allow any fees of Counsel, and shall only award to the Agents out-of-pocket expenses

and a reasonable allowance to cover office expenses, such allowance to be taken at about three-eighths of the usual professional charges in ordinary Appeals. Such pauper scale shall apply to and include the application upon which leave to appeal in *forma pauperis* was granted.

82. Where the Appellant has lodged security for the Respondent's costs of an Appeal in the Registry of the Privy Council, the Registrar of the Privy Council shall deal with such security in accordance with the directions contained in His Majesty's Order in Council determining the Appeal.

Miscellaneous.

83. The Judicial Committee may, for sufficient cause shown, excuse the parties from compliance with any of the requirements of these Rules, and may give such directions in matters of practice and procedure as they shall consider just and expedient. Applications to be excused for compliance with the requirements of any of these Rules shall be addressed in the first instance to the Registrar of the Privy Council, who shall take the instructions of the Committee thereon and communicate the same to the parties. If, in the opinion of the said Registrar, it is desirable that the application should be dealt with by the Committee in open Court, he may direct the party applying to lodge in the Registry of the Privy Council, and to serve the opposite party with, a Notice of Motion returnable before the Committee.

84. Any document lodged in connection with an Appeal, Petition, or other matter pending before His Majesty in Council or the Judicial Committee, may be amended by leave of the Registrar of the Privy Council, but if the said Registrar is of opinion that an application for leave to amend should be dealt with by the Committee in open Court, he may direct the party applying to lodge in the Registry of the Privy Council, and to serve the opposite party with, a Notice of Motion returnable before the Committee.

85. Affidavits relating to any Appeal, Petition or other matter pending before His Majesty in Council or the Judicial Committee may be sworn before the Registrar of the Privy Council.

19. Every Respondent, who has entered appearance, shall be entitled to inspect the Appellant's list and, at his own expense, to obtain a copy of the whole or of any portion thereof.

20. Every such Respondent shall, within three weeks after service upon him of the notice required by Rule 18, deliver to the Officer in charge of the Judicial Department a list in duplicate in form No. 11 (civil) of Appendix I, of the papers, other than those inserted in the Appellant's list, and relevant to the subject matter of the Appeal, to which such Respondent desires that reference shall be made by the Court at the hearing of the Appeal and which shall be inserted in the Paper-book at such Respondent's expense. Such list shall be termed "The Respondent's List" and shall be divided into two parts like the Appellant's List (Rule 12).

20A. The Advocates for the Appellant and the Respondent shall at the time of filling their respective Lists, enter in such Lists the names and correct addresses (with Post Office) of the parties on whose behalf the Lists are filed by them.

21. The Officer in charge of the Judicial Department shall within fourteen days after the delivery by the Appellant and the Respondent of their lists, respectively, make and deliver to the Advocate for such Appellant and to the Advocate for such Respondent separate estimates of the cost of preparing their portions of the Paper-book in form Nos. 12 (civil) and 13 (civil), respectively, of Appendix I. Copies of the estimate shall be served on the parties (Appellant and Respondent) themselves by registered post with acknowledgment due, the cost for the same being included in the estimate and deducted from the Initial Deposit.

Every estimate for the cost of the preparation of the Paper-book shall include the cost of transcribing, translating, and printing, etc., the documents mentioned in the first paragraph of Rule 11 above. No revision of the lists filed by the Advocates of either party shall be allowed after the estimates have been prepared and served on the respective Advocates, except under the orders of the Registrar to be

obtained on an application with notice to the other side. The application for revision shall be a verified one but if the revision is agreed to by the opposite party such application for revision need not be verified.

22. The Appellant and Respondent respectively shall deposit with the Accountant of the Court the amount due on the estimates served under Rule 21 within the periods here specified—

(*a*) The amount due for estimating, translating, and examining translations, after (in the case of the Appellant) deducting the amount of the Initial Deposit made under Rule 34(1), Chapter V, within four weeks of the service of the estimate; and

(*b*) The whole of the remainder within eight weeks of the service of the estimate.

23. If the Respondent considers that any paper or portion of a paper which ought to have been inserted in the Appellant's list under the provisions of Rule 14 has been omitted therefrom in violation of these provisions, he may, at the time of filing the Respondent's list as prescribed in Rule 20, and after giving notice to the Appellant of his intended application, apply to the Registrar for an order that such paper or portion of a paper be inserted in the Paper-book of the case at the cost of the Appellant:

Provided that if any such application by a Respondent is disallowed by the Registrar, such Respondent shall be at liberty, at that time, to pray for the inclusion of the papers mentioned in his application, in his list (that is, the Respondent's List) at his own cost:

Provided also that if the Respondent has entered appearance out of time he shall not be permitted to pray for the inclusion in, or exclusion from, the Appellant's list of any papers whatsoever.

24. If one party objects to the inclusion of a document on the ground that it is unnecessary or irrelevant, and the other party nevertheless insists upon its being included and the Registrar allows the document to be included, the Order Book and List shall clearly indicate the fact that, and the party by whom, the inclusion of the document was objected to.

25. The Registrar as well as the parties and their legal agents shall endeavour to exclude from the Paper-book all documents (more particularly such as are merely

formal) that are not relevant to the subject-matter of the Appeal, and generally, to reduce the bulk of the Paper-book, as far as practicable, taking special care to avoid the duplication of documents and the unnecessary repetition of headings and other merely formal parts of documents.

NOTE (*1*).—Ordinarily, a long series of documents, such as accounts, rent-rolls, inventories, etc., should not be printed in full; but the parties or their legal agents should agree to short extracts being printed as specimens.

NOTE (*2*).—Documents produced before the Court of first instance, but not admitted in evidence, shall not be included in the Paper-book except under the orders of the Registrar obtained upon an application (unstamped) with notice to the opposite party. An Advocate desiring to refer to any such document at the hearing of the Appeal before the High Court shall, at any time before the hearing, serve on the Advocate for the opposite party a type-written copy, or a typewritten copy of the translation, as the case may be, of any such document to which he desires that reference should be made, and shall also provide two such typewritten copies or typewritten copies of the translation for the use of the Court. If he fails to do so he shall not refer to such document at the hearing and no adjournment of the Appeal will be granted on this account unless the Court otherwise directs.

26. The Appellant's and the Respondent's lists shall each bear a certificate under the hand of the Advocate for such Appellant or Respondent in the following form:—

I, A.B., Advocate for   do hereby certify that I have carefully examined this list with reference to the provisions of Rule 25, Chapter IX of the Appellate Side Rules, and declare that in my judgment it is necessary to include in the Paper-book of the Appeal every document, or portion of a document, included in the list in order to arrive at proper decision of the Appeal.

27. If the Respondent does not enter an appearance or does not deliver the list directed by, and within the time prescribed by, Rule 20, and if no order be made under Rule 23, the Paper-book shall be prepared in accordance with the Appellant's list.

28. When two or more Appellants or Respondents have the same interest in the Appeal, one set of list only shall be required from all such Appellants or Respondents Appellants or Respondents having separate interests shall deliver separate sets of lists. In such cases the principle of Rule 32 shall apply.

29. If any of the papers, which must be inserted in the Appellant's List or in the Respondent's List, was previously printed in a former Paper-book, the fact of its having been so printed must be stated in the list in which such paper is inserted. Such papers shall not be printed unless the Registrar otherwise directs:

Provided that it shall be open to the Registrar to direct that the party who refers to papers in a previous Paper-book shall, unless he was the Appellant in the previous case, pay the charge fixed for the sale of Paper-books from the Record Department for the use of the previous Paper-book.

30. No paper in the record of the case, which is not inserted in the Appellant's or Respondent's List, or ordered to be included in the Paper-book under Rule 23, and printed in the Paper-book of the case or in a previous Paper-book, shall be referred to at the hearing of the Appeal without the special leave of the Court. But this rule shall not preclude the Court from referring to any paper to which it considers a reference necessary for the ends of justice.

31. If it subsequently appears that the amount deposited by either party to the Appeal is insufficient to defray the cost of preparing his portion of the Paper-book, or a supplementary Paper-book after remand, the Officer in charge of the Judicial Department shall estimate the additional amount required and shall give notice thereof to such party. Such additional amount shall be deposited by such party with the Accountant of the Court within two weeks after service upon him of such notice. No work in the matter of the preparation of the Paper-book, which is likely to cost more than the sum deposited, should ordinarily be undertaken, until such additional deposit has been made, unless the Registrar shall otherwise direct.

32. When separate Appeals have been preferred by different persons against the same decree, complete lists of the documents which the parties wish to include in the Paper-book shall be delivered by the parties to each Appeal. Common matter shall appear in one Paper-book only, the other Paper-books containing references to the pages of the Paper-book in which such common matter appears. In such cases the Officer in charge of the Judicial Department shall, subject to the order of the Registrar, apportion between the parties concerned the cost of preparation in respect of matter common to all or any of the parties. The estimates for the cost of the preparation of Parts I and II of the Paper-books in such cases shall not be served on the parties until such apportionment has been made. This rule shall also apply when

two or more separate Appeals are preferred in analogous cases.

33. If the Appellant fails to deliver his list of papers in accordance with Rule 16, or if the Appellant or Respondent fails to make the deposit or additional deposit, required by Rules 22 and 31, respectively, the Officer in charge of the Judicial Department shall lay the matter before the Registrar, who may, in case of default by the Appellant, cause the appeeal to be set down for hearing; and the Court may, unless satisfied that there was reasonable ground for the default, direct the Appeal to be dismissed for want of prosecution or may pass such other order as may seem proper in the circumstances of the case.

34. The Appellant shall wihin two weeks of the filing of the Vakalatnama authorising an Advocate to file the Appeal, file with the Officer in charge of the Judicial Department a declaration duly signed by himself stating the name of the Advocate, duly qualified under Rule 35, by whom his Paper-book will be prepared, either in accordance with Rule 45 or with Rule 49, and such declaration shall be noted in the order book of the Appeal. NOTE (1).—The Advocate for the Appellant shall, before the hearing of the Appeal, serve on the Advocate for the Respondent a typewritten copy, or a typewritten copy of the translation, as the case may be, of any document, other than those mentioned above, which he considers necessary for the decision of the Appeal, and shall also provide two such typewritten copies, or typewritten copies of the translation, for the use of the Division Court. If he fails to do so, he shall not refer to such document at the hearing, and no adjournment of the hearing of the Appeal will be granted on this account, unless the Court otherwise directs.

NOTE (2).—If, in any Second Appeal, the Bench at the time of the preliminary hearing under Order XLI, Rule 11, Civil Procedure Code, or the Advocate for the Appellant, desires that translations of the plaints or written statements should be prepared, the Advocate for the Appellant shall, before the hearing of the Appeal serve on the Advocate for the Respondent typewritten copies of the translations of such plaints or written statements, and shall also provide two such typewritten copies for the use of the Division Court.

57. Except as otherwise provided in these Rules, in each case of Second Appeal, including Appeals under Chapter X of the Bengal Tenancy Act, the Registrar shall cause to be prepared at the cost of the parties six typewritten copies of the Paper-book as aforesaid.

58. In the case of Second Appeals not exceeding Rs. 50 in value, other than Appeals under Chapter X of the Bengal Tenancy Act, and in Second Appeals from Orders (including orders under Section 47, Civil Procedure Code) irrespective of the value of such Appeals, and in Appeals from Remand Orders under Order XLI, Rule 23, Civil Procedure Code, in which the valuation of the Appeal does not exceed Rs. 50, the Registrar shall cause to be prepared three typewritten copies of the Paper-book as aforesaid for the use of the Judges and the Advocate for the Deputy Registrar, if any, and no charge shall be levied from the parties on account of the preparation of such Paper-books. If there is no Advocate on behalf of the Deputy Registrar representing any minor, then the spare copy of the Paper-book (third copy) may be sold at Rs. 3, if the Appellant or the Respondent desires to purchase the same.

59. In the case of Appeals from Appellate Decrees and Appeals from Remand Orders under Chapter XLI, Rule 23, Civil Procedure Code, in which the valuation of the Appeal exceeds Rs. 50 and in all Appeals under Chapter X of the Bengal Tenancy Act (irrespective of value), the Appellant shall within 30 days from the date of the registration of the Appeal, deposit the sum of Rs. 10. Upon registration each Appeal shall be entered in a list in form No. 14 (civil) of Appendix I which will be displayed outside the Appeal Section concerned and a copy of this list shall be sent to the Bar Association's Library. This shall constitute sufficient notice of the date of registration. The Respondent shall at the time of entering appearance deposit the sum of Rs. 5 in full payment of the cost of the preparation of typewritten Paper-books.

Upon the Appellant depositing the sum of Rs. 10 aforesaid, the Registrar shall cause to be prepared six typewritten copies of the Paper-book in accordance with Rule 56 in the Court's office. Two of these six copies will be for the use of the Court, two for the Appellant (to be used both at the preliminary hearing and at the final hearing), one for the Respondent and one spare. After admission, as the Respondent or separate sets of Respondents enter appearance, through different Advocates, they will be charged at the rate of Rs. 5 for each copy of Paper-book supplied. The Appellant shall supply a copy of the Paper-book to the Advocate for the Deputy Registrar, if there is a minor Respondent represented by the latter, out of the two copies supplied to him as aforesaid, or by purchasing an additional copy at the rate of Rs. 5.

Provided that in Appeals from Appellate Decrees in which there was an order of remand passed by the lower appellate Court and in which the previous judgments (original and appellate) will have to be included in the Paper-book, the charge for the Paper-book to the Appel lant will be Rs. 12 instead of Rs. 10 and to the Respondent Rs. 6 instead of Rs. 5 as in other cases.

No refund of the deposit mentioned above will be allowed on the ground that Paper-books were not ready at the hearing of the Appeal under Order XLI, Rule 11, Civil Procedure Code, in cases fixed by the Court, on the application of the Appellant, before the Appeal has been placed on the Weekly List.

This Rule shall also govern all cases in which deposits have been made before the date it comes into force.

60. In case of batches of analogous Appeals of the classes mentioned in Rule 59 (*i.e.*, all Appeals from Appellate Decrees, Appeals from Remand Orders under Order XLI, Rule 23, Civil Procedure Code, in which the valuation of the Appeal exceeds Rs. 50 and all Appeals under Chapter X of the Bengal Tenancy Act), the Appellant shall, within 30 days from the registration of the Appeal, deposit in full payment of the cost of preparation of type-written Paper-books a sum of Rs. 10 for the first Appeal, the charge for the analogous Appeals being Re. 1-8 per Appeal up to four such Appeals and annas 12 for every such Appeal in excess of four, the additional charge not exceeding Rs. 10 in any case. Upon registration each Appeal shall be entered in a list which shall be displayed outside the Appeal Section concerned and a copy of this list shall be sent to the Bar Association's Library. This shall constitute sufficient notice of the date of registration.

In such cases the Respondent on entering appearance shall deposit Rs. 5 for the First Appeal, and half the charge prescribed for the Appellant in respect of the analogous Appeals, the additional charge not exceeding Rs. 5 in any case. The principle of this Rule will apply to each set of Respondents who enter appearance through separate Advocates.

NOTE.—In a case in which some of the analogous Appeals are above Rs. 50 in value and some below Rs. 50 in value the principle of the above Rule shall apply to the whole batch.

61. Where analogous Appeals have been presented in separate batches each batch of such Appeals presented by the same Appellant, or by the same Advocate representing different Appellants, shall be considered as a separate batch of analogous Appeals and the cost of preparation of the Paper-book shall be deposited for each batch of such Appeals separately calculated according to the provisions of Rule 60.

In the case of single Appeals presented by different Advocates, or Appellants in person, such cost shall be deposited as provided in Rule 59 for each such separate Appeal, notwithstanding that such Appeals may be analogous to others.

62. If in a Second Appeal above Rs. 50 in value an Advocate desires to move the Court for an order for stay of execution in the lower Court under Order XLI, Rule 5, Civil Procedure Code, on the same day that an Appeal is filed, and if the Appeal is in order and is accepted by the Stamp Reporter, the Advocate shall provide a copy of the Memorandum of Appeal with annexures for the use of the 2nd Judge at the preliminary hearing. If such Appeal is admitted under Order XLI, Rule 11, Civil Procedure Code, the sum of Rs. 10 or Rs. 12 shall be deposited (as required by Rule 59), but if the Appeal is dismissed no such deposit need be made.

When such persons are more than four in number, then the fee abovementioned, and an additional fee of 8 annas for every such person in excess of four	0 8 0

	Proper fees. Rs. A. P.
No prayer for the acceptance of one process fee for the service of notices both in an Appeal and a connected Rule, or in two or more analogous Appeals, shall be considered unless written up notices both in that Appeal and in the connected Rule or in the two or more analogous Appeals are filed at the time the prayer is made and can be served simultaneously.

3. The fees hereinbefore provided, except those mentioned in the next rule, shall be payable in advance at

The percentage of surcharge over the fees ordinarily leviable should be reduced when the realisation of the higher amount is found to exceed the additional cost incurred.

5. (*1*) In the localities which are not for the time being subject to rule 4, when, in order to the service of any process, the peon has to cross a ferry, then the amount, if any, legally exigible as toll shall be paid by the court executing such process from its permanent advance.

12. Copies of any judgments, civil or criminal, passed by the High Court in its Appellate Jurisdiction, may be supplied to the Calcutta Press on formal application being made, after payment of the usual searching-fee and copying charges and under the same conditions and restrictions as those under which copies of judgments in Civil Appeals are supplied to parties on the Appellate Side of the Court.

The Editors of the *Calcutta Weekly Notes* and the *Calcutta Law Journal*, and such other Law Journals as may be approved by the Court from time to time, shall be allowed to make copies of judgments free of charge, provided that the copies are made by their own agents, using their own typewriters and stationery and that such copying work is done in the presence of the Superintendent of the Copying Section, and, provided further, that applications for such copies are made within seven days of the disposal of the case.

15. When an applicant requires his copies before the expiry of three days, an extra fee of Rs. 2 (if the copies exceed four folios, or of 8 annas for each folio) shall be charged on all copies so furnished, to be levied from him by a Court-fee stamp which should be affixed to the application for the copy and be entered in the Register for Court-fee stamps. Care, however, should be taken that other applicants for copies do not materially suffer by the arrangement.

16. Half of the 4 annas per folio charged for copies shall be credited to Government on account of the salary of examiners, etc.: the remaining half will represent the earnings of the typists whose accounts shall be made up monthly and the amounts due paid to them.

NOTE.—The copyist or typist is paid by the folio; he will therefore be paid according to the number of folios copied, whether such copies are subsequently taken out or not.

17. In the case of maps and plans, the charge shall be fixed by the Deputy Registrar with reference to the difficulty or intricacy of the work to be done. Two-thirds of the amount will be paid to the mappist and will include the cost of materials; and the remainder will be credited to Government on account of examination-fees.

18. Ordinary applications for copies shall be made to the Superintendent of the Copying Section on any Court day between the hours of 11 a.m. and 3-30 p.m. and between the hours of 11 a.m. and 1 p.m. on Saturdays.

23. The number of folios required should be carefully calculated so as to obviate the necessity for obtaining additional folios from the applicant.

24. If, owing to insufficient or incorrect description, the document cannot be traced, the application should be so endorsed and submitted at once to the Deputy Registrar or other Officer of the Court for orders.

25. On receipt of the estimate as to the number of folios required, the Superintendent of the Copying Section shall enter the amount of Court-fee stamps and the other charges in the middle column of the application, and shall notify the amount in the prescribed register [*see* Form No. 17 (civil) of Appendix I] not later than the next following day.

26. If the stamps and folios are not filed within seven days of the notification in the prescribed Register, the application shall be rejected by the Deputy Registrar or other Officer of the Court.

27. If an application has been rejected under rule 26 and the copy is still required, a fresh application must be filed and dealt with in the manner prescribed by these rules, as though the original application had not been made.

28. When the stamps and folios are filed, a note to that effect, and the date, shall be entered in the place provided in the application for the purpose, and the applicant shall be required to sign this entry. The date on which the copy will be ready shall also be noted in the appropriate column of the application form and a corresponding entry shall be made by the Superintendent of the Copying Section in the counterfoil of the application. The applicant shall retain the counterfoil, and it shall be his duty to attend on the date fixed for the purpose of receiving the copy.

29. If and when it is ascertained that extra Court-fees or extra folios for copies are required, the amount of such Court-fees or folios should be immediately notified in the prescribed register [*see* Form No. 17 (civil) of Appendix I] and shall be put in within seven days of such notification.

30. When the applicant camplies with rule 29, a note should be made on the reverse of the counterfoil showing the date and number of extra folios and the date and number and the value of the extra Court-fees filed. This note shall be signed both by the applicant and by the Superintendent of the Copying Section.

31. Every copy must bear the signature of the copyist making it and the date on which the copy was completed. It must also bear the signature of the clerk who examined the copy and the date on which such copy was examined.

32. In ordinary circumstances a copy shall be furnished not later than 1 p.m. on the fifth day after the necessary Court-fee stamps and folios have been put in.

33. On receipt of the original application, the Superintendent of the Copying Section shall attach to it the copy and all unused folios. On the applicant's appearance with the counterfoil, the Superintendent of the Copying Section shall make over to him the copy and unused folios, taking his receipt in the counterfoil of the application which he will retain in his custody.

34. Should the applicant, in any case, fail to appear to claim either the copy or the unused folios before the last day of the month succeeding that on which the copy was ready for delivery or should he fail to put in the extra court fees or extra folios within the period prescribed in rule 29, such copy and unused folios shall be destroyed.

35. In any case in which a copy is refused, or cannot be granted, the folios supplied by the applicant shall be returned to him when he is so informed.

36. A certified copy shall bear the seal of the Court and shall be "certified to be a true copy" and be signed in full by an Officer authorised to do so by the Registrar. The Certifying Officer shall append to his signature the words "authorised under Section 76, Act I of 1872."

NOTE.—Uncertified copies shall only be marked as "examined," and initialled by the Examiner.

(*i*) Date of application for copy.

(*ii*) Date of notifying the requisite number of folios and stamps.

(*iii*) Date of delivery of the requisite folios and stamps.

(*iv*) Date on which the copy was ready for delivery.

EDUCATION DEPARTMENT.

NOTIFICATIONS.

Minister-in-charge: The Hon'ble Khan Bahadur M. Azizul Haque.

No. 1186Edn.—24th March 1936.—In exercise of the powers conferred by rule 39 of the Civil Services (Classification, Control and Appeal) Rules, made by the Secretary of State for India in Council under sub-section (*2*) of section 96B of the Government of India Act, the following rules are hereby made by the Local Government:—

1. These rules may be called the Bengal Educational Service Recruitment Rules, 1936.

2. For the purposes of these rules—

(*1*) The Selection Board shall be as constituted by the Bengal Selection Board (Constitution and Functions) Rules.

(*2*) "Government" means the Local Government as defined in clause 4 of section 134 of the Government of India Act.

3. Recruitment to the Bengal Educational Service shall be by—

(*a*) promotion from Subordinate Services in the Education Department, or

(*b*) direct appointment:

Provided that, if any particular post in the cadre of the service cannot suitably be filled by the above methods of recruitment, a person may be recruited, after consultation with the Selection Board, for a limited period on such terms as the Local Government thinks fit, one post in the service being held in abeyance during such period.

4. (*1*) When a vacancy occurs in the service, Government shall decide in which way recruitment shall take place.

(*2*) Government may from time to time determine the proportions of vacancies in posts or categories of posts which shall be filled by promotion.

5. No recruitment shall be made in the Bengal Educational Service without previous consultation with the Selection Board:

Provided that Government may make appointments without such consultation in vacancies lasting not more than six months:

Provided also that nothing in these rules shall prejudice the right of Government to appoint without reference to the Selection Board any member of the Bengal Educational Service to any post in that service.

6. When recruitment is to be made by promotion, Government shall call for recommendations for promotion which shall be forwarded for the consideration of the Selection Board.

Government may prescribe—

(*1*) the authorities by whom and to whom, the channels through which and the dates on which recommendations shall be made.

(*2*) the number of recommendations which may be made by each authority prescribed, and

(*3*) the qualifications rendering persons eligible for promotion, and the methods by which these qualifications shall be established.

7. When direct appointment is to be made there shall be published in the *Calcutta Gazette* and in such other manner as Government may from time to time direct, a notification containing instructions on all or any of the following matters, namely:—

(*1*) number and nature of vacancies,
(*2*) date of submission of applications and method of submission,
(*3*) qualifications required from candidates and the methods by which these qualifications shall be established.

8. (*1*) Direct appointment may be made in India, or in India and the United Kingdom.

(*2*) The agency for direct appointment in the United Kingdom shall be the High Commissioner for India acting on the advice of any committee he may appoint for the purpose.

9. In cases of direct appointment, the applications received, either in India or in the United Kingdom, shall be forwarded for the consideration of the Selection Board, together with any recommendation made by the High Commissioner for India.

10. (*1*) When, in the case of direct appointment, the Selection Board has forwarded to Government its recommendations, Government shall require any or all of the candidates who have been recommended by the Selection Board and have not appeared before the Medical Board convened by the High Commissioner for India, to appear before a Medical Board selected and convened by the Surgeon-General, Bengal.

(*2*) Candidates recommended by the High Commissioner for India shall appear before a Medical Board convened by the High Commissioner.

(*3*) Male candidates shall conform with the standards prescribed in Schedule I to these rules and female candidates shall conform with the same standards so far as they are applicable. In the case of female candidates the Medical Board shall, if the candidate so desires, be composed of women doctors. The Medical Board, whether convened in India or in the United Kingdom, shall furnish a certificate in the form appended to Schedule I, and no candidate shall be appointed unless he has been certified as physically fit.

11. No person shall be appointed to the Bengal Educational Service who is not of good character and in all respects suitable for appointment to the service of Government and no person will be eligible for appointment to this Service who has endeavoured to enlist for his candidature the support of persons of influence or of officials of Government. Spontaneous recommendations from persons interested in, or otherwise known to, the candidate will be disregarded.

12. (*1*) In making direct appointments Government reserve the right to call for recommendations from the Selection Board for nomination of suitable qualified Muslims for appointment in any vacancy with a view to securing that the percentage of Muslims in the Service is at least 40 per cent. of its total strength, provided that for the purpose of this percentage, the men's and the women's branches shall be considered as separate.

(*2*) Government may from time to time by rule determine the proportion of vacancies to be reserved for any other community and thereafter all appointments made shall conform to such rules.

13. Without the previous sanction of the Governor-General in Council, no person shall be appointed to the Bengal Educational Service, who is not a British subject or the subject of a State in India.

SCHEDULE I.

Regulations as to the physical examination of candidates for direct recruitment to the Bengal Educational Service.

General physical requirements.

I. A candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of his duty.

II. In the examination of candidates the Medical Board will apply the following table of correlation of age, height and chest girth:—

Age.	Height without shoes.			Chest measurement on full expiration.	Chest measurement on full inspiration.
	Inches.		Inches.	Inches	Inches.
21 and upwards	62½	and under	65	30	32
	65	,,	68	31	33
	68	,,	70	32	34
	70	,,	72	33	35½
	72 and upwards			34	36½

III. *Measurement of chest.*—The candidate will be made to stand erect with his feet together and to raise his hands above his head. The tape will be carefully adjusted round the chest, with its posterior upper edge touching the inferior angles of the shoulder blades, and its anterior lower edge the upper part of the nipples. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to empty his chest of air as much as is possible. This is best done by continuous whistling with the lips as long as sound can be produced. The tape will be carefully gathered in during the process, and when the minimum measurement is reached it will be recorded. The candidate will then be directed to inflate his chest to its utmost capacity. The maximum measurement will likewise be noted. The girth with the chest fully expanded and the range of expansion between the minimum and maximum will then be recorded. In all doubtful cases the functional capacity of the lungs may be tested by means of the spirometer. The minimum vital capacity as tested by the spirometer shall in no case be below 180 cubic inches.

IV. The hearing must be good.

V. The speech must be without impediment.

VI. The teeth must be in good order, *i.e.*, decayed or broken teeth must be properly stopped or crowned, and deficient teeth replaced by artificial teeth, where necessary, for effective mastication.

VII. The chest must be well formed, the lungs and heart sound.

VIII. Rupture, hydrocele, varicocele, varicose veins in a severe degree, or other conditions likely to cause inefficiency will disqualify a candidate, unless such condition is cured by operation. Where any candidate has been rejected and has subsequently undergone one or other operation for hernia, hydrocele, varicocele or varicose veins, the Board may pass him, provided they are satisfied that the candidate has been radically cured.

IX. The limbs, feet and toes must be well formed and developed, with free and perfect motion of all the joints.

X. A candidate must have no congenital malformation or defect likely to interfere with his efficiency.

XI. A candidate must not be subject to chronic skin disease.

XII. Evidence of previous acute or chronic disease pointing to an impaired constitution will disqualify.

Standard of minimum acuteness of vision required for appointment in the Provincial Services.

Better eye.	Worse eye.
Vision = $^6/_6$	Vision = $^6/_9$

after correction with glasses, provided there are no morbid changes present in the choroid or retinæ.

2. Cases of myopia may be admitted provided the ametropia in either eye or both eyes does not exceed—3·5 D and there are no morbid changes in the choroid or retinæ.

Cases of myopia with posterior staphyloma may, however, be admitted, provided ametropia in either eye does not exceed—2·5 D and no morbid changes are present in the choroid or retinæ.

3. Candidates with hypermetropia may be admitted, provided the acuteness of vision is—

Better eye.	Worse eye.
Vision = $^6/_6$	Vision = $^6/_9$

after correction with glasses.

4. In cases of defective vision due to nebula of the cornea, the candidate will be rejected.

5. Squints or any morbid conditions subject to risk of aggravation or recurrence in either eye may cause rejection of a candidate.

6. Colour vision need not be taken into account.

Form of medical certificate for candidates for direct recruitment to the Bengal Educational Service.

The attention of the Medical Board is specially directed to the following:—

No person will be deemed qualified for admission to the service who shall not satisfy Government that he has no disease, constitutional affection or bodily infirmity, unfitting him, or likely to unfit him, for the service. It should be understood that the question of fitness involves the future as well as the present and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension. It is at the same time to be noted that the question is one of the likelihood of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service. Before filling up the form it should be ascertained from the candidate whether he has been previously pronounced unfit for Government service by any duly constituted medical authority in India or elsewhere.

3. Recruitment to the Bengal Senior Educational Service shall be by—

(a) promotion from the Bengal Educational Service, or

(b) direct appointment:

Provided that, if any particular post in the cadre of the service cannot suitably be filled by the above methods of recruitment, a person may be recruited, after consultation with the Selection Board, for a limited period on such terms as the Local Government thinks fit, one post in the service being held in abeyance during such period:

Provided also that the posts named in Schedule I shall be reserved for members of the Indian Educational Service so long as there are members of that service available and fit to occupy them

4. (1) When a vacancy occurs in the service, Government shall, subject to the second proviso of rule 3, decide in which way recruitment shall take place.

(2) Government may from time to time determine the proportions of vacancies in posts or categories of posts which shall be filled by promotion.

5. No recruitment shall be made in the Bengal Senior Educational Service without previous consultation with the Selection Board:

Provided that Government may make appointments without such consultation in vacancies lasting not more than six months:

Provided also that nothing in these rules shall prejudice the right of Government to appoint without reference to the Selection Board any member of the Bengal Senior Educational Service to any post in that service subject to the second proviso of rule 3.

6. When recruitment is to be made by promotion, Government shall call for recommendations for promotion which shall be forwarded for the consideration of the Selection Board.

Government may prescribe—

SCHEDULE II.

Regulations as to the physical examination of candidates for direct recruitment to the Bengal Senior Educational Service.

General physical requirements.

I. A candidate must be in good mental and bodily health, and free from any physical defect likely to interfere with the efficient performance of his duty.

II. In the examination of candidates the Medical Board will apply the following table of correlation of age, height and chest girth:—

Age.	Height without shoes.			Chest measurement on full expiration.	Chest measurement on full inspiration.
	Inches.		Inches.	Inches.	Inches.
21 and upwards	62½	and under	65	30	32
	65	,,	68	31	33
	68	,,	70	32	34
	70	,,	72	33	35½
	72 and upwards			34	36½

III. *Measurement of chest.*—The candidate will be made to stand erect with his feet together and to raise his hands above his head. The tape will be carefully adjusted round the chest, with its posterior upper edge touching the inferior angles of the shoulder blades, and its anterior lower edge the upper part of the nipples. The arms will then be lowered to hang loosely by the side, and care will be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to empty his chest of air as much as is possible. This is best done by continuous whistling with the lips as long as sound can be produced. The tape will be carefully gathered in during the process, and when the minimum measurement is reached it will be recorded. The candidate will then be directed to inflate his chest to its utmost capacity. The maximum measurement will likewise be noted. The girth with the chest fully expanded and the range of expansion between the minimum and maximum will then be recorded. In all doubtful cases the functional capacity of the lungs may be tested by means of the spirometer. The minimum vital capacity as tested by the spirometer shall in no ease be below 180 cubic inches.

IV. The hearing must be good.

V. The speech must be without impediment.

VI. The teeth must be in good order, *i.e.*, decayed or broken teeth must be properly stopped or crowned, and deficient teeth replaced by artificial teeth, where necessary, for effective mastication.

VII. The chest must be well formed, the lungs and heart sound.

VIII. Rupture, hydrocele, varicocele, varicose veins in a severe degree, or other conditions likely to cause inefficiency will disqualify a candidate, unless such conditions is cured by operation. Where any candidate has been rejected and has subsequently undergone one or other operation for hernia, hydrocele, varicocele or varicose veins, the Board may pass him, provided they are satisfied that the candidate has been radically cured.

IX. The limbs, feet and toes must be well formed and developed, with free and perfect motion of all the joints.

X. A candidate must have no congenital malformation or defect likely to interfere with his efficiency.

XI. A candidate must not be subject to chronic skin disease.

XII. Evidence of previous acute or chronic disease pointing to an impaired constitution will disqualify.

Standard of minimum acuteness of vision required for appointment in the Provincial Services.

Better eye.	Worse eye.
Vision=$^6/_6$	Vision=$^6/_9$

after correction with glasses, provided there are no morbid changes present in the choroid or retinæ.

2. Cases of myopia may be admitted provided the ametropia in either eye or both eyes does not exceed—3·5 D and there are no morbid changes in the choroid or retinæ.

Cases of myopia with posterior staphyloma may, however, be admitted, provided ametropia in either eye does not exceed—2·5 D and no morbid changes are present in the choroid or retinæ.

3. Candidates with hypermetropia may be admitted, provided the acuteness of vision is—

Better eye.	Worse eye.
Vision=$^6/_6$	Vision=$^6/_9$

after correction with glasses.

4. In cases of defective vision due to nebula of the cornea, the candidate will be rejected.

5. Squints or any morbid conditions subject to risk of aggravation or recurrence in either eye may cause rejection of a candidate.

6. Colour vision need not be taken into account.

Form of medical certificate for candidates for direct recruitment to the Bengal Senior Educational Service.

The attention of the Medical Board is specially directed to the following:—

No person will be deemed qualified for admissoin to the service who shall not satisfy Government that he has no disease, constitutional affection or bodily infirmity, unfitting him, or likely to unfit him, for the service. It should be understood that the question of fitness involves the future as well as the present and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension. It is at the same time to be noted that the question is one of the likelihood of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service. Before filling up the form it should be ascertained from the candidate whether he has been previously pronounced unfit for Government service by any duly constituted medical authority in India or elsewhere.

2. A limited competitive examination will be held, on the same date and jointly with the general examination, at Madras, under Part III-A of the Indian Police (Recruitment) Rules, 1927, as amended, for the following vacancy:—

Madras.—One candidate from other communities including depressed classes, *i.e.*, from communities other than Brahmans, non-Brahman Hindus, Muhammadans, Anglo-Indians, Christians and non-Asiatics.

The qualifications of candidates and subjects, for both examinations, will be as prescribed in the rules and regulations appended hereto.

Candidates selected for admission will be informed at what time and place they should present themselves.

3. Every candidate must apply on the prescribed form on or before the 1st May 1936, through the Collector or Deputy Commissioner of the district in which he resides, or through the Political Officer or Agent if he is resident in a State in India, to the local Government of the Governor's province in the selection area for which he is a candidate. Copies of the Application Form, together with the Rules, Regulations and Syllabus of the examination, may be obtained from the local Government of the Province, or the Political Officer or Agent, as the case may be.

4. Any person who has appeared at an examination the passing of which will render him eligible to appear at the Indian Police Examination, but has not been informed of the result, may apply for admission to the latter examination. A candidate who intends to appear at such a qualifying examination may also apply, provided the qualifying examination is to be concluded before the commencement of the Indian Police Examination. His application will be accepted provisionally if he is eligible in all other respects and he will be required to furnish before the 1st July 1936, to the Local Government, or thereafter to the Public Service Commission, but not later than the date on which the results are

ready for communication to the Government of India, proof of having passed such qualifying examination.

5. Candidates must have been born not earlier than the 2nd August 1912 and not later than the 1st August 1915. *These age limits can in no way be relaxed.*

Candidates who delay their applications till a late date do so at their own risk.

8. Candidates are warned that a revision of the existing rates of pay for the Indian Police is under consideration, and that, if revised scales are announced before the result of the examination is known, they will apply to probationers selected on the result of that examination.

9. Candidates should state the name of the examination for which they have applied in all correspondence with the Public Service Commission.

PART III.

APPOINTMENT BY GENERAL COMPETITIVE EXAMINATION IN INDIA.

6. A candidate must be a male and either—

(i) A British subject of Indian domicile whose father (if alive) is a British subject, or a subject of a State in India, or (if dead) was at the time of his death either a British subject or a subject of a State in India, or a person in the permanent service of the Crown, or a person who had retired from that service, or

(ii) a ruler or a subject of a State in India in respect of whom the Governor-General in Council has made a declaration under section 96A of the Government of India Act:

Provided that in the case of a British subject the requirements of this rule may be waived by the Secretary of State in Council if he is satisfied that their observance would occasion exceptional hardship, and the candidate is so closely connected by ancestry or upbringing with His Majesty's dominions as to justify special treatment.

7. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a member of the Indian Police, and a candidate who is found after examination by a Medical Board not to satisfy these requirements will not be appointed.

8. A candidate must satisfy the Public Service Commission that his character is such as to qualify him for employment in the Indian Police.

9. A candidate must have attained the age of 21 and not have attained the age of 24 on the first day of August in the year in which he is selected for admission to the Competitive Examination.

10. In exceptional cases the Public Service Commission may, on the recommendation of the Local Government, treat as a qualified candidate a candidate who, though not possessing any of the foregoing qualifications, has passed examinations conducted by other institutions of a standard which in the opinion of the Public Service Commission justifies his admission to the examination.

NOTE.—"A candidate who has secured the Cambridge School Certificate 'B' will be eligible for admission to the examinations to be held in 1936 and 1937, provided that he produces a certificate from the Head of the Institution from which he appeared at the examination to show that prior to being awarded the certificate, he underwent the course necessary for being entered for 'Certificate A' in an approved school and was eligible for being so entered."

(2) For the purpose of these rules a candidate is resident in the selection area in which his parents (or surviving parent) have their permanent residence at the date of his application, or, if both his parents are dead, in the selection area in which he himself ordinarily resides otherwise than for the purpose of his own education provided that the Public Service Commission may in special circumstances allow a candidate to be treated as resident in another selection area.

Provided also that no candidate can compete for an appointment in Burma, unless at the date of his birth and at the time of making his application he was domiciled in Burma.

(3) Each of the selection areas mentioned in sub-rule 2 of this rule shall include such Indian States or parts of an Indian State or States, as the Governor-General in Council may consider to be most closely united, having regard to considerations of race, language, etc., to the parts of British India included in the selection area.

(1) In each selection area a Selection Committee shall be constituted by the Local Government and shall perform in accordance with arrangements made by the Local Government and approved by the Public Service Commission the functions hereinafter assigned to it. Every Selection Committee shall include at least one unofficial member. The Public Service Commission shall be entitled to appoint one of their members to act as a member of any Selection Committee.

(2) For the purpose of this rule the Local Government means the Local Government of the Governor's province which constitutes, or is included in, the selection area.

(5) Each Selection Committee shall send its list of recommended candidates to the Local Government, who shall forward it to the Public Service Commission with such observations as they may desire to make. The candidates so recommended shall be admitted to the examination unless they are disqualified under the rules or are excluded by the Public Service Commission on the recommendation of the Local Government. To every candidate selected for admission to the examination, the Public Service Commission shall give a certificate of having been so selected and no person to whom such certificate has not been given shall be admitted to the examination.

13. No recommendations except those invited in the form of application will be taken into consideration. Any attempt on the part of a candidate to obtain support for his application by other means may disqualify him for selection.

If the examination is held jointly a separate list of candidates to be appointed under this Part shall be made in accordance with Rule 15 for each area affected.

(2) When announcing that a limited competitive examination is to be held jointly with a general competitive examination, the Governor-General in Council may also announce that the making of appointments by means of that examination will be contingent or conditional upon the result of the general competitive examination to be held jointly with it; and, in such cases, the appointments, if any, to be made by means of the limited competitive examination shall be made in accordance with the terms of such announcement.

THE Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted service of Government (except those serving under the Government of Bombay), and to Local Fund servants earning pensions from Government. Some of the special features of the fund are (1) that widowed daughters incapable of re-marriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominee predecease them after five years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India, and his report discloses very favourable results. For forms of application and rules of the Fund apply to the Accountant-General, Bengal, Imperial Secretariat Buildings, Calcutta.

CALCUTTA, THE 20TH MARCH 1936.

RESOLUTION—No. 4736 L. R.

Read—

The Annual Report on the Survey and Settlement Operations in Bengal for the year ending 30th September 1935.

The main traverse operations covered an area of 1,476 square miles in the districts of Dinajpur and Howrah, of which an area of 1,329 square miles was done by the method of post-pointing and the remainder by the ordinary method. An area of 4 square miles was also retraversed by the ordinary method in the district of Rangpur. Minor traverse work was carried out to the extent of 273 square miles scattered over several districts in the province. Valuable work was also done by the Survey Department in comparative mapping, relaying of boundaries and reproduction of maps. The total number of sheets printed was 12,033 against 10,119 in the previous year. Besides, special maps were prepared for the Development Commissioner and for the Delimitation Committee showing the various constituencies by colours as expeditiously as possible. It is satisfactory to note that while maintaining a very high standard of accuracy of the work, it was possible to reduce costs rates in all these operations by stricter supervision.

2. During the year, major settlement operations were in progress in the districts of Burdwan, Hooghly, Malda, Rangpur, Dinajpur and Howrah, while minor settlements as well as the maintenance operations under section 158A of the Bengal Tenancy Act were conducted in 13 districts.

3. The total area for which a record-of-rights has been prepared comes to *58,459 square miles as against the area of *65,095 square miles to which the Bengal Tenancy Act applies. The maps and the records are, as usual, gaining in popularity and their usefulness is being highly appreciated in every branch of administration.

4. During the year under review, the privilege of certificate procedure under section 158A of the Bengal Tenancy Act was granted to 39 private estates while 16 more applications for the concession were under the consideration of Government at the close of the year.

5. Satisfactory progress was made towards recovery of settlement costs, and, as in the previous year, realisation by coercive measures was small in comparison with voluntary payments.

6. Mr. J. B. Kindersley, I.C.S., was in charge of the Department throughout the year. The Governor in Council has much pleasure in acknowledging the efficiency and care with which the departments of survey and settlement have been managed during the year under review. His Excellency in Council is also pleased to direct that the good work done by the survey officer Major B. Sexton, the settlement officers Messrs. A. C. Hartley, F. O. Bell, A. B. Chatterjee, Rai Bijay Behari Mukherjee Bahadur, Rai Ramesh Chandra Sen Bahadur, Rai Sahib Hira Lal Sen, Babu Pramode Ranjan Das Gupta, and by the other officers metioned in the last paragraph of the report be recorded.

Order– Ordered that the resolution be published in the *Calcutta Gazette*.

16. For section 50 of the said Act the following section shall be substituted, namely :—

District board or local board to superintend the administration of union boards.

" 50. A district board shall superintend the administration of union boards within the area under the authority of the district board, except in matters relating to dafadars and chaukidars :

Provided that, where there is a local board, the local board shall, subject to the control of the district board, exercise such superintendence over the administration of union boards within the area under the authority of the local board."

STATEMENT OF OBJECTS AND REASONS.

With the gradual establishment of union boards over the greater part of the province it has for some time been felt that local boards in their present form and with their present powers are more or less a superfluity. Under the Bengal Local Self-Government Act of 1885 local boards have no corporate existence, but only derive their powers and duties as agents of the district board. The question of the abolition of the local boards has been under the consideration of Government from time to time since 1922.

The present Bill which has been framed after a careful consideration of the views of the local officers and chairmen of district boards provides that the Local Government may with the consent of the district board concerned abolish the local board in any area within the district. It is proposed that where a local board has been abolished the members of district boards from that area should be elected by persons having qualifications similar to those of union board electors under section 7 of the Bengal Village Self-Government Act, 1919, who may have their names enrolled on the electoral roll for the district. It is also proposed that in areas where local boards have been abolished persons qualified to vote at a district board or local board election shall be eligible to stand as candidates for election as members of district boards.

As the adoption of the system of direct election will involve a substantial increase in the cost of election to district boards, it is proposed to extend the term of office of members of district boards from four to five years.

When a local board has been abolished in any area, all its powers and duties including powers of supervision and control over union boards conferred by the Bengal Village Self-Government Act, 1919, will be taken over and exercised or performed by the district boards.

2. The amendments proposed to be made in the Bengal Village Self-Government Act, 1919, are consequential on those in the Bengal Local Self-Government Act of 1885.

ADDENDA AND CORRIGENDA.

No. 3122F. — 31st March 1936. — The following corrections, which have been authorised, are published for general information:—

The Fundamental and Subsidiary Rules, 1st Edition (Reprint), 1929.

Page 389—Delegation Chapter.—In item 70 as inserted by correction slip No. 353, the words "or governing bodies" shall be added after the words "Principals" occurring in the second line of the last column.

Page 274—Appendix No. 10.—For the existing item 1 under "Land Revenue," *substitute* the following:—

"1. Kanungos temporarily appointed for settlement duty. Entitled to no travelling allowance except actual railway or steamer fare of their class when travelling on duty by rail or steamer. Travelling allowance may, however, be granted under the following circumstances:—

If a kanungo is placed in charge of a circle or of more than one halka he may be permitted to draw daily allowance for those days on which it is necessary in the interest of public service for him to halt at a place over 8 miles from his circle or halka camp, which place shall be regarded as his temporary headquarters: Provided that he shall not draw such daily allowance unless he has obtained the previous permission in writing of the Settlement Officer or Assistant Settlement Officer in charge to make such halts and provided further that he shall not draw such daily allowance for more than three consecutive days at any one time."

Page 23—F. R. 26.—Under clause (*a*) of this rule *insert* the following as an Audit Instruction (2), numbering the existing Audit Instruction (1):—

"Audit Instruction (2). Although joining time taken under Fundamental Rule 105(*b*) and (*c*) is treated as duty under Fundamental Rule 9(*6*)(*a*)(*ii*), it cannot be treated as duty for the purposes of increment in an *Officiating* post inasmuch as only leave salary is drawn for the period."

Note.—The Government of Bengal have adopted this instruction for persons subject to their rule-making control.

Page 151—F. R. 85.—*Insert* the following as paragraph 3 of Audit Instructions under this rule:—

"(3) 'Leave not due' applied for by a Government servant with or without medical certificate is 'leave admissible under rule' and in cases where 'leave not due' can be granted, the grant of extraordinary leave under Fundamental Rule 85 will be irregular unless the latter kind of leave is specifically applied for in writing."

Note.—The Government of Bengal have adopted the same instructions for persons subject to their rule-making control.

Page 119—*F. R. 68.*—Under this rule *insert* the following:—

"Audit Instruction. The joining time of a Government servant who returns from leave out of India and disembarks, not at the first port of call in India, but at another such port, should be reckoned from the day of arrival of the vessel at the second or subsequent port at which he actually disembarks, whether the sea journey from the first port of call in India to the subsequent port of disembarkation is made in the *same* steamer which takes him to the first port of call or in *some other* steamer."

Note.—The Government of Bengal have adopted the same instruction for persons subject to their rule-making control.

Pages 141-42.—*F.R.* *81(b).*—Number the existing Audit Instruction as (1) and *insert* the following as (2):—

"2(*a*). In addition to leave on average pay for four months under Fundamental Rule 83(7)(*a*) which is not debitable to the leave account, the maximum amount of leave on average pay that can be taken whether under Fundamental Rule 83(7)(*b*) or under Fundamental Rule 81(*b*) or both can be only eight months. This follows from a consideration of the wording in Fundamental Rule 83(7)(*b*), under which a Government servant is allowed to draw leave salary equal to average pay for a period not exceeding the period which would otherwise be admissible to him as leave on average pay. Under Fundamental Rule 81(*b*) this period is limited to eight months under clause (*i*) or four months under clause (*ii*) which may be extended by another four months in certain circumstances (*vide* proviso to clause (*ii*). In case leave on average pay for eight months, if due under Fundamental Rule 81(*b*), is all taken under Fundamental Rule 83(7)(*b*), no further leave on average pay can be taken under the provisions of the former rule. The total leave *on average pay* that can be granted to a Government servant therefore is only twelve months, viz., four months under Fundamental Rule 83(7)(*a*) and eight months under Fundamental Rule 83(7)(*b*) or under Fundamental Rule 81(*b*) or both.

(*b*) Under Fundamental Rule 83(*4*) special disability leave can be combined with leave of any other kind. There is no objection to the interpolation of ordinary leave between periods of special disability leave provided that the limits laid down in Fundamental Rule 81(*b*) are not exceeded in respect of leave on average pay other than special disability leave taken under Fundamental Rule 83(7)(*a*). An amplification of Fundamental Rule 83(*4*) has not been considered to be necessary as Fundamental Rule 81(*b*) indicates clearly that for the calculation of the maximum, leave on average pay other than such leave taken under Fundamental Rule 83(7)(*a*) should not be excluded."

Note.—The Government of Bengal have adopted the same instructions for persons subject to their rule-making control.

Page 148.—*F.R. 83(7)(b).*—Under this rule *insert* the following:—

Against each post should be shown (except in cases covered by Instructions 2 below) the names of both the substantive and officiating incumbents, and against each temporary post should also be noted the sanction thereto. When pay is drawn for a portion of a month only the rate at which it is claimed should be stated either against the name of the Government servant in the body of the bill or in a note at the foot of the page.

Research Scholarships to be awarded in 1936.

Three Research Scholarships will be awarded for the encouragement of original research to candidates who have high and special qualifications and appear to be likely to conduct original research with success. The value of each scholarship is Rs. 75 a month.

2. Ordinarily one scholarship will be awarded annually to a student who proposes to carry on original research in scientific subjects, including such branches as natural and physical science, chemistry, mathematical science, etc., and another scholarship will similarly be awarded for research in literary subjects, including such branches as languages, comparative philology, palæography, epigraphy, philosophy, history, archæology, anthropology, etc., and the third scholarship will be awarded for research either in scientific or in literary subjects. No application for a research scholarship will be considered unless a candidate submits certificates showing that he has the capacity for undertaking the research proposed and a programme of work indicating a definite course of enquiry.

3. Election will be made in the first instance for one year only, with effect from the 1st July 1936, but a scholarship may be renewed from year to year up to the limit of three years, provided the scholar has throughout the year vigorously prosecuted original research in the subject selected by him.

4. Each candidate for a scholarship should submit his application through the head of the institution in which he last studied to the Director of Public Instruction, Bengal, on or before the 10th May next, and must produce evidence of having passed from a College or other institution in Bengal the M.A. or M.Sc. examination of the Calcutta or Dacca University, or of having obtained some other equivalent or higher degree of either of these Universities in 1933 or 1934 or 1935. He must state as definitely as possible the subject or part of the subject in which he intends, if elected to a scholarship, to carry on his original investigation. He must also state the name of the institution in which he proposes to work, with evidence that the authorities of the institution are able and willing to provide facilities for him, or if no institution is mentioned, the circumstances or conditions under which he proposes to work should be stated.

5. Each candidate is required to submit with his application a declaration to the effect that, if selected, he will not undertake any work, either paid or unpaid, or sit for any examination, or pursue any course of studies except that of original research in his selected subject during the tenure of his scholarship.

6. The application from each candidate should contain a note from the authority forwarding the application as to how long the proposed research will take.

PART VI

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 12th February, 1935:—

L. A. BILL No. 7 OF 1935.

A Bill further to amend the Code of Criminal Procedure, 1898.

WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898; It is hereby enacted as follows:— V of 1898.

Short title.

1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

Repeal of section 30, Act V of 1898.

2. Section 30 of the Code of Criminal Procedure, 1898 (hereinafter referred to as the said Code), shall be repealed. V of 1898.

Repeal of section 34, Act V of 1898.

3. Section 34 of the said Code shall be repealed.

Amendment of section 34A, Act V of 1898.

4. In section 34A of the said Code,—

(*i*) the word and figures " and 34" shall be omitted; and

(*ii*) the word " and " shall be inserted between the figures " 31 " and " 32 ".

Amendment of section 35, Act V of 1898.

5. In clause (*b*) of the proviso to sub-section (*2*) of section 35 of the said Code, the brackets, words and figures " (other than a Magistrate acting under section 34)" shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

These provinces having acquired the status of Governor's province, such a discrimination shall no longer be permitted. The accused charged with serious offences are not satisfied with the trial held before Magistrates who are especially empowered under these sections. In most cases the Magistrates in their zeal to show, what they term good disposal, hurriedly proceed with the trial with the result that cool and calm consideration of the facts of the case is not possible as is actually the case in Sessions trials. As the administration is being reformed it is desirable that standard of judicial administration be also raised in these provinces in order to inspire greater confidence in the Courts.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 27th March 1936.

Forecast of the Rabi Crops of Bengal for 1935-36.

(*Note.*—On an average of the five years ending 1933-34, the area under summer rice in Bengal has represented some 0·4 per cent. of the total area under rice in British India.)

Character of the season.—Prolonged drought, which prevailed from October onwards, adversely interfered with sowings and growth in West Bengal districts. As a result both area and outturn was reduced. Elsewhere a fairly satisfactory crop was reaped excepting in Bogra, Pabna and Dacca, where absence of moisture affected the yield.

Acreage.—The normal area under the different *rabi* crops dealt with in this forecast is estimated at 3,517,000 acres. The area actually sown this year is reported to be 3,036,400 acres as against 3,093,700 acres last year. Of this, the area under summer rice is reported at 403,700 acres as against 407,900 acres last year and that under tobacco is 307,100 acres as against 307,600 acres last year.

Outturn.—According to District Officers' estimates, the average outturn of the different *rabi* crops for the province, as a whole, works out at 76 per cent. of the normal as against 85 per cent. last year, the outturn for the more important *rabi* districts being as follows:—

Mymensingh 90, Dacca 67, Rangpur 83, Murshidabad 68, Faridpur 83, Pabna 67, Noakhali 70, Rajshahi 76, Tippera 75, Bakarganj 100, Jalpaiguri 84, Malda 83, Nadia 34, Bogra 65 and Jessore 39.

Summer rice and tobacco crops.—The outturn of summer (*boro*) rice, according to district estimates, is 85 per cent. of the normal as against 93 per cent. last year. The gross yield of the crop for the province on a basis of the normal yield of 15 maunds of clean rice per acre is estimated at 189,100 tons this year as against 209,000 tons last year.

The outturn of tobacco crop is estimated at 79 per cent. of the normal as against 88 per cent. last year. Taking 14½ maunds as the normal yield of the crop per acre, the gross yield of the crop for the province this year is estimated at 129,200 tons as against 144,200 tons last year.

K. McLean,

Director of Agriculture, Bengal.

Khulna, the 28th March 1936.

Resolution on the annual progress report on forest administration in the Presidency of Bengal for the year ending the 31st March 1935.

DEPARTMENT OF AGRICULTURE AND INDUSTRIES.

Forests.

CALCUTTA, THE 20TH MARCH 1936.

RESOLUTION—No. 454For.

Read—

The annual progress report on forest administration in the Presidency of Bengal for the year ending the 31st March 1935.

Read also—

The reports of the previous three years and the Government resolutions thereon.

Mr. E. O. Shebbeare held charge of both the circles throughout the year.

2. *Area.*—There was a total decrease of 17 square miles and 240 acres in the area of reserved forests. The decrease was mainly due to the exclusion of 13,802 acres from the non-Araipara portion of the Attia Forests of the Dacca-Mymensingh Division on account of the unwillingness of the proprietors to keep them under Government management. The area of protected forests increased from 705 square miles to 742 square miles consequent on the declaration of khas forests in the Chittagong Division as Protected Forests. The area of Unclassed State Forests remained unaltered. As a result of these changes, the total area of all forests (excluding leased lands) at the close of the year was about 10,658 square miles or 13·84 per cent. of the total area of the Presidency as against 10,639 square miles in the year 1933-34.

3. *Communications and buildings.*—Owing to want of funds, no new roads were constructed during the year, and only one bridge, over the landing ghat at Kaptai in the Southern Circle, was constructed at a cost of Rs. 50. The total expenditure incurred in the construction of new buildings was Rs. 12,690 against Rs. 9,235 in the previous year. Although the need for thorough repairs to buildings was keenly felt in many cases, it was not possible, on account of financial stringency, to make any considerable progress in this direction. The total cost of repairs to buildings in the two circles was Rs. 37,100 against Rs. 36,811 in the previous year.

4. *Working plans.*—The new working plan for the Kurseong Division excluding Mahaldaram and Dhobijhora was printed and sanctioned. The revision of the working plan for the Kalimpong Division was completed during the year. In the Southern Circle, the prescriptions of the sanctioned working plans were followed as far as circumstances permitted and all deviations were duly sanctioned. In the Chittagong Division, however, the prescriptions of the working plan which is under revision were adhered to.

5. *Damage from natural causes.*—Climbers did considerable damage in high forests as well as in plantations. Operations against climbers had to be curtailed owing to want of funds, though efforts were made to deal with them as far as possible.

Several landslips occurred during the year and erosion by rivers continued. The protective bund against the Torsa river was completed at a cost of Rs. 1,408. It was maintained and properly repaired at the close of the year at a cost of Rs. 2,331 to stand against possible eventualities.

6. There was an increase in the value of the total outturn of produce extracted departmentally as compared with the figures of the previous year. The supply of matchwood to Calcutta continued at a profit. Endeavours were made by the Forest Utilisation Officer, Bengal, to find markets for purchasers' timber and for timber extracted departmentally. The value of the year's sales effected by him was Rs. 3,88,083 against Rs. 2,56,363 in 1933-34. The total value of the sales of forest produce during the year amounted to Rs. 13,78,307 against Rs. 11,81,986 in the previous year.

7. *Revenue and expenditure*.—The revenue, expenditure and surplus are compared below with those of the previous year:—

	Revenue.	Expenditure.	Surplus.
	Rs.	Rs.	Rs.
1933-34 ..	15,02,561	14,42,183	60,378
1934-35 ..	17,82,542	14,90,019	2,92,523

8. *General*.—The general condition of the elephants was on the whole good. The total number of elephants on the stock list in the two circles at the close of the year was twenty-five including three calves.

During the year, forty-five persons were killed by tigers and three men and one woman were killed by leopards. Four men and one woman were killed by wild elephants. Rs. 4,000 was paid as rewards for three tigers killed in the previous year and thirty-seven tigers and three cubs killed during the year. Rewards for four tigers killed during the year were not paid on account of careless preservation of skins in three cases and for shooting in a cage in one case. No reward was paid by the civil authorities during the year for killing tigers.

The activities of the Torsa Sankos Fishing and Shooting Association continued. The object of the game sanctuary in the Buxa Division was achieved and the poaching of rhinoceros in the locality was brought under control. The campaign against unlicensed guns was continued.

The collection of tolls for fishing in the rivers within the reserved forests in the district of Khulna amounted to Rs. 12,839 during the year against Rs. 10,494 in the previous year.

The joint survey of the Karnafuli drainage area in the Chittagong Hill Tracts Division resulted in the reopening of the Barkal toll station during the year on the 1st November 1934, on conditions mutually agreed upon by the Governments of Bengal and Assam. Assam is to get two-thirds of the revenue collected *less* two-thirds of the expenditure incurred.

During the year, the Divisional Forest Officer, Dacca-Mymensingh Division, exhibited forest produce in the Agricultural Exhibition at Joydebpur (Bhowal). A first class certificate was awarded by the President of the Exhibition.

The thanks of the Governor in Council are due to Mr. E. O. Shebbeare for his successful administration of the forest circles. His Excellency in Council also notices with pleasure the record of good work done by other officers of the department mentioned in the report.

Order—Ordered that the above resolution be published in the *Calcutta Gazette*.

Ordered also that a copy of the above resolution be forwarded to the Conservator of Forests, Bengal.

Further statements of debts.

13. (*1*) If after consideration of the application the Board does not dismiss the application forthwith under section 17, it shall, in the prescribed manner, serve a notice on the debtor (unless the debtor is himself the applicant) and on every creditor whose name and address are given in the application and also publish a general notice requiring the debtor and all creditors to submit a statement of debt in the prescribed form within one month of the date of service of the notice, or publication of the general notice, whichever is later:

Provided that, if the Board is satisfied that the debtor or any creditor is for good and sufficient cause unable to comply with such notice, it may extend the period for the submission of his statement of debt.

(*2*) If any creditor fails to comply with a notice under sub-section (*1*), the Board, if so empowered under section 7, may pass an order in writing declaring that the amount of any debt due to him from the debtor on the date of such order shall, for the purposes of this Act, be deemed to be the amount stated in the statement of debt submitted by the debtor, and that no debt of which the creditor has failed to submit a statement, other than a debt which the debtor has included in his statement of debt shall be payable;

and such order shall not be questioned in any Civil Court or in any manner other than that provided in this Act.

(*3*) If any debtor fails to comply with a notice under sub-section (*1*), the Board shall dismiss the application and may allow against the debtor such costs as the Board considers reasonable and such costs shall be recoverable as a public demand on application made within the prescribed period by a creditor to whom the same is due:

Provided that an order made under sub-section (*2*) or sub-section (*3*) may be varied or reversed by the Board on an application for review or by the Appellate Officer on appeal if it is proved to the satisfaction of the Board or of the Appellate Officer that the creditor or debtor or any person referred

The Bengal Agricultural Debtors Act, 1935.

Provided further that when a Board has ceased to exist an order made under sub-section (*2*) or sub-section (*3*) may be varied or reversed by the Appellate Officer on an application if it is proved to his satisfaction that the creditor or debtor or any person referred to in clause (*d*) of sub-section (*1*) of section 11, as the case may be, had no knowledge of the notice under sub-section (*1*) or that he has complied with it or that he had sufficient reason for non-compliance.

Production of documents.

14. (*1*) When a creditor has submitted to the Board a statement of debt under sub-section (*2*) of section 11 or sub-section (*1*) of section 13, the Board shall fix a date for the production of all documents (including entries in books of account) by which the creditor intends to prove any debt owing to him together with a true copy of each such document.

(*2*) The Board shall mark in the prescribed manner each original document so produced, keep the copy after verifying its correctness, and return the original to the creditor.

(*3*) No document relating to a debt regarding which a creditor has failed to submit a statement under sub-section (*2*) of section 11 or sub-section (*1*) of section 13, and no document which being in the possession or under the control of the creditor has not been produced by him as required by sub-section (*1*), shall be admissible in evidence against the debtor or his successor in interest in any suit by the creditor or by any person claiming under him for the recovery of the debt to which such document relates unless it is proved to the satisfaction of the Civil Court that there were sufficient reasons for non-production of the document before the Board.

Board to attempt amicable settlement.

15. Subject to any rules made under this Act, the Board shall call upon the debtor and each creditor to explain his case regarding each debt, and shall use its best endeavours to induce them to arrive at an amicable settlement.

Power of Board to require attendance of persons and production of documents and to receive evidence.

16. (*1*) Subject to rules made under this Act, a Board may exercise all such powers connected with the summoning and examining of parties and witnesses and with the production of documents as are conferred on a Civil Court by the Code of Civil Procedure, 1908. **Act V of 1908.**

(*2*) Any person present may be required by a Board to furnish any information or to produce any document then and there in his possession or power.

Dismissal of applications.

17. (*1*) An application under section 8 may be dismissed by the Board, at any stage of its proceedings, in respect of all or any of the debts to which it relates,—

(*a*) if, for reasons to be stated in writing, the Board does not consider it desirable or practicable to effect a settlement of debts, or

(*b*) if, in the opinion of the Board—

(*i*) the applicant fails to pursue his application with due diligence, or

(*ii*) the debtor is attempting to use the provisions of this Act with a view to defraud any creditor or any person referred to in clause (*d*) of sub-section (*1*) of section 11.

The Bengal Agricultural Debtors Act, 1935.

(Sections 18, 19.)

(2) An application under section 8 shall be dismissed by the Board, if in its opinion—

(a) such application includes a claim which is intended to defraud any creditor; or

(b) there has been transfer of any property by the debtor within two years previous to the date of such application with a view to defraud any creditor.

Determination of amounts of debt.

18. (1) If there is any doubt or dispute as to the existence or amount of any debt, the Board shall decide whether the debt exists and determine its amount:

Provided that a decree of a Civil Court relating to a debt shall be conclusive evidence as to the existence and amount of the debt as between the parties to the decree.

(2) Before passing any order under section 19, 21, or 22 the Board, after considering the statements of debt submitted under section 11 and sub-section (1) of section 13 and after hearing the parties and considering the evidence produced shall, in accordance with rules made under this Act, determine in respect of each debt the amount of the principal and the amount of the arrears of interest due thereon from the debtor up to the date of such determination.

(3) In determining the original principal of a debt for the purposes of proviso (ii) to clause (b) of sub-section (1) of section 19, the Board shall determine the amount of the original loan, after excluding any amount of interest on such loan which may at any time have been included as principal.

(4) When the Board has determined under sub-section (2) the amounts of the principal of a debt due from a debtor and of the arrears of interest due thereon, the decision of the Board in this respect shall not be questioned in any Civil Court or in any manner other than that provided in this Act.

Settlement of debts.

19. (1) Subject to rules made under this Act—

(a) when any creditor agrees in respect of any debt owing to him to an amicable settlement with the debtor, the Board shall embody such settlement in writing; or

(b) when creditors to whom there is owing not less than forty *per cent.* of the total debt, agree to an amicable settlement with the debtor, the Board, if it is so empowered under section 7 and if it considers that an offer made by the debtor for the settlement of any debt not included in the amicable settlement is a fair offer which the creditor concerned ought reasonably to accept, may pass an order that the debt to which the offer relates shall be settled in accordance with such offer:

Provided that for the purpose of this clause an offer shall not be considered by the Board to be a fair offer—

(i) if its terms are less favourable than the terms of the amicable settlement relating to a debt of the same description, or

(ii) if it contemplates the reduction of any debt to an amount which is less than the original principal of the debt as determined under sub-section (3) of section 18, unless creditors to whom there is owing not less than sixty *per cent.* of the total debt agree to the proposed reduction.

The Bengal Agricultural Debtors Act, 1935.

(Sections 20—22.)

(2) The terms of any settlement of debts under sub-section (1) shall be embodied in an award to be made by the Board.

Explanation.—The words "total debt" mean the sum total of all debts which have been determined under section 18 or regarding the amount of which there is no doubt or dispute.

Decision by Board as to whether a person is a debtor.

20. If any question arises in connection with proceedings before a Board under this Act, whether a person is a debtor or not, the Board shall decide the matter.

Grant of certificate in respect of certain debts.

21. Subject to any rules made under this Act, if any creditor does not accept an offer made by the debtor which in the opinion of the Board is fair and such as the creditor ought reasonably to accept, the Board if it is so empowered under section 7, instead of passing any other order which it is competent to pass, may grant to the debtor a certificate in the prescribed form in respect of the debt to which the offer relates,

and thereafter, notwithstanding the provisions of any law for the time being in force, no Civil Court shall allow to the plaintiff, in any suit for the recovery of such debt, any costs in such suit or any interest on the debt after the date of such certificate in excess of simple interest at the rate of six *per cent. per annum* on the principal of such debt as determined under sub-section (2) of section 18, and no decree for the recovery of such debt shall be executed until all amounts payable under an award in respect of other debts of the debtor have been paid, or such award has ceased to subsist under sub-section (5) of section 29, or, if there is no award, until the expiry of such period not exceeding ten years as may be specified in the certificate.

Adjustment of an insolvent debtor's debts.

22. (1) When the Board is satisfied that the debts of a debtor are such that they cannot be reduced under the provisions of section 19 to an amount which he will be able to repay within twenty years, and that the debtor is a fit person to be given the benefit of this section, the Board if it is so empowered under section 7, may, subject to rules made under this Act and after considering all the circumstances of the debtor, by a written order declare him to be insolvent and may by such order either—

(a) reduce his debts to such amounts as it considers that he can pay within a period, not exceeding twenty years, to be mentioned in the order, or

(b) if, for reasons to be recorded in writing, it does not consider the reduction of his debts under clause (a) to be desirable, direct that, subject to the provisions of sub-section (4) and of section 24, all his property shall be sold and the proceeds shall be utilised towards the payment of his debts in such manner as may be specified in the order.

(2) The Certificate-officer shall, on the requisition of the Board in the prescribed form, sell the property of the debtor referred to in clause (b) of sub-section (1) in the manner provided in the Bengal Public Demands Recovery Act, 1913, and the provisions of the said Act regarding sales in execution of certificates shall, subject to the provisions of this Act, apply to such sale. Ben. Act III of 1913.

(3) When the Board reduces the debts of an insolvent under clause (a) of sub-section (1), it shall specify in the order what sum he shall pay in each year towards the settlement of the debts as so reduced and in what manner such sums shall be distributed among the creditors:

The Bengal Agricultural Debtors Act, 1935.

(Sections 23, 24.)

Provided that the sum to be paid in each year shall be fixed by the Board at an amount which, in its estimation, is likely, in a year of normal harvest, to leave to the insolvent as provision towards his maintenance one-half of the surplus which remains from the value of the produce of his land after paying to the landlord the current rent due for such land.

(*4*) When the Board directs the sale of an insolvent's property under clause (*b*) of sub-section (*1*), it shall set aside, as provision towards his maintenance, not more than one-third of the land held by him in his direct possession exclusive of the land occupied by his dwelling house :

Provided that, even if he holds less than three acres of land in his direct possession, the Board shall thus set aside not less than one acre of the land so held exclusive of the land occupied by his dwelling house :

Provided further that no portion of the immovable property of an insolvent shall be exempted under this sub-section from sale for realisation of arrears of rent.

(*5*) When the property of the insolvent referred to in clause (*b*) of sub-section (*1*) has been sold under sub-section (*2*) or when he has paid all the sums fixed by the Board under sub-section (*3*) or when his property has been sold under section 28, the Board shall make an order of discharge and grant him a certificate of discharge in the prescribed form. Such certificate shall release the insolvent from all debts which were or might have been included in the application under section 8 :

Provided that if within five years of the order declaring the debtor insolvent any property is acquired by, devolves on, or is declared by a Civil Court or is discovered to belong to, the insolvent debtor such property shall, on application made by a creditor to the Board, be available for distribution among the creditors of the debtor, to the extent of their debts, in such manner as the Board may direct.

(*6*) An order passed by a Board under sub-section (*1*) shall be embodied in an award to be made by the Board.

The principal of certain debts not to be reduced.

23. The principal of any debt due in respect of arrears of rent or under section 171 of the Bengal Tenancy Act, 1885, shall not be reduced under clause (*b*) of sub-section (*1*) of section 19 or under section 22, and the provisions of section 21 shall not apply to the principal of any such debt. VIII of 1885.

Exemption of certain property of an insolvent debtor from sale.

24. (*1*) When a debtor is declared insolvent under sub-section (*1*) of section 22, the Board shall, in the prescribed manner, determine what portion of his immovable property shall be deemed to be the dwelling house of the debtor for the purposes of this Act.

(*2*) Such dwelling house shall be exempt from sale under sub-section (*2*) of section 22 and from sale for the recovery of any unsecured debt under section 28, and, notwithstanding anything contained in any other Act, the debtor shall be incompetent to mortgage, charge, lease or alienate the same in any way until he is granted a certificate of discharge under sub-section (*5*) of section 22.

(*3*) Notwithstanding anything contained in any other Act, no part of the property of a debtor who has been declared insolvent under sub-section (*1*) of section 22 shall be exempt from sale under sub-section (*2*) of that section or under section 28 except such movable property as shall be prescribed, the immovable property excluded as provision towards his maintenance, and, subject to the provisions of sub-section (*2*), his dwelling house as determined under sub-section (*1*)

The Bengal Agricultural Debtors Act, 1935.

(Sections 25, 26.)

Awards.

25. (*1*) An award shall be in the prescribed form and shall include the following particulars :—

(*a*) a list of the immovable properties of the debtor with particulars of any mortgage, lien or charge subsisting thereon ;

(*b*) a list of the movable properties of the debtor on which there is any mortgage, lien or charge with particulars of such mortgage, lien or charge ;

(*c*) details of all debts which have been determined under section 18 or regarding the amount of which there is no doubt or dispute ;

(*d*) the amount to be paid to each creditor for each debt owing to him under the terms of an amicable settlement or of an order of the Board under section 19 or section 22 ;

(*e*) the manner and the order in which and the times at which the amounts referred to in clause (*d*) shall be paid :

Provided that the order in which such amounts shall be paid shall be in accordance with any rules made under this Act ;

(*f*) the rate of interest, if any, payable on each amount referred to in clause (*d*) ;

(*g*) an order that all the properties mentioned in the list referred to in clause (*a*) or clause (*b*) except such properties as are exempt from sale shall, subject to any mortgage, lien or charge subsisting thereon, be security for the amounts payable under the award.

(*2*) At a place and time of which notice shall be given to the parties in the prescribed manner, the award shall be explained to the parties present and shall be signed by the Board ; but the validity of an award shall not be affected by the absence of any of the parties.

(*3*) From the date of the signing of the award under sub-section (*2*) it shall, in supersession of all previous decisions of a Civil Court in respect of the debts mentioned in it, be binding on the debtor and his creditors and the successors in interest of such debtor and creditors.

Special provision for arrears of rent.

26. Notwithstanding anything contained in this or any other Act—

(*a*) if any rent due for any land mentioned in the list referred to in clause (*a*) of sub-section (*1*) of section 25 falls into arrears, the landlord may include in a suit for the recovery of such arrears the amount of arrears of rent payable under such award ;

(*b*) if any land referred to in clause (*a*) is advertised for sale in execution of a decree, or of a certificate under the Bengal Public Demands Recovery Act, 1913, for arrears of rent, the provisions of section 171 of the Bengal Tenancy Act, 1885, shall not apply, but any person whose interests are affected may pay into Court the amount requisite to prevent such sale, and thereupon the amount so paid, together with interest at the prescribed rate which shall not exceed twelve *per centum per annum*, shall be included by the Board in the award in accordance with rules made under this Act and such amount shall take priority of every other debt payable under the award and of every other charge on the land other than an arrear of rent.

PART VI

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly, and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 12th February, 1936:—

L. A. BILL No. 2 OF 1936.

A Bill to make certain further provisions respecting the law of arbitration in British India.

WHEREAS India was a State signatory to the Protocol on Arbitration Clauses set forth in the First Schedule, and to the Convention on the Execution of Foreign Arbitral Awards set forth in the Second Schedule, subject in each case to a reservation of the right to limit its obligations in respect thereof to contracts which are considered as commercial under the law in force in British India;

AND WHEREAS it is expedient, for the purpose of giving effect to the said Protocol and of enabling the said Convention to become operative in British India, to make certain further provisions respecting the law of arbitration;

It is hereby enacted as follows:—

Short title, extent and operation.

1. (*1*) This Act may be called the Arbitration (Protocol and Convention) Act, 1936.

(2) It extends to the whole of British India, including British Baluchistan and the Sonthal Parganas.

(3) The provisions of this Act, except this section, shall have effect only from such date as the Governor General in Council may, by notification in the Gazette of India, appoint in this behalf, and the Governor General in Council may appoint different dates for the coming into effect of different provisions of the Act.

Interpretation.

2. In this Act "foreign award" means an award on differences relating to matters considered as commercial under the law in force in British India, made after the 28th day of July, 1924,—

(a) in pursuance of an agreement for arbitration to which the Protocol set forth in the First Schedule applies, and

(b) between persons of whom one is subject to the jurisdiction of some one of such Powers as the Governor General in Council, being satisfied that reciprocal provisions have been made, may, by notification in the Gazette of India, declare to be parties to the Convention set forth in the Second Schedule, and of whom the other is subject to the jurisdiction of some other of the Powers aforesaid; and

(c) in one of such territories as the Governor General in Council, being satisfied that reciprocal provisions have been made, may, by like notification, declare to be territories to which the said Convention applies,

and for the purposes of this Act an award shall not be deemed to be final if any proceedings for the purpose of contesting the validity of the award are pending in the country in which it was made.

Stay of proceedings in respect of matters to be referred to arbitration.

3. Notwithstanding anything contained in the Indian Arbitration Act, 1899, or in the Code of Civil Procedure, 1908, if any party to a submission made in pursuance of an agreement to which the Protocol set forth in the First Schedule as modified by the reservation subject to which it was signed by India applies, or any person claiming through or under him, commences any legal proceedings in any Court against any other party to the submission or any person claiming through or under him in respect of any matter agreed to be referred, any party to such legal proceedings may, at any time after appearance and before filing a written statement or taking any other steps in the proceedings, apply to the Court to stay the proceedings; and the Court unless satisfied that the agreement or arbitration has become inoperative or cannot proceed, or that there is not in fact any dispute between the parties with regard to the matter agreed to be referred, shall make an order staying the proceedings.

IX of 1899.
V of 1908.

Effect of foreign awards.

4. (1) A foreign award shall, subject to the provisions of this Act, be enforceable in British India as if it were an award made on a matter referred to arbitration in British India.

(2) Any foreign award which would be enforceable under this Act shall be treated as binding for all purposes on the persons as between whom it was made, and may accordingly be relied on by any of those persons by way of defence set off or otherwise in any legal proceedings in British India, and any references in this Act to enforcing a foreign award shall be construed as including references to relying on an award.

Filing of foreign award in Court.

5. (1) Any person interested in a foreign award may apply to any Court having jurisdiction over the subject-matter of the award that the award be filed in Court.

(*2*) The application shall be in writing and shall be numbered and registered as a suit between the applicant as plaintiff and the other parties as defendants.

(*3*) The Court shall direct notice to be given to the parties to the arbitration, other than the applicant, requiring them to show cause, within a time specified, why the award should not be filed.

Enforcement of foreign award.

6. (*1*) Where the Court is satisfied that the foreign award is enforceable under this Act, the Court shall order the award to be filed and shall proceed to pronounce judgment according to the award.

(*2*) Upon the judgment so pronounced a decree shall follow, and no appeal shall lie from such decree except in so far as the decree is in excess of or not in accordance with the award.

Conditions for enforcement of foreign awards.

7. (*1*) In order that a foreign award may be enforceable under this Act it must have—

(*a*) been made in pursuance of an agreement for arbitration which was valid under the law by which it was governed,

(*b*) been made by the tribunal provided for in the agreement or constituted in the manner agreed upon by the parties,

(*c*) been made in conformity with the law governing the arbitration procedure,

(*d*) become final in the country in which it was made,

(*e*) been in respect of a matter which may lawfully be referred to arbitration under the law of British India,

and the enforcement thereof must not be contrary to the public policy or the law of British India.

(*2*) A foreign award shall not be enforceable under this Act if the Court dealing with the case is satisfied that—

(*a*) the award has been annulled in the country in which it was made, or

(*b*) the party against whom it is sought to enforce the award was not given notice of the arbitration proceedings in sufficient time to enable him to present his case, or was under some legal incapacity and was not properly represented, or

(*c*) the award does not deal with all the questions referred or contains decisions on matters beyond the scope of the agreement for arbitration:

Provided that if the award does not deal with all questions referred the Court may, if it thinks fit, either postpone the enforcement of the award or order its enforcement subject to the giving of such security by the person seeking to enforce it as the Court may think fit.

(*3*) If a party seeking to resist the enforcement of a foreign award proves that there is any ground other than the non-existence of the conditions specified in clauses (*a*), (*b*) and (*c*) of sub-section (*1*), or the existence of the conditions specified in clauses (*b*) and (*c*) of sub-section (*2*), entitling him to contest the validity of the award, the Court may, if it thinks fit, either refuse to enforce the award or adjourn the hearing until after the expiration of such period as appears to the Court to be reasonably sufficient to enable that party to take the necessary steps to have the award annulled by the competent tribunal.

Evidence.

8. (*1*) The party seeking to enforce a foreign award must produce—

(*a*) the original award or a copy thereof duly authenticated in manner required by the law of the country in which it was made;

(*b*) evidence proving that the award has become final; and

(*c*) such evidence as may be necessary to prove that the award is a foreign award and that the conditions mentioned in clauses (*a*), (*b*) and (*c*) of sub-section (*1*) of section 7 are satisfied.

(*2*) Where any document requiring to be produced under sub-section (*1*) is in a foreign language, the party seeking to enforce the award shall produce a translation certified as correct by a diplomatic or consular agent of the country to which that party belongs or certified as correct in such other manner as may be sufficient according to the law in force in British India.

Saving.

9. Nothing in this Act shall—

(*a*) prejudice any rights which any person would have had of enforcing in British India any award or of availing himself in British India of any award if this Act had not been passed, or

(*b*) apply to any award made on an arbitration agreement governed by the law of British India.

Rule-making powers of the High Court.

10. The High Court may make rules consistent with this Act as to—

(*a*) the filing of foreign awards and all proceedings consequent thereon or incidental thereto;

(*b*) the evidence which must be furnished by a party seeking to enforce a foreign award under this Act; and

(*c*) generally, all proceedings in Court under this Act.

THE FIRST SCHEDULE.

PROTOCOL ON ARBITRATION CLAUSES.

The undersigned, being duly authorised, declare that they accept, on behalf of the countries which they represent, the following provisions:

1. Each of the Contracting States recognises the validity of an agreement whether relating to existing or future differences between parties subject respectively to the jurisdiction of different Contracting States by which the parties to a contract agree to submit to arbitration all or any differences that may arise in connection with such contract relating to commercial matters or to any other matter capable of settlement by arbitration, whether or not the arbitration is to take place in a country to whose jurisdiction none of the parties is subject.

Each Contracting State reserves the right to limit the obligation mentioned above to contracts which are considered as commercial under its national law. Any Contracting State which avails itself of this right will notify the Secretary-General of the League of Nations in order that the other Contracting States may be so informed.

2. The arbitral procedure, including the constitution of the Arbitral Tribunal, shall be governed by the will of the parties and by the law of the country in whose territory the arbitration takes place.

The Contracting States agree to facilitate all steps in the procedure which require to be taken in their own territories, in accordance with the provisions of their law governing arbitral procedure applicable to existing differences.

3. Each Contracting State undertakes to ensure the execution by its authorities and in accordance with the provisions of its national laws of arbitral awards made in its own territory under the preceding articles

4. The Tribunals of the Contracting Parties, on being seized of a dispute regarding a contract made between persons to whom Article 1 applies and including an Arbitration Agreement whether referring to present or futre differences which is valid in virtue of the said article and capable of being carried into effect, shall refer the parties on the application of either of them to the decision of the Arbitrators.

Such reference shall not prejudice the competence of the judicial tribunals in case the agreement or the arbitration cannot proceed or becomes inoperative.

5. The present Protocol, which shall remain open for signature by all States, shall be ratified. The ratification shall be deposited as soon as possible with the Secretary-General of the League of Nations, who shall notify such deposit to all the Signatory States.

6. The present Protocol will come into force as soon as two ratifications have been deposited. Thereafter it will take effect, in the case of each Contracting State, one month after the notification by the Secretary-General of the deposit of its ratification.

7. The present Protocol may be denounced by any Contracting State on giving one year's notice. Denunciation shall be effected by a notification addressed to the Secretary-General of the League, who will immediately transmit copies of such notification to all the other Signatory States and inform them of the date on which it was received. The denunciation shall take effect one year after the date on which it was notified to the Secretary-General, and shall operate only in respect of the notifying State.

8. The Contracting States may declare that their acceptance of the present Protocol does not include any or all of the undermentioned territories: that is to say, their colonies, overseas possessions or territories, protectorates or the territories over which they exercise a mandate.

The said States may subsequently adhere separately on behalf of any territory thus excluded. The Secretary-General of the League of Nations shall be informed as soon as possible of such adhesions. He shall notify such adhesions to all Signatory States. They will take effect one month after the notification by the Secretary-General to all Signatory States.

The Contracting States may also denounce the Protocol separately on behalf of any of the territories referred to above. Article 7 applies to such denunciation.

THE SECOND SCHEDULE.

CONVENTION ON THE EXECUTION OF FOREIGN ARBITRAL AWARDS.

Article 1.—In the territories of any High Contracting Party to which the present Convention applies, an arbitral award made in pursuance of an agreement, whether relating to existing or future differences (hereinafter called "a submission to arbitration") covered by the Protocol on Arbitration Clauses opened at Geneva on September 24th, 1923, shall be recognised as binding and shall be enforced in accordance with the rules of the procedure of the territory where the award is relied upon, provided that the said award has been made in a territory of one of the High Contracting Parties to which the present Convention applies and between persons who are subject to the jurisdiction of one of the High Contracting Parties.

To obtain such recognition or enforcement, it shall, further, be necessary:

(*a*) That the award has been made in pursuance of a submission to arbitration which is valid under the law applicable thereto;

(*b*) That the subject-matter of the award is capable of settlement by arbitration under the law of the country in which the award is sought to be relied upon;

(*c*) That the award has been made by the Arbitral Tribunal provided for in the submission to arbitration or constituted in the manner agreed upon by the parties and in conformity with the law governing the arbitration procedure;

(*d*) That the award has become final in the country in which it has been made, in the sense that it will not be considered as such if it is open to opposition, appeal or pourvoi en cassation (in the countries where such forms of procedure exist) or if it is proved that any proceedings for the purpose of contesting the validity of the award are pending;

(*e*) That the recognition or enforcement of the award is not contrary to the public policy or to the principles of the law of the country in which it is sought to be relied upon.

Article 2.—Even if the conditions laid down in Article 1 hereof are fulfilled, recognition and enforcement of the award shall be refused if the Court is satisfied:

(*a*) That the award has been annulled in the country in which it was made;

(*b*) That the party against whom it is sought to use the award was not given notice of the arbitration proceedings in sufficient time to enable him to present his case; or that, being under a legal incapacity, he was not properly represented;

(*c*) That the award does not deal with the differences contemplated by or falling within the terms of the submission to arbitration or that it contains decisions on matters beyond the scope of the submission to arbitration.

If the award has not covered all the questions submitted to the arbitral tribunal, the competent authority of the country where recognition or enforcement of the award is sought can, if it thinks fit, postpone such recognition or enforcement or grant it subject to such guarantee as that authority may decide.

Article 3.—If the party against whom the award has been made proves that, under the law governing the arbitration procedure, there is a ground, other than the grounds referred to in Article 1 (*a*) and (*c*), and Article 2 (*b*) and (*c*), entitling him to contest the validity of the award in a Court of Law, the Court may, if it thinks fit, either refuse recognition or enforcement of the award or adjourn the consideration thereof, giving such party a reasonable time within which to have the award annulled by the competent tribunal.

Article 4.—The party relying upon an award or claiming its enforcement must supply, in particular:

(1) The original award or a copy thereof duly authenticated, according to the requirements of the law of the country in which it was made;

(2) Documentary or other evidence to prove that the award has become final, in the sense defined in Article 1 (*d*), in the country in which it was made;

(3) When necessary, documentary or other evidence to prove that the conditions laid down in Article 1, paragraph 1 and paragraph 2 (*a*) and (*c*), have been fulfilled.

A translation of the award and of the other documents mentioned in this Article into the official language of the country where the award is sought to be relied upon may be demanded. Such translations must be certified correct by a diplomatic or consular agent of the country to which the party who seeks to rely upon the award belongs or by a sworn translator of the country where the award is sought to be relied upon.

Article 5.—The provisions of the above Articles shall not deprive any interested party of the right of availing himself of an arbitral award in the manner and to the extent allowed by the law or the treaties of the country where such award is sought to be relied upon.

Article 6.—The present Convention applies only to arbitral awards made after the coming into force of the Protocol on Arbitration Clauses, opened at Geneva on September 24th, 1923.

Article 7.—The present Convention, which will remain open to the signature of all the signatories of the Protocol of 1923 on Arbitration Clauses, shall be ratified.

It may be ratified only on behalf of those Members of the League of Nations and non-Member States on whose behalf the Protocol of 1923 shall have been ratified.

Ratifications shall be deposited as soon as possible with the Secretary-General of the League of Nations, who will notify such deposit to all the signatories.

Article 8.—The present Convention shall come into force three months after it shall have been ratified on behalf of two High Contracting Parties. Thereafter, it shall take effect, in the case of each High Contracting Party, three months after the deposit of the ratification on its behalf with the Secretary-General of the League of Nations.

Article 9.—The present Convention may be denounced on behalf of any Member of the League or non-Member State. Denunciation shall be notified in writing to the Secretary-General of the League of Nations, who will immediately send a copy thereof, certified to be in conformity with the notifications, to all the other Contracting Parties, at the same time informing them of the date on which he received it.

The denunciation shall come into force only in respect of the High Contracting Party which shall have notified it and one year after such notification shall have reached the Secretary-General of the League of Nations.

The denunciation of the Protocol on Arbitration Clauses shall entail, *ipso facto*, the denunciation of the present Convention.

Article 10.—The present Convention does not apply to the Colonies, Protectorates or territories under suzerainty or mandate of any High Contracting Party unless they are specially mentioned.

The application of this Convention to one or more of such Colonies, Protectorates or territories to which the Protocol on Arbitration Clauses opened at Geneva on September 24th, 1923, applies, can be effected at any time by means of a declaration addressed to the Secretary-General of the League of Nations by one of the High Contracting Parties.

Such declaration shall take effect three months after the deposit thereof.

The High Contracting Parties can at any time denounce the Convention for all or any of the Colonies, Protectorates or territories referred to above. Article 9 hereof applies to such denunciation.

Article 11.—A certified copy of the present Convention shall be transmitted by the Secretary-General of the League of Nations to every Member of the League of Nations and to every non-Member State which signs the same.

STATEMENT OF OBJECTS AND REASONS.

The Government of India have had for some time past under consideration to question of India's adherence to the Geneva Protocol on Arbitration Clauses (1923) and the International Convention on the Execution of Foreign Arbitral Awards (1927). The object of these Instruments is to meet the widely expressed desire of the commercial world that arbitration agreements should be ensured effective recognition and protection. A large number of countries including many of first-class commercial and industrial importance, *e.g.*, the United Kingdom, France, Germany, the Netherlands, have adhered to these Instruments.

2. After consulting Local Governments, High Courts, and commercial bodies, a majority of whom were found to be in favour of India's accession to these Instruments, the case was placed before the Commerce Department Standing Advisory Committee of the Legislature who recommended that India should adhere to the Instruments. These have accordingly been signed at Geneva on behalf of India, subject to reservations limiting India's obligations under the Instruments to commercial contracts and excluding the Indian States from the scope of the Instruments.

3. The Instruments provide for their ratification by a contracting party before they are enforced in respect of that party. Prior to ratification it is necessary to enact legislation to implement certain obligations contracted under these Instruments and the present Bill incorporates the legislation needed in this respect.

NOTES ON CLAUSES.

Preamble.—The Protocol and the Convention are set forth as Schedules to the Bill for the enlightenment of Courts dealing with litigation under the Bill. For the same reason a recital of the reservation subject to which each was signed is necessary.

Clause 1.—The Protocol takes effect one month after ratification is notified. The Convention takes effect three months after ratification is deposited. It may be desirable therefore that section 3 of the Act which implements the Protocol should be in force at an earlier date than will suffice for the remaining sections which implement the Convention.

Clause 2.—The foreign awards which British India is required to recognise under the Convention as modified by the reservation subject to which the Convention and the earlier Protocol were signed by India, are here defined.

Power is given to the Governor General in Council to declare by notification what Powers are parties to the Convention. This is designed to afford Courts in British India a means of ascertaining at any time the Powers and territories to which the Convention applies.

Clause 3.—Section 19 of the Indian Arbitration Act, 1899, and paragraph 18 of the Second Schedule to the Code of Civil Procedure, 1908, had been the existing law on the subject of stay of proceedings in respect of matters to be referred to arbitration. Under these provisions the Court has discretion to grant or refuse stay of proceedings. India's undertakings under the Protocol require that it should be obligatory on a British Indian Court to stay proceedings when these arise in regard to an agreement to submit to arbitration differences relating to commercial matters made by parties subject respectively to the jurisdiction of different Contracting States. Clause 3 makes special provision accordingly for this limited class of submissions. Compare section 1 of the Arbitration Clauses (Protocol) Act, 1924 (14 and 15 Geo. V. Ch. 39), as amended by section 8 of the Arbitration (Foreign Awards) Act, 1930 (20 Geo. V. Ch. 15).

Clause 4.—The first sub-clause declares the special class of awards to which the Act applies to be enforceable in British India.

The second sub-clause provides for securing the effectiveness in other respects of such awards. Compare section 2(2) of the Arbitration (Foreign Awards) Act, 1930.

Clauses 5 and 6 provide the machinery for enforcing foreign awards and are based on similar provisions contained in paragraphs 20 and 21 of the Second Schedule to the Code of Civil Procedure, 1908.

Clause 7 corresponds to section 3 of the Arbitration (Foreign Awards) Act, 1930, and embodies the substance of Articles 1, 2 and 3 of the Convention.

Clause 8 embodies Article 4 of the Convention.

Clause 9 gives effect to Article 5 of the Convention.

Clause 10.—This clause enables such supplementary provisions to be made as may be necessary for regulating the procedure of Courts in dealing with the enforcement of foreign awards.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 6th March, 1936:—

L. A. BILL NO. 4 OF 1936.

A Bill to remove certain doubts and to establish the validity of certain proceedings in High Courts of Judicature in British India.

WHEREAS doubts have arisen as to the validity of certain proceedings in High Courts of Judicature in British India under the Letters Patent erecting and establishing those Courts;

AND WHEREAS it is expedient to terminate those doubts and to establish the validity of those proceedings;

It is hereby enacted as follows:—

Short title and extent.

1. (*1*) This Act may be called the Decrees and Orders Validating Act, 1936.

(*2*) It extends to the whole of British India, including British Baluchistan and the Sonthal Parganas.

Certain decrees and orders not to be called in question.

2. No decree passed or order made by the High Court of Judicature at Fort William in Bengal, the High Court of Judicature at Madras or the High Court of Judicature at Bombay, in the exercise of its ordinary original civil jurisdiction under clause 12 of its Letters Patent, or by the High Court of Judicature at Rangoon, in the exercise of its original civil jurisdiction under clause 10 of its Letters Patent, shall be called in question in any proceedings before any other Court on the ground that the High Court passing the decree or making the order had no jurisdiction to pass or make the decree or order.

Restoration of proceedings.

3. Where in any proceedings concluded on or after the 26th day of August, 1935, any such decree or order has been found to be invalid on such ground by any Court, such finding shall be void and of no effect; and the Court shall, notwithstanding anything to the contrary in the Indian Limitation Act, 1908, or any other law for the time being in force, on application made within six months from the commencement of this Act by any person prejudicially affected by such finding, restore the proceedings at and continue the proceedings from the stage reached immediately before the order embodying or based on such finding was made. IX of 1908.

STATEMENT OF OBJECTS AND REASONS.

The Court of the Judicial Commissioner of the Central Provinces has recently in two judgments passed on the 26th August and the 11th September, 1935, held that certain decrees passed or orders made by the Bombay High Court in the exercise of the jurisdiction which that Court conceived it possessed under clause 12 of its Letters Patent were made without jurisdiction.

Clause 12 of the Letters Patent of the Bombay High Court, which is identical in terms with clause 12 of the Letters Patent of the Madras and Calcutta High Courts and corresponds to clause 10 of the Letters Patent of the Rangoon High Court, has been variously interpreted by the several High Courts, and the question of amending the clause is under consideration.

This Bill is designed to obviate in the meantime the inconvenience which would result if the decrees or orders of a High Court acting in the exercise of its ordinary original civil jurisdiction, as the Court itself interprets that jurisdiction, proved infructuous in another Court which favoured a different interpretation.

CALCUTTA, THE 6TH APRIL 1936.

RESOLUTION—No. 2630IND.

Minister-in-charge: The Hon'ble Nawab Sir Mohiuddin Faroqui, Kt., of Ratanpur.

Read—

The Annual Administration Report of the Department of Industries, Bengal, for the year 1934-35.

Mr. A. T. Weston held charge of the department throughout the year under review. The post of Deputy Director of Industries, which was held in abeyance in pursuance of the recommendation of the Retrenchment Committee of 1924, was revived and filled by the appointment of Mr. S. C. Mitter, who continued to perform the duties of the Industrial Engineer in addition.

2. The chief features of the year under review were the comparative stability at low price levels and the absence of buoyancy in purchasing power. These conditions, which placed the organised industries at a disadvantage, also proved a great handicap to industrial development. The continuation of the low price régime necessarily involved reduction of costs of production and a competitive struggle for new markets.

3. Although the field of its work was necessarily restricted owing to the limitations imposed by financial stringency, the Industries Department continued to do useful work towards the development of small and cottage industries. The handloom weaving industry which is easily the largest and most important cottage industry in Bengal naturally occupied the attention of the department to a large extent. It is to the credit of the department that through its efforts the old throw shuttle type of handloom has been replaced by the more productive modern type in practically every district in Bengal. The department has also succeeded in introducing improved dobbies and jacquards over a wide area of the province. It has also encouraged the establishment of a new industry in Bengal, viz., the manufacture of jacquard machine apparatus. In the Baranagore area there are at least four workshops engaged in manufacture of jacquards. About 2,900 jacquards produced in these factories have been sold to the weavers of Bengal. Under the Unemployment Relief Scheme which has been in operation for a little over three years, twenty-eight demonstration parties were established in the more important cottage industries likely to afford a remunerative occupation to a large number of workers, viz., jute and wool weaving, soap-making, umbrella-making, brass and bell-metal ware, leather goods, cutlery and pottery. It is gratifying to note that as a result of the working of the demonstration parties and of the district and peripatetic weaving schools more than 11,000 students are known to have been provided with employment or have started business of their own in the respective industries up to January 1936.

The two Industrial Surveyors employed under the unemployment relief scheme were fully engaged in exploring avenues of marketing and assisting the small industrialists in the difficult task of finding a market for their products. The survey of the cottage industries in the Noakhali district was completed during the year under report and that relating to the Nadia district was in progress.

The initiation of practical measures for arresting the further decline of the market for Bengal silk engaged the attention of the marketing investigator throughout the year. He was sent to the silk districts and other places to study the problem. With the object of re-establishing markets for Bengal silk the Murshidabad Silk Association has been organised with the principal merchants dealing in woven silk articles as its constituents.

The development of the coir industry as a profitable cottage industry also engaged the attention of the department, and an experimental coir-making and spinning demonstration party was established in the Calcutta Technical School for the purpose of working out the detailed processes of using coir yarn for woven and pile mat-making and other uses. The results have been promising and steps have been taken since the close of the year to send out four demonstration parties in the deltaic districts of the province for demonstration purposes.

4. The department also pressed forward with its programme of research, the value of which as a means of making available to industrialists, particularly to the smaller ones, who cannot afford to have experiments of their own the up-to-date methods of manufacture, cannot be over-estimated. Special efforts were made during the year to advance the technique of soap-making and to reduce the cost of manufacture. The results of the researches proved useful not only to small workers but also to factories. Investigation of the conditions of manufacture of soft soap which is used in the industries was also undertaken with satisfactory result. Researches were also carried on into other technical problems such as varnishes, gloy paste, less known oil seeds, etc. Minor technical problems requiring more or less practical experiments were also solved in the Industrial Research Laboratory for the benefit of the small industrialists. In the brass and bell-metal industry the manufacture of brass and German silver tea spoons by a process of sand moulding, and of brass dolls and images by a process of clay moulding, has been standardised. The introduction of a new kiln designed by the department and the evolution of new processes of glazing for ornamental pottery have proved beneficial to the pottery industry. Experiments were carried out in the laboratory on "Majolica" ware

glazes, earthenware bodies for manufacturing "Chota hazri" sets and "*Parian*" bodies for manufacturing figures, etc., and the results obtained are expected to advance the development of the industry in fruitful channels. The manufacture of parasols, fancy umbrella handles and walking sticks has been standardised.

5. Technical and industrial education in all its branches including weaving education continued to receive attention. It is noteworthy that the total number of technical and industrial schools of all kinds—both Government and non-Government—in Bengal and the number of scholars attending them on the 1st January 1935 were 132 and 6,102 against 121 and 5,337, respectively, on the 1st January 1928. Although these figures do not show any large increase in the number of schools or scholars, it is a welcome sign of the times that there is a growing appreciation of the fact that the industrial salvation of the province depends to a great extent on a wider diffusion of such education.

6. The work in the Bengal Tanning Institute in all the main branches of its activities proved beneficial to the local tanning industry. Owing to the low prices of raw hides and skins the small chrome tanneries in Calcutta producing low priced articles made a profitable business. The larger chrome tanneries sold their lower grade products in India and exported those of higher grades chiefly to the United Kingdom. The beneficial effect of the Ottawa Agreement on this export trade which was noticed in the preceding year's review was manifest to an even greater extent during the year under report, and the export of Indian box sides was the outstanding feature of the Indian leather-trade during the year. The improvement of quality is the most pressing need of the tanning industry, and the researches on the various tanning processes carried out at the institute have resulted not only in the improvement of the quality of leather but also in the reduction of the cost of its production.

One gratifying feature of the shoe industry in Bengal was the employment of an increasing number of Bengali *Bhadralok* youths in the industry among whom the young men trained at the boot and shoe department of the institute were fairly represented.

7. The Government of Bengal (Ministry of Industries) have much pleasure in recording their appreciation of the manner in which the work of the department was conducted by Mr. A. T. Weston and his staff. The Minister-in-charge also takes this opportunity of conveying his thanks to the members of the Board of Industries and other Boards and Committees associated with the department for their assistance.

By order of the Government of Bengal

(Ministry of Industries),

III. *State of standing crops.*—The condition of standing crops was reported to be fair in East Bengal; elsewhere it was not satisfactory.

IV. *Prospects and probable outturn.*—The prospects of standing crops are reported to be, on the whole, fair. The outturn of summer rice and tobacco was estimated at 85 and 79 per cent. of the normal, respectively, this year.

V. *Damage to standing crops.*—Some damage to *rabi* crops by hail-storms was reported from Noakhali and Jalpaiguri.

VI. *Condition of agricultural stock.*—The condition of live-stock was, on the whole, fair. Sporadic cases of cattle disease, however, were reported, from eighteen districts of the province and from the Cooch Behar and Tripura States.

VIII. *Price of food-grains.*—During the second fortnight of the month, the retail prices of common rice of the cheapest quality rose in eleven districts and fell in three and remained stationary in the rest of the presidency. The price ranged from 10 seers per rupee at Darjeeling to 14 seers per rupee at Jalpaiguri.

(iv) the total amount of interest shall be rounded to the nearest whole rupee (eight annas counting as the next higher rupee);

Provided that when the amount standing at the credit of a subscriber has become payable, interest shall thereupon be credited under this sub-rule in respect only of the period from the beginning of the current year or from the date of deposit, as the case may be, up to the date on which the amount standing at the credit of the subscriber became payable.

(3) In this rule, the date of deposit shall, in the case of a recovery from emoluments, be deemed to be the first day of the month in which it is recovered; and in the case of an amount forwarded by the subscriber, shall be deemed to be the first day of the month of receipt, if it is received by the Account Officer before the fifth day of that month, but if it is received on or after the fifth day of that month, the first day of the next succeeding month.

Provided that where the Account Officer has intimated to that person (or his agent) a date on which he is prepared to make payment in cash, or has posted a cheque in payment to that person, interest shall be payable only up to the end of the month preceding the date so intimated, or the date of posting the cheque, as the case may be.

(5) Interest shall not be credited to the account of a Muhammadan subscriber if he informs the Account Officer that he does not wish to receive it; but if he subsequently asks for interest, it shall be credited with effect from the first day of the year in which he asks for it.

A subscriber may, at his option, repay more than one instalment in a month. Each instalment shall be a number of whole rupees, the amount of the advance being raised or reduced, if necessary, to admit of the fixation of such instalments.

(2) Recovery shall be made in the manner prescribed in rule 13 for the realisation of subscriptions, and shall commence on the first occasion after the advance is made on which the subscriber draws pay, or remuneration on foreign service, for a full month. Recovery shall not be made, except with the subscriber's consent, while he is on leave or in receipt of subsistence grant and may be postponed, on the subscriber's written request, by the sanctioning authority during the recovery of an advance of pay granted to the subscriber.

Note.—The expression "advance of pay" includes any ordinary advance of pay granted under the relevant rules such as Article 159 (a), (b) and (h) of the Civil Account Code, Volume I, but does not include advances for the building or repair of a house, for the purchase of a conveyance or for the payment of passages overseas which are of a different nature.

(3) If more than one advance has been made to a subscriber, each advance shall be treated separately for the purpose of recovery.

The method of recovery shall be that prescribed in sub-rule (2). Payments shall be rounded to the nearest rupee in the manner prescribed in clause (iv) of sub-rule (2) of rule 14.

Executive Instructions.

The following are deemed to be good and sufficient reasons for the grant of advances, provided the sanctioning authority is satisfied that the applicant's pecuniary circumstances justify an advance, and that the amount advanced will be expended on the object for which it is given:—

(*a*) to pay expenses incurred in connection with the prolonged illness of a subscriber or any person actually dependent on him;

(*b*) to pay for the overseas passage for reasons of health or education of a subscriber or any person actually dependent on him.

Sanctioning authorities should reject an application for an advance to repay a debt incurred on account of illness or any other recognised purpose, made unreasonably long after the event to which it relates.

Advances are not rigidly confined to the objects mentioned in clauses (*a*) to (*c*) above, but may be sanctioned only for reasons no less cogent. An advance may not be granted for the purchase of a house or land, or for the erection of, or repairs to, a building, or to meet the expenses of law suits, or to repay ordinary debts, or to furnish security deposits, or to purchase motor cars or other means of conveyance, or to meet the marriage expenses of a European, Anglo-Indian or Indian-Christian subscriber or any person actually dependent on him.

The College teaches up to the B.A. and B.Sc. standard. It is affiliated in Honours in the following subjects:—

English, Sanskrit, Philosophy, History, Mathematics and Physics.

No Physics nor Chemistry can be taken in the I.A. Course in this College.

Only students who had Additional Mathematics in the Matriculation Examination will be admitted to the I.Sc. class. A certificate to this effect from the Headmaster of the school should be attached to the application.

Applications for admission should be made in the prescribed form immediately after the publication of the University results. Prospectus and admission forms can be had from the College office on personal application or by sending a stamped cover. Students who failed in the University examination and desire re-admission should attach the University admit card and their crossed list to their application form.

As a rule, students who have passed the Matriculation or Intermediate examination in the third division will not be admitted. Students who have failed to pass in any year after two attempts will not be allowed to continue.

There are two hostels attached to the College, one for Hindus and the other for Muhammadans. Both the hostels are pucca buildings and very close to the College.

Twenty-five per cent. of the vacancies will be reserved for Moslem students, if necessary, but this reservation will not hold good if sufficient applications are not received at least one week before the day on which the College re-opens.

7. In section 9 of the said Act, in clause (*c*) after the word "Committee" the words ", the Governing Body, the Advisory Board" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

Under the Indian Lac Cess Act (XXIV of 1930) a cess is levied on lac and refuse lac exported to countries outside India at the rate of four annas and two annas per maund respectively with the object of providing funds for the improvement and development of the cultivation, manufacture and marketing of Indian lac. It is now proposed to increase this cess to 7 and 5 annas per maund respectively in order to provide the Indian Lac Cess Committee with more adequate funds for these purposes. To bring the results of successful research at the Lac Research Institute to the notice of lac growers, a demonstration organisation has recently been set up by the Lac Research Institute at Ranchi which will be expanded as experience is gained. To meet the increasing competition of synthetic substitutes the Lac Cess Committee has found it necessary to extend its work on the industrial applications of Indian lac and is now financing important schemes of research and scientific intelligence amongst the lac-consuming industries in the United Kingdom and in the United States of America. A Shellac Research Bureau has been established in London which is staffed by three Indian scientists, deputed from India for the purpose, who are working in collaboration with scientific and industrial research associations in the United Kingdom. The Committee has also made a grant to the Research Bureau of the United States Shellac Importers' Association for research and propaganda work in America. As regards scientific intelligence the Special Lac Officer attached to the office of the High Commissioner keeps the Indian Lac Research Institute at Ranchi in touch with technical particulars of consumers' requirements and also provides the Indian research workers who are working for the Committee in England with up to date technical information. Up to the present these research activities on the industrial side have cost some 2½ lakhs of rupees and this amount has been met out of the Committee's accumulated reserves. But an increased regular income is necessary to carry on this work which is of vital importance to the future of lac.

The proposal for the increased cess has been accepted by the Indian Lac Cess Committee and by the Governments of the Provinces mainly concerned, *viz.*, Bengal, the United Provinces, Bihar and Orissa, the Central Provinces and Assam.

2. It is also proposed to take this opportunity to re-organise the Lac Cess Committee on the model of the Imperial Council of Agricultural Research so as to provide for a logical division of functions into general and technical and appropriate machinery for the most efficient handling of both. Under these proposals the Committee will consist of two parts—the Governing Body which will be entrusted with questions of policy and the administration and the control of the Lac Cess Funds, and the Advisory Board which will deal with the scientific and technical aspects of the Committee's work.

3. It is further proposed that, in addition to the power of control contained in section 6(*2*) of the Indian Lac Cess Act, 1930 (XXIV of 1930), the Governor General in Council should have explicit authority to arrange for the periodical inspection of the Lac Research Institute and of any other institution maintained at the cost of the lac cess funds.

4. It is also proposed to authorise the Committee, subject to the control of the Governor General in Council, to spend lac cess funds on patenting discoveries made by its employees, should this be found necessary.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

The following Bill was introduced in the Legislative Assembly on the 16th March, 1936:—

L. A. BILL No. 7 OF 1936.

A Bill further to amend the Factories Act, 1934, for a certain purpose.

WHEREAS it is expedient further to amend the Factories Act, 1934, for the purpose hereinafter appearing; It is hereby enacted as follows:— XXV of 1934.

Short title.

1. This Act may be called the Factories (Amendment) Act, 1936. XXV of 1934.

Amendment of section 5, Act XXV of 1934.

2. In section 5 of the Factories Act, 1934,—

(*a*) in sub-section (*1*),—

(*i*) for the words "premises whereon or within the precincts whereof" the words "place wherein" shall be substituted; and

(*ii*) for the words "whereon or within the precincts whereof", where they occur for the second time, the word "wherein" shall be substituted;

(*b*) in sub-section (*2*), for the words "premises or class of premises" the words "place or class of places" shall be substituted; and

(*c*) in sub-section (*3*), for the word "premises" the word "place", and for the word "thereon" the word "therein" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

Sub-section (*1*) of section 5 of the Factories Act gives Local Governments power to notify as factories premises which have ten or more persons working in them or in their precincts. But a notification so issued extends only to the premises and not to the precincts and may thus apply only to part of the work. It is arguable, moreover, that places in the open air are not premises. The proposed amendment is intended to ensure that manufacture carried on elsewhere than inside buildings can be regulated when necessary.

Section 5 of the Factories Act is reproduced below for the convenience of Members.

F. NOYCE.

NEW DELHI;

The 3rd March, 1936.

Section 5 of the Factories Act, 1934 (XXV of 1934).

Power to declare premises to be factories.

5. (*1*) Notwithstanding anything contained in clause (*j*) of section 2, the Local Government may, by notification in the local official Gazette, declare any premises whereon or within the precincts whereof a manufacturing process is carried on, whether with or without the aid of power, and whereon or within the precincts whereof, on any one day of the twelve months preceding the notification, ten or more workers were employed, to be a factory for all or any of the purposes of this Act.

(*2*) A notification under sub-section (*1*) may be made in respect of any specified premises or class of premises.

(*3*) A notification under sub-section (*1*) shall cease to have effect in respect of any premises after the lapse of twelve months during which not more than nine workers were employed thereon on any day.

(*Note.*—On an average of the five years ending 1933-34, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1933-34, averaged (*a*) 41·1 and (*b*) 10·4 per cent., respectively.)

Character of the season.—Since the issue of the second forecast in February last, the outturn has improved in the important districts of Malda and Darjeeling. Elsewhere the conditions have remained practically unchanged. The season may be regarded as fair on the whole.

Acreage.—According to the estimates of the district officers the total area sown amounts to 127,100 acres this year as against 154,700 acres both in the corresponding and final forecasts of last year.

Outturn.—The average provincial outturn as worked out from district estimates is 70 per cent. as against 90 per cent. both in the corresponding and final forecasts of last year.

Taking the normal yield to be 10 maunds per acre, the gross yield of the crop for the province is estimated at 32,700 tons this year as against 51,100 tons both in the corresponding and final forecasts of last year.

Resolution on the working of the Union Boards during the year 1933-34.

GOVERNMENT OF BENGAL.

Local Self-Government Department.

Local Self-Government (Local Boards).

CALCUTTA, THE 18TH APRIL 1936.

RESOLUTION—No. 2449L.S.-G.

Minister-in-charge: The Hon'ble Sir Bijoy Prasad Singh Roy, Kt.

Read—

Reports of the Commissioners of Divisions on the working of union boards during the year 1933-34.

During the year under review, the number of union boards rose from 4,701 to 4,738. The difference is explained by the fact that there were 25 new boards in Bakargunj, 13 in Mymensingh and 1 in Dacca while the number of union boards in each of the districts of Nadia and Noakhali was reduced by one as a result of amalgamation. The number of union boards in the other districts remained the same as in the previous year.

Franchise.—The number of voters on the union board electoral rolls rose from 2,570,800 to 2,623,633 during the year under report.

The number of members of the union boards also increased from 41,921 to 42,143.

Elections, on the whole, proceeded smoothly and satisfactorily and sometimes roused marked enthusiasm among the rate-payers. Although unhealthy party faction could not be eliminated, the election fights were, generally speaking, cleanly fought. The large number of representations received by the local officers and by Government for appointment as members of union boards indicates that membership is highly prized as a hall mark of rural prestige. The reports show that increasing interest is being taken by the rural public in these elections and there is an improvement in the quality of candidates for membership.

Finance.—The total income of union boards, excluding opening balances, rose from Rs. 88·25 lakhs to Rs. 89·84 lakhs, of which about Rs. 67·58 lakhs were realised from union rates, Rs. 2·46 lakhs as rents of chaukidari chakran lands, Rs. 1·8 lakh from pounds and ferries and Rs. 1·49 lakh and Rs. 2·93 lakhs, respectively, as grants from district boards under sections 33 and 45 of the Village Self-Government Act. Of the total amount realised as union rates, Rs. 10·71 lakhs were derived from rates imposed under section 37 (*b*) of the Act and Rs. 56·86 lakhs from the chaukidari rate as compared with Rs. 10·11 lakhs and Rs. 56·35 lakhs, respectively, of the previous year. The continued economic depression retarded progress but the

financial results show that there was no set back in their activities which in itself is a considerable achievement.

The total expenditure of union boards rose from Rs. 88·62 lakhs to Rs. 90·13 lakhs, of which Rs. 49·93 lakhs, or about 55·4 per cent. were spent on the maintenance and equipment of the village police. Out of the expenditure incurred on works of public utility during the year under review, Rs. 6·25 lakhs were spent on roads, of which Rs. 2·18 lakhs represented original works; Rs. 5·88 lakhs were spent on water-supply; Rs. 1·35 lakh on drainage and conservancy; Rs. 2·98 lakhs on education and Rs. 1·62 lakh on dispensaries. The most notable increases in expenditure on works of public utility during the year were Rs. 38,000 on water-supply, Rs. 36,000 on dispensaries and Rs. 14,000 on the repair and construction of roads while on the other hand, there was a marked decrease of Rs. 43,000 on education.

The audit notes of the Circle Officers disclosed many weak points and the usual instances of defective working in these rural institutions. Several cases of actual embezzlement of union funds by Presidents and officers of union boards came to notice and it is not unlikely that there were other similar cases which were not reported. One of the principal causes of this evil appears to lie in a strange reluctance on the part of some of the Presidents to deposit the union fund in the savings bank as required under the rules and in their habit of keeping the fund in their own custody which encourages the collectors to follow suit and make use of this money for their own purposes.

The audit notes themselves were not of uniform quality and were often found superficial and defective. The Commissioner of the Rajshahi Division took steps to impose stricter audit and introduced a system of closer examination of the audit and inspection notes.

Individual activities of union boards.—Government make a practice in this Resolution of noticing the achievements of individual union boards, though this review must necessarily be incomplete because the Commissioners' reports do not give details of the activities of the union boards in all cases.

The bulk of the income of union boards in the Burdwan, Dacca and Rajshahi Divisions, available for works of public utility, was devoted to water-supply and in a lesser degree to communications. Thirty-three union boards of the Burdwan district are specially mentioned as having spent comparatively large amounts on water-supply. In Birbhum, the union boards sank twenty-four masonry wells and twenty tube-wells while one tank was re-excavated in the Dubrajpur Circle. In Hooghly, 282 tube-wells and 15 masonry wells were sunk by the union boards with contributions received from Government and the district board, while union boards of Howrah sank 32 tube-wells, 5 ring wells and resank 17 tube-wells and are reported to have made good progress in the improvement of water-supply in rural areas. The union boards of Chittagong also spent Rs. 4,440 from their own funds on the improvement of rural water-supply while those of Tippera spent Rs. 6,551 more on water-supply than in the previous year. The agency of union boards was very largely utilised in executing water-supply projects from the Government grant, the union boards finding the necessary local contribution from their funds.

As regards anti-malarial projects and other sanitary measures, the activities of the union boards were mainly directed to the cutting of

jungles, clearing of weeds from tanks, kerosenisation of stagnant pools, clearing of drains and distribution of quinine. In Burdwan a sum of Rs. 12,083 was spent on anti-malarial works and other sanitary measures. In Birbhum, there was a somewhat unprecedented outbreak of malaria which called for special measures in all the circles and the union boards did their best to help. The formation of health associations in each thana, with the Presidents of union boards and the public health staff working in co-operation, was a special feature of the year in Bankura and is expected to produce good results in future. In Hooghly, there were 15 health circles consisting of 18 thanas while several union boards of Howrah spent a portion of the anti-malarial grant received from the district board towards the improvement of drainage in their unions.

A sum of Rs. 1,486 was spent on anti-malarial works through the agency of union boards in Chittagong under the direction of the District Health Officer. Union boards in other divisions also had in many cases the spending of Government grants under proper supervision.

The paramount need for medical aid in the rural areas caused the union boards to set aside a large proportion of their funds for the establishment and maintenance of dispensaries. Twenty-two union board dispensaries were maintained in Burdwan at a cost of Rs. 12,288; the union boards in Bankura continued to maintain 12 dispensaries while new leper clinics were started by four union boards at Dubrajpur and Alimadpur. Four new union board dispensaries were started in Hooghly, and the union boards in that district spent Rs. 25,296 on dispensaries against Rs. 17,277 in the previous year; most of the dispensaries were well equipped and are reported to have done good work and to have materially improved the health of the rural areas. The expenditure on dispensaries in Howrah also increased from Rs. 10,633 to Rs. 16,138 and the district board continued to pay Rs. 500 (including the Government grant of Rs. 250) for each dispensary under union board management. In the 24-Parganas, thirteen dispensaries were established and received suitable contributions from the district board. A number of union board dispensaries were started in the districts of Malda, Rangpur, Pabna and Jalpaiguri. To enable sufficient funds to be collected for expenditure on dispensaries, not only were subdivisional associations of union boards formed in Rangpur but also thana associations and these associations in some cases achieved remarkable success by the joint efforts of the union boards. For example, in Hatibandha, a dispensary was started as the result of the co-operation of union boards in that thana and another thana association gave training to 15 country dais with the help of the district board. The grants made by Government to the thana and village dispensaries proved especially useful. Some of the union board dispensaries might have probably had to close down but for these grants which served to give a fillip to extension of medical relief in rural areas.

The union boards in all the divisions gave attention to spread of primary education as far as funds permitted. Many maintained primary schools of their own. The Krishnadebpur union board in Burdwan continued to maintain a free primary school on a voluntary basis; the two Biss type schools established by the Baikanthapur union board and another at Atghoria also worked well. Birbhum spent Rs. 22,726 on schools; fifteen primary schools, including six girls' schools were maintained by the union boards of that district.

The scheme of free primary education had been introduced in a few union boards in the district of Khulna and a sum of Rs. 6,598 was paid to these boards for the maintenance of the scheme. The union boards of the Burdwan, Presidency, Dacca and Rajshahi Divisions spent Rs. 74,613, Rs. 53,543, Rs. 81,813 and Rs. 78,325, respectively, on primary education while those of the Chittagong Division spent Rs. 9,757 under this head.

A new enterprise in the shape of an irrigation project is reported to have been undertaken by the Rajbalhat union board in Hooghly. The Hajigunj union board in Tippera was the foremost of all the union boards of the district in respect of works of public utility as well as realisation of union rate under section 37(*b*). The Naogaon union board in Rajshahi, the Nilphamari, Saidpur and Kurigram union boards in Rangpur and the union boards of Sontala, Hili, Jaypurhat, all populous and important villages in Bogra, are specially mentioned as having made efficient conservancy arrangements. The Siliguri union board in Darjeeling also made adequate arrangements for conservancy and street lighting with petromax lamps while the lighting arrangements at Kurigram are also reported to have been satisfactory. A new form of activity, which deserves special encouragement, was the establishment of agricultural farms by some of the wealthier and more advanced union boards in Rangpur; these farms have been established with the special object of introducing fodder crops and substitute crops for jute under the guidance of the Agricultural Department. Another form of activity which was rendered possible by the formation of subdivisional associations of union boards in Rangpur, was cinema propaganda on sanitation, health, agriculture and other matters; each subdivisional union board association purchased a cinema outfit which was transported from village to village at the cost of the President of the union board concerned and useful work was done. The district board contributed Rs. 1,000 towards the scheme and made arrangements for battery charging from its laboratory.

In Bankura, co-operation meetings of Presidents and members of union boards were held in every thana twice a year and in Hooghly co-operative meetings with the police were held regularly and were increasingly attended by the Presidents. In these meetings matters connected with the control of dagis, keeping proper watch over chaukidars and dafadars, improvement in the present method of watch and ward, the necessity of formation of defence parties and matters connected with the improvement of village sanitation were discussed. The meetings produced very good results, and the relations between the police and the union boards were cordial. The value of such co-operation meetings presided over by the Subdivisional Officer whenever possible can hardly be exaggerated as affording opportunity for exchange of views and discussion of local problems affecting administration of rural areas.

Working of union benches and courts.—The following extract from the Reports of Administration of Justice, Civil and Criminal for the year, published by the High Court, will show the position in regard to benches and courts:—"The total number of union benches established and in existence was 1,348 against 1,177 in the previous year. The number of offences reported to these benches was 81,366 showing an increase of 12,766 on that of 1932. The benches are reported to be working satisfactorily and growing in popularity. They are also said to be affording appreciable relief to Magistrates in most of the districts.

The total number of union courts established was 1,179 against 999 in the previous year. The number of suits instituted in these courts was 166,026 showing an increase of 27,634 over that of 1932. Of the total number of applications under section 88 proviso of the Village Self-Government Act for disposal during the year under report, 79 cases were either dismissed or not prosecuted; in 248 cases the lower courts' orders were confirmed, in 16 modified, and in 134 reversed and 42 cases were remanded for retrial. The courts are reported generally to be viewed with appreciation by the public and to be affording some relief to the munsifs in the majority of the districts in which they are established."

It is to be regretted that one bench court had to be superseded during the year under report on account of quarrel and party faction among its members resulting in maladministration.

Relations between district boards and union boards.—The relations between the district boards and the union boards continued to be satisfactory on the whole although there is considerable room for improvement in co-operation between the district boards and the union boards especially in regard to the working of health units. In the matter of financial assistance, however, the remark made by the Commissioner of the Rajshahi Division that the district boards have not all been generous in interpreting the Government orders to the effect that a substantial portion of the augmentation grants should be paid to the union boards probably represents the attitude of most of the district boards with a few exceptions. The total amount paid by the district boards to the union boards has sustained a steady decrease from Rs. 5,12,882 in 1931-32 to Rs. 4,76,924 in 1932-33 and to Rs. 4,42,104 in the year under review. (The last sum included Rs. 1,49,276 paid to the union boards under section 33 of the Village Self-Government Act for the management of institutions and works transferred to them by district boards.) The total receipts of union boards from pounds, which practically represent a transfer of the district board revenue to union boards, also fell from Rs. 1,82,653 to Rs. 1,78,880.

The union boards of Burdwan received good support and encouragement from the district board as also did those of Bogra and Jalpaiguri. In Bankura, the hostile attitude evinced by the district board in previous years changed to one of sympathy and consideration under the tactful guidance of the official Chairman. The district boards of Jalpaiguri and Bogra made a uniform grant of Rs. 100 and Rs. 50, respectively, to each union board under section 45 and the district board of Bogra made extra grants of Rs. 100 and Rs. 50, respectively, to the union boards whose administration had been satisfactory and who had helped themselves appreciably by raising large amounts under section 37(*b*) for expenditure on works of public utility. This seems to be the correct principle according to which contributions should be made in order to encourage deserving union boards, although special needs of the boards handicapped by poverty or other causes beyond their control, should also be considered. The proportion between the grants paid by the district boards to the union boards under section 45 of the Village Self-Government Act and the rates realised by the union boards under section 37(*b*) continued to present the same extremes of variability as noticed in previous resolutions; at the one extreme the Khulna district board made grants to the extent of about 116·2 per cent. of the sum realised as union rate while at the other, the Noakhali district board made grants amounting to only about 6·2 per cent. of the receipts from

union rates in the district. At almost all conferences of union boards pointed attention is drawn to the inadequate grants by district boards and it is demanded that provision should be made for the payment of at least 50 per cent. of the augmentation grant to the union boards. A fixed percentage is outside practical consideration at present, specially in view of the financial difficulties of the district boards, but at the same time the district boards should realise that they are expected to render adequate financial assistance to union boards by making substantial contributions from the augmentation grant.

The Minister has noticed with pleasure that in certain districts periodical conferences of Presidents and members of union boards were held with the encouraging result that the objects of rural self-government were popularised and the benefit of mutual exchange of views was secured. It is also pleasing to note that there was practically no agitation against union boards and the activities of the Congress directed towards the wrecking of union boards disappeared towards the end of the year under review. The record for the year under review is one of slow but steady progress in spite of the economic depression. As the District Magistrate of Birbhum has observed, a great experiment in rural self-government is still in the crucible. But the indications in spite of many short-comings confirm the hope that with increased experience, gradually increasing powers and a wider appreciation of the necessity and scope for self-help with a view to improve all kinds of amenities of life in the village, the union boards will at no distant future come to be recognised as the first and the most essential unit of self-government.

Medical College, Calcutta, 1936.

Rules for the guidance of students seeking admission into the Medical College, Calcutta.

1. Two classes of students are admitted to the college:—

(*1*) *Civil pupils' class.*—Admission to this class is restricted to students, male or female, who were born within or whose parents are domiciled within the territorial jurisdiction of the Calcutta University. Three students are also eligible for admission from the Dacca University area and three from the Dacca Intermediate Board. Students from other provinces and from Indian States for whom places have been reserved are also eligible for admission to the college.

Only students who intend to take the M. B. examination of the Calcutta University are admitted to this class.

(*2*) *Military pupils' class.*—Only European or Anglo-Indian students are admitted to this class (see separate prospectus for military pupils whose admission is regulated by the Director-General, Indian Medical Service).

NOTE.—Casual students are not admitted. No students are admitted other than those in one or other of the above classes.

2. The minimum preliminary qualification for admission is the First Class Pass certificate of the I. Sc. examination of the Calcutta University with Physics, Chemistry and Mathematics or an examination recognised as equivalent to it. This rule may be relaxed in favour of Muhammadan students and such candidates having passed the said examination in the second division may be admitted, provided they are otherwise considered suitable, to make up the number allotted for the Muhammadan students. In assessing the claims of those eligible for admission special weight will be attached to proficiency in English.

3. (*a*) Female students qualified under rules 1 and 2 will be admitted to the college, provided there is a vacancy in the Swarnamoyee Hostel in which all female students must reside. For special reasons to be recorded in writing, the Principal may allow any female student to reside outside this Hostel.

(*b*) Female students studying in the college but belonging to provinces other than Bengal and not domiciled in Bengal will pay rents for accommodation in the Swarnamoyee Hostel.

4. The session commences with the summer term which begins on the 15th June and ends on the day before the commencement of the Durga Puja holidays. The winter term commences on the day after close of the Durga Puja holidays and ends on the 31st March.

5. All applications direct from new students in Bengal for admission to the college should be accompanied by a fee of Rs. 4 which will not be refunded.

All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form, available in his office before the 25th May except in the following cases:—

(*a*) Students from other provinces for which places are reserved should apply to the Inspector-General, Civil Hospitals, of those provinces for admission within such dates as that officer may prescribe.

(*b*) The candidates from Indian States will be nominated by the States themselves.

(*c*) Students from the Dacca University area will be selected as follows:—

(*i*) Three students will be selected by the Dacca University, and

(*ii*) Three students by the Chairman of the Dacca Intermediate and Secondary Education Board.

6. The number of civil students to be admitted each year is 105. Vacancies are allotted as follows:—

Other provinces and Indian States including 1 from Nepal State	8
Dacca	6
Surgeon-General's nominees	5
Women	5
Muhammadan	21
Others	60

Preference for admission will usually be given to candidates who have superior qualifications, but the final selection lies entirely with the Selection Committee appointed by Government.

(*a*) Besides the students nominated by the Indian States under rule 5 (*b*), one student will be nominated by the Inspector-General of Civil Hospitals, Central Provinces, six students (including one female student) by the Inspector-General, Civil Hospitals, Assam, and six by the authorities mentioned in rule 5 (*c*).

These students must possess the qualifications mentioned in rule 2 and the nomination must reach the Principal, Medical College, Calcutta, before the 10th June each year, failing which the vacancies will be filled with local candidates. Vacancies arising by resignation or otherwise in places filled by reservation for the authorities in paragraph (*a*) cannot be filled again by those authorities during the year.

and

(*e*) in Item 51 (2), for the entry in the second column the following entry shall be substituted, namely:—

"COTTON KNITTED APPAREL, including apparel made of cotton interlocking material, cotton undervests, knitted or woven, and cotton socks and stockings."

STATEMENT OF OBJECTS AND REASONS.

The object of the Bill is to give effect to certain amendments which it is proposed to make in the First Schedule to the Indian Tariff Act, 1934.

2. *Staple fibre.*—In paragraph 87 of its Report on the Woollen Textile Industry, the Tariff Board has recommended that staple fibre be admitted free as other raw materials or should not at any rate pay a higher duty than foreign cotton. The Indian Central Cotton Committee and the Industrial Intelligence and Research Bureau are considering the possibilities of manufacturing staple fibre from short staple cotton grown in India. But until staple fibre can be produced on a commercial scale in India it is considered desirable to encourage the development by the Indian mills of the technique of spinning and weaving this new material by a reasonable reduction in the import duty leviable on it. Under Article 11 read with Schedule G of the Ottawa Trade Agreement, imports from the United Kingdom of artificial silk manufactures other than yarn, piece-goods, and thread for sewing are entitled to a preference of 10 per cent. It is accordingly proposed that the existing duty of 25 per cent. *ad valorem* be reduced as follows:—

On imports from the United Kingdom ..	5 per cent. *ad valorem* or 6 pies per lb., whichever is higher.
On imports from other countries	15 per cent. *ad valorem* or 1 anna per lb., whichever is higher.

The minimum specific duties correspond very closely in their *ad valorem* incidence to the alternative *ad valorem* duties.

3. *Fents.*—There have been widespread complaints that the existing concessional rate of import duty on fents of non-British manufacture has called into existence an import trade in spurious fents which constitutes a threat to the scheme for the protection of the cotton textile industry. Import statistics tend to show that the complaints are well-founded, and it is proposed to remove that threat by raising the duty on fents of non-British origin to the same rates as is applicable to the fabrics of which

they are composed and at the same time reducing the permissible length of artificial silk fents, the imports of which particularly have been stimulated by concessional treatment.

4. *Cotton knitted apparel.*—The Bill also seeks to give effect to the recommendation contained in paragraph 134 of the Report of the Tariff Board on the Woollen Textile Industry, namely, that the protective duty now applicable to cotton knitted hosiery should be extended to all cotton knitted apparel.

5. *Spun silk yarn.*—When the protective duties on raw silk and silk manufactures were originally imposed, it was thought that spun silk yarn being a product of waste silk was not in effective competition with Indian silk. The statistics of imports over the past two years have shown that the competitive value of spun silk was underestimated. It is proposed therefore to make spun silk yarn subject to the same rate of duty as pure silk yarn.
